- 2) Waiver of sidewalk installation along the frontage of W Richwoods Blvd.
- 3) Condition to install required 5 ft wide sidewalk along the frontage of W Reservoir Blvd.
- 4) Condition for all vehicular access driveways and roads be constructed with hard, dustless surfaces or permeable pavers/porous paving systems.
- 5) Condition for equipment facilities and accessory buildings to be designed with brick, stone, and/or block material.
- 6) Condition to meet the required front yard landscaping along W Reservoir Blvd of 278 points utilizing

plants from the tree classification.

- 7) Condition to revise the fence material along the frontage of W Reservoir Blvd to masonry, wood, aluminum or wrought iron to be compatible with existing character of the site and neighborhood.
