*
- (20-023) **Communication from the City Manager and Director of Public Works with a Request to ADOPT an ORDINANCE Amending CHAPTER 9.5 of the CODE of the City of Peoria Regarding STORM WATER VOLUME CONTROL.**
**
- (20-017) **Communication from the City Manager and Corporation Counsel with a Request to ADOPT ORDINANCE NO. 17,745 Amending ARTICLE IV of the CODE of the City of Peoria Relating to ANIMALS.**
- (20-024) **Communication from the City Manager and Corporation Counsel with a Request to APPROVE the SITE APPLICATION for a Class B (Restaurant, 50% Food) Liquor License with On-Site Consumption and Retail Sale of Alcohol at BLACK BAND, LLC, D/B/A BLACK BAND DISTILLERY, 1000 SW ADAMS, Contingent Upon Issuance of all Appropriate Permits and a Certificate of Occupancy, with a Recommendation from the Liquor Commission to Approve. (Council District 1)**

Mayor Ardis questioned if the Council wished to have any of the Consent Agenda items removed for further discussion.

Council Member Kelly requested Item Nos. 20-022 and 20-023 be removed from the Consent Agenda for further discussion.

Council Member Riggerbach moved to approve the Consent Agenda items as outlined in the Council Communications; seconded by Council Member Cyr.

Item Nos. 20-017 through 20-024 (excluding Item Nos. 20-022 and 20-023, which were removed for further discussion) were approved by roll call vote under the Omnibus Vote Designation.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel, Mayor Ardis - 10;

Nays: None.

(20-022) * Communication from the City Manager and City Clerk with a Request to APPROVE an AGREEMENT with GRANICUS INC. to Provide a Council Agenda and Meeting Software, in the Amount of \$31,351.38 for 2020, \$33,545.98 for 2021, and \$35,894.19 for 2022.

Council Member Kelly remarked on the Granicus System used to compile the agendas for the City Council and to make the agendas accessible online to the Council Members and the public. He expressed a concern with the cost of the system over the next three years, noting a 7.0% increase for each year. He said the City's revenues did not increase at such a rate annually. He requested the City Manager to negotiate a lower rate with Granicus, Inc. and to ask for an explanation for the proposed increases.

At the conclusion of his comments, Council Member Kelly moved to defer this item until February 11, 2020.

City Manager Urich said he had already requested an explanation for the increases; however, he said the City could not operate without the system. He asked the Council to approve the item subject to the prices provided, but he said he would try to negotiate a lower rate. He noted that the City's current contract with Granicus had ended in December 2019. He remarked on the impact it would have should the City operate without the Granicus system.

Council Member Kelly said the City needed an explanation for these types of increases; however, he said he would concede to the City Manager's request and he withdrew his motion to defer.

Council Member Kelly moved to approve an agreement with Granicus, Inc. to provide a Council Agenda and Meeting Software, in the amount of \$31,351.38 for 2020, \$33,545.98 for 2021, and \$35,894.19 for 2022.

City Manager Urich said the system enabled the City to share information with the public electronically, noting its value in how the City managed its paper flow.

Council Member Grayeb said he supported Council Member Kelly's comments and he said the City should try to negotiate increases less than 7.0%.

Council Member Grayeb seconded the motion.

Council Member Montelongo said the system allowed for more transparency; however, he expressed a concern about the City not having other options.

City Manager Urich said replacing the system would be a significant cost. He said what was before the City Council for approval was the licensing of the system, which included the transparency suite to ensure meetings were streamed and the public could go to the City's website to pull information. He said it allowed for the agenda to be accessible to the Council on their iPads and on the City's website. He said the cost also reflected a Boards and Commissions component that would allow the City to manage the appointment process.

It was noted that the Granicus system allowed for public searches of past information from previous meetings. It was discussed that the system was needed, but the price should be negotiated.

Motion to approve an agreement with Granicus, Inc. to provide a Council Agenda and Meeting Software, in the amount of \$31,351.38 for 2020, \$33,545.98 for 2021, and \$35,894.19 for 2022 was approved by roll call vote.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel, Mayor Ardis - 10;

Nays: None.

(20-023) Communication from the City Manager and Director of Public Works with a Request to ADOPT an ORDINANCE Amending CHAPTER 9.5 of the CODE of the City of Peoria Regarding STORM WATER VOLUME CONTROL.
**

A revised Ordinance with a title change was distributed to all Council Members.

Council Member Riggerbach moved to adopt an Ordinance amending Chapter 9.5 of the Code of the City of Peoria regarding Storm Water Volume Control; seconded by Council Member Cyr.

ORDINANCE NO. 17,746 was adopted by roll call vote.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel, Mayor Ardis - 10;

Nays: None.

FIRST READINGS

(20-025) Communication from the City Manager and Director of Community Development with a Request to Concur with the Recommendation from the Planning & Zoning Commission and Staff to RECEIVE and FILE a FIRST READING Review of an ORDINANCE Amending Appendix A, the Unified Development Code, Relating to PARKING IN THE WAREHOUSE FORM DISTRICT. (Council District 1)

Community Development Director Ross Black said this item would clean-up a text amendment from an Ordinance that was adopted in 2018 as it related to parking setback lines in the Warehouse Form District. He reviewed the item and the parking location requirements in the Warehouse District, noting that adoption of this item would amend the Unified Development Code to require parking setback lines for structures with parking located in the first story.

Council Member Ruckriegel moved to receive and file a first reading review of an Ordinance amending Appendix A, the Unified Development Code, relating to parking in the Warehouse Form District; seconded by Council Member Cyr.

Approved by roll call vote.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel, Mayor Ardis - 10;

Nays: None.

CLERK'S NOTE: Item No. 20-025 will be placed on the February 11, 2020, Regular City Council Meeting agenda.

(20-026) Communication from the City Manager and Director of Community Development with a Request to Concur with the Recommendation from the Planning and Zoning Commission and Staff for a FIRST READING Review of an ORDINANCE Amending Appendix A, the Unified Development Code Relating to TRUCK PARKING.

Community Development Director Black reviewed the proposed Ordinance stating it would address the definition and parking of Class II vehicles. He said Class II vehicles were essentially defined as being greater than twenty-three feet in length. He said, currently, Class II vehicles could not be parked overnight or stored for a long period of time in the City. He said the proposed amendment would allow Class II vehicles to be parked overnight or for an extended period in the C-2 and I-1 Districts as Special Uses, and in the I-2 and I-3 Districts as Permitted Uses. He said it would not allow for large trucks to park in residential neighborhoods or smaller commercial areas. He said the parking of these types of trucks would be allowed in large commercial areas under a Special Use. He said semi-trucks could not be parked in residential neighborhoods or driveways in the City. In response to Council Member Cyr, he said the Ordinance could include the use of signage to designate areas for parking of Class II vehicles. He said he would add a requirement that directional signs be added to these parking lots.

Discussions were held regarding semi-trucks parked at shopping malls, and Director Black said Council approval would be needed for semi-trucks to park in shopping malls unless it was there for business reasons. He said this Ordinance was for situations for over-the-road truck drivers coming home for the weekend who could not park in front of their house.

Discussions were held regarding locations for parking and Director Black provided examples of C-2 Districts identifying areas such as Sterling Bazaar, Northwoods Mall, West Lake Shopping Center, and Grand Prairie Shopping Center. He said it would typically be commercial parking areas with large parking lots. Discussions were held on adding limitations to the number of trucks parked on a lot, and Director Black said Council could include regulation within a Special Use outlining certain conditions. He said with a Special Use, Council would be within its authority to approve the location with a restriction on the number of semi-trucks allowed to park at one time. He said other conditions could be included to include lighting and installation of call boxes.

Council Member Grayeb said semi-trucks parking in and near residential areas had been an issue for Council District 2, noting several complaints he received from neighborhood associations. He said this item would accommodate the City's trucks and would balance residential areas with the need for business.

Council Member Grayeb moved to receive and file a First Reading review of an Ordinance amending Appendix A, the Unified Development Code, relating to truck parking; seconded by Council Member Moore.

Council Member Moore commented on how this Ordinance would affect the Southern Gateway and the South Side. Discussions were held on whether an individual who owned property in that area could rent their property for overnight parking for truck drivers. Director Black said if the property was zoned I-2 or I-3 and was paved the property owner could make it available to truck parking without coming to the City Council. He said such parking should not impose a traffic issue. He said areas zoned I-1 would have to come to the City Council for approval. He said he would provide zoning maps of the various districts with the City Council.

At the conclusion of the discussion, Director Black said he would bring back additional information and recommendations for the City Council to consider with more permitted uses with a series of conditions.

Mayor Ardis emphasized the need to advise the Community Development Department and the Police Department should this item be adopted and to make them aware of the changes. He said the Police Department should be able to advise semi owners of appropriate parking locations within the City.

Motion to receive and file a First Reading review of an Ordinance amending Appendix A, the Unified Development Code, relating to truck parking was approved by roll call vote.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel,
Mayor Ardis - 10;

Nays: None.

CLERK'S NOTE: Item No. 20-026 will be placed on the February 11, 2020, Regular City Council Meeting agenda.

(20-027) Communication from the City Manager and Director of Public Works with a Request to ADOPT an ORDINANCE to VACATE 3,310 Square Feet (0.076 Acres) of an Area on the South Side of the Intersection of WEST WILHELM ROAD and NORTH HUNTERS TRAIL COURT to Out Lot B in HUNTERS TRAIL ESTATES SUBDIVISION in the Northeast Quarter of Section 25 - Township 10 North - Range 7 East, Growth Cell 1A. (Council District 5)

After a brief comment on the reason to suspend the rules, Council Member Ruckriegel moved to suspend the rules for a First Reading; seconded by Council Member Cyr.

Interim Corporation Counsel Chrissie Peterson explained that the suspension of the rules for a First Reading would allow the City Council to vote on whether or not to adopt this item.

Motion to Suspend the Rules of the First Reading was approved by roll call vote.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel,
Mayor Ardis - 10;

Nays: None.

Council Member Ruckriegel moved to adopt an Ordinance to vacate 3,310 square feet (0.076 acres) of an area on the south side of the intersection of West Wilhelm Road and North Hunters Trail Court to Out Lot B in Hunters Trail Estates Subdivision in the northeast quarter of Section 25 – Township 10 North – Range 7 East, Growth Cell 1A; seconded by Council Member Cyr.

ORDINANCE NO. 17,747 was adopted by roll call vote.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel,
Mayor Ardis - 10;

Nays: None.

REGULAR BUSINESS ITEMS, with Recommendations as Outlined:

- (20-028) Communication from the City Manager and Director of Community Development to AMEND the GUIDELINES of the EAST VILLAGE TIF HOUSING PROGRAM to Allow the Participation of Non-Owner Occupied Properties. (Council District 3)**

Council Member Riggerbach moved to defer this item to March 10, 2020, Regular City Council meeting; seconded by Council Member Grayeb.

Motion to defer to the March 10, 2020, Regular City Council meeting was approved by roll call vote.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel, Mayor Ardis - 10;

Nays: None.

- (20-029) Communication from the City Manager, Director of Community Development and Director of Public Works with a Request to Concur with the Recommendation from the Planning and Zoning Commission, Transportation Commission, and Staff to APPROVE a RESOLUTION Amending the COMPREHENSIVE PLAN to Include a Revised THOROUGHFARE PLAN AND MAP.**

A copy of the Transportation Commission Proceedings from October 15, 2019, a Resolution with Attachment A, and a Thoroughfare Plan & Map were distributed to all Council Members.

Senior City Planner Josh Naven provided an update to the Comprehensive Plan and the Thoroughfare Plan, noting the last update to the Plan was 2001. He said this plan took into consideration the Complete Streets Theory. He said approval of this item would align the City's terminology and the Illinois Department of Transportation's terminology.

Community Development Director Black said the Comprehensive Plan was a long-range strategic plan for the City. He said the initial Comprehensive Plan was adopted in 1937, and he noted that it has been approximately 19 years since the last update to the plan. He commented that the whole concept of transportation had changed, noting it now considered pedestrians, bicycles and scooters. He said there was recognition of the significant ongoing cost of infrastructure and operational costs, stormwater costs, an increased use in public transportation and decreased used of private vehicles. He said the plan was a future document that considered trends of shared rights such as Uber or Lyft and perhaps autonomous transportation. He said the map was based on the current IDOT classifications of area streets; however, he said Staff believed some of the streets were misclassified due to some of their uses. He reviewed some of the streets that had changed uses over the years. He said the City would propose those changes to IDOT. He said if IDOT agreed, then the map would be amended. He said the Comprehensive Plan was not an engineering plan for the roads throughout the City nor was it a funding plan for future projects. He said the Comprehensive Plan was not a plan to eliminate or restrict motorized vehicles within the City. He recognized the funding the City received in order to update the Plan, noting it was a grant made possible through the Tri-County Regional Planning Commission. He reported that Hanson Professional Services was selected through the RFP process as the consultant on the project.

At Mayor Ardis's request, Director Black said the map would be made available on the City's website.

Council Member Montelongo expressed his appreciation for the work that was done on the Thoroughfare Plan and Map, and he moved to approve a Resolution amending the Comprehensive Plan to include a revised Thoroughfare Plan and Map and to petition the Illinois Department of Transportation to reclassify Sterling Avenue from I-74 to US-150 from a minor arterial to a principle arterial; seconded by Council Member Cyr.

Council Member Kelly expressed his concern with the direction the Council had taken with some of the streets in the last few decades. He requested a Policy Session to discuss the matter and whether the Council was still in favor of the complete streets concept and whether it was working for the City. He said he liked the idea of the Complete Streets Concept; however, he expressed a concern on the costs.

Mayor Ardis said conducting a Policy Session would not affect the Comprehensive Plan and that it would not be necessary to place this item on hold until a Policy Session was held.

Mayor Ardis recommended the City Manager review the list of Policy Sessions and to prioritize the same for 2020.

Council Member Jensen said it would be helpful for new Council Members to have the history of the Complete Streets Concept, noting it was within the past couple of years the Concept had been adopted.

Council Member Grayeb commented on the issues in Council District 2 as it related to streets. He remarked on the importance of identifying safety first, especially as it related to the schools and pedestrians within the City. He said there had been some areas within the City where the Complete Streets philosophy was implemented and had saved lives. He remarked on the importance of the safety of the constituents.

RESOLUTION NO. 20-029 amending the Comprehensive Plan to include a revised Thoroughfare Plan and Map and to petition the Illinois Department of Transportation to reclassify Sterling Avenue from I-7 4 to US-150 from a minor arterial to a principle arterial was approved by roll call vote

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel, Mayor Ardis - 10;

Nays: None.

(20-030) Communication from the City Manager and Director of Community Development with a Request to Concur with the Recommendation from the Planning & Zoning Commission and Staff to APPROVE a RESOLUTION Amending the OFFICIAL COMPREHENSIVE PLAN by Incorporating the LOCAL FOODS, LOCAL PLACES PLAN.

Community Development Director Black said this was another amendment as it related to long-range strategic elements in the Comprehensive Plan. He said it was collaborative work with Building Healthy Communities to improve health outcomes and education through the built environment. He said it was coordinated efforts with the U.S. EPA, USDA, and HUD. He said by adopting the plan it would make it easier for City Staff and community partners to find additional partners and funding. He said the City continued to implement goals in terms of the Building Healthy Communities initiative. He said this would overlap with the MacArthur Corridor Plan, Southern Gateway Plan and the Western Avenue Plan.

Council Member Moore expressed her appreciation for the Plan and she mentioned other plans that were considered and involved with the process. She remarked on the need to repurpose old buildings such as Save-A-Lot and the old Adams Street Market. She encouraged breaking these buildings in to condo style sections like the Arts Building wherein each floor had a different owner. She said it could make those buildings more appealing for retailers in the area.

Council Member Jensen expressed her appreciation for the efforts of Staff on this matter, noting her desire to address the food dessert on the South Side and for everyone to have access to healthy foods. She said there had been a lot of work by many community stakeholders on this issue. She said this plan was a great start and she remarked on the importance of continuing to make it a priority. She said it was a big issue on the South Side where there was currently a food dessert.

Council Member Jensen moved to approve a Resolution amending the Official Comprehensive Plan by incorporating the Local Foods, Local Places Plan; seconded by Council Member Oyler.

RESOLUTION NO. 20-030 was approved by roll call vote.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel, Mayor Ardis - 10;

Nays: None.

(20-031) Communication from the City Manager, Assistant City Manager and Director of Finance with a Request to ADOPT an ORDINANCE Amending the City of Peoria 2020 - 2021 BIENNIAL BUDGET Relating to the General Fund Budget for FY 2020, in the Amount of \$30,000.00, the East Village TIF Fund, in the Amount of \$5,000.00, and the Warehouse District TIF Fund, in the Amount of \$5,000.00, to Fund Administrative and Start-up Costs to Deliver the Full-Time Presence of a Non-profit Microloan and Financial Services Organization, JUSTINE PETERSEN.

After a brief comment, Council Member Riggerbach moved to defer this item to the February 11, 2020, Regular City Council Meeting; seconded by Council Member Moore.

Motion to defer this item to February 11, 2020, was approved by roll call vote.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel, Mayor Ardis - 10;

Nays: None.

UNFINISHED BUSINESS (Including but not limited to motions to reconsider items, if any, from the previous Regular Meeting)

(20-009) Communication from the City Manager and the Director of Public Works with a Request to ADOPT an ORDINANCE Establishing a RESIDENTIAL PARKING PERMIT PROGRAM on the 100 Block of WEST BEVERLY COURT (North Linn Street West to the Alley East of Knoxville Avenue). Council District 2.

Council Member Grayeb moved to adopt an Ordinance establishing a Residential Parking Permit Program on the 100 block of West Beverly Court (North Linn Street west to the alley east of Knoxville Avenue); seconded by Council Member Moore.

ORDINANCE NO. 17,748 was adopted by roll call vote.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel, Mayor Ardis - 10;

Nays: None.

NEW BUSINESS

Granicus

Council Member Kelly encouraged Council Members to utilize the Granicus software to access City Council materials for meetings. He said it would save a lot of paper and there was backup information readily available with the Communications.

CITIZENS' OPPORTUNITY TO ADDRESS THE CITY COUNCIL/TOWN BOARD

Hearing no objection, Mayor Ardis granted Privilege of the Floor to those citizens wishing to address the City Council/Town Board.

Steven Morris, a citizen of Peoria, spoke and advocated for the City of Peoria to approve a Resolution to become a sanctuary City for the unborn.

EXECUTIVE SESSION

Consideration of a Motion to enter into EXECUTIVE SESSION pursuant to 2(c)(1) The appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body, including hearing testimony on a complaint lodged against an employee to determine its validity; 2(c)(5) The purchase or lease of real property for the use of the public body; and 2(c)(21) Discussion of minutes of meetings lawfully closed under this Act, whether for purposes of approval by the body of the minutes or semi-annual review of the minutes as mandated by Section 2.06.

Council Member Oyler moved to go into Executive Session pursuant to 2(c)(1) The appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body, including hearing testimony on a complaint lodged against an employee to determine its validity; 2(c)(5) The purchase or lease of real property for the use of the public body; and, 2(c)(21) Discussion of minutes of meetings lawfully closed under this Act, whether for purposes of approval by the body of the minutes or semi-annual review of the minutes as mandated by Section 2.06; seconded by Council Member Jensen.

Approved by roll call vote.

Yeas: Cyr, Grayeb, Jensen, Kelly, Montelongo, Moore, Oyler, Riggerbach, Ruckriegel, Mayor Ardis - 10;

Nays: None.

Council Member Grayeb moved to adopt an Ordinance establishing a Residential Parking Permit Program on the 100 block of West Beverly Court (North Linn Street west to the alley east of Knoxville Avenue); seconded by Council Member Moore.
