ACTION REQUESTED:

Communication from the City Manager and Director of Public Works with a Request to APPROVE and AWARD CONTRACTS for the 2023 FACILITIES, BOULEVARDS & RIGHTS-OF-WAY MOWING PROGRAM (Bid #16-23), in an Amount Not to Exceed \$122,364.00. (All Council Districts)

BACKGROUND: A Request for Proposals (RFP) was created on February 16, 2023, by Purchasing and Public Works staff for the mowing of public properties at City facilities, in boulevards, and public rights-of-way. An RFP format was used so that the City could get the best combination of prices and businesses qualified to complete the work per City specifications. From past practice, City staff determined that most of these mowing operations are too small to complete the City's entire mowing contract while servicing their regular customers. Therefore, to allow small Contractors to bid and get the best prices, this mowing contract was divided into six (6) routes.

Three (3) Contractors were selected to mow the six (6) routes based on the following five (5) criteria Project Cost, Project Approach, Experience, Non-Profit Organization, and WBE/MBE Qualifications as noted below:

CONTRACTOR	STATUS	ROUTE #	BID AMOUNT
Walton Services		5	\$39,204
American Outdoor Services	M/WBE	1, 2, 3, 6	\$60,885
Hearn's Landscaping	M/WBE	4	\$22,275

It is estimated that each route will be mowed a maximum of eighteen (18) times this season. In the event of a wet-weather season, assigned locations may need to be mowed additional times. A 10% contingency has been included if the wet-weather protocol is implemented.

FINANCIAL IMPACT: Account #8013023-503604

NEIGHBORHOOD CONCERNS: Keeping public property mowed improves quality of life for the entire community. Tall grass and weeds are a blighting influence on neighborhoods and can cause health concerns.

File #: 23-070, **Version:** 1

IMPACT IF APPROVED: Public properties will be mowed on a consistent basis. Blight from tall grass and weeds on City-owned properties will be avoided.

IMPACT IF DENIED: Public properties will not be mowed on a consistent basis. The City's appearance would suffer, and neighborhood blight would increase.

ALTERNATIVES: N/A

EEO CERTIFICATION NUMBER: American Outdoor Services: 03685-220331; Hearn's Landscaping: 02108-220331; Walton Services: 03281-210930.

WHICH OF THE GOALS IDENTIFIED IN THE COUNCIL'S 2017 - 2032 STRATEGIC PLAN DOES THIS RECOMMENDATION ADVANCE?

1. Financially Sound City

3. Grow Peoria

WHICH CRITICAL SUCCESS FACTOR(S) FROM THE COMPREHENSIVE PLAN DOES THIS RECOMMENDATION IMPLEMENT?

1. Reinvest in neighborhoods.

PROJECT APPROACH

American Outdoor Services is committed to maintaining the facilities, boulevards and ROW to the City of Peoria requirements. We understand that it is essential that the vacant lots are mowed and trimmed to maintain the beauty of the neighborhood. We are capable of providing these services.

American Outdoor Services will provide all labor, tools, and equipment to mow, trim, and remove litter and debris at select facilities, boulevards and right-of-ways within a designated route as assigned by the City of Peoria.

Each route will be mowed, trimmed and landscaped, not to exceed fifteen (18) mows unless otherwise specified by the Contract Supervisor.

1. We plan to mow each route on a bi-weekly schedule to provide timely, efficient mowing for every lot. All vegetation (grass and weeds, etc.) will be mowed when it is between a minimum of six (6") inches and a maximum of eight (8") inches tall. All vegetation will be cut to a height of 4" inches and shall be neat in appearance. Vegetation shall not exceed eight (8") inches in height at any time.
2. **We will trim around utility poles, fence lines (at least two feet on both sides), trees, sidewalks, signs, shrubs, ground cover growth, flower beds, hydrants and all other obstructions that cannot be cut with mowers at the time of mowing.**
3. We will ensure proper cuts on every lot to prevent leaving unmown areas. When mowing along one side of a sidewalk, we will mow a 12"-wide strip on the opposite side of the sidewalk.
4. Grass clippings will be blown into the yard; **GRASS CLIPPINGS WILL NOT BE BLOWN INTO THE STREET OR ONTO THE SIDEWALK.** [City Code 1957, § 36-23 Sec. 26-25]
5. All debris and litter will be removed from the property before mowing and is included in the unit price of mowing each parcel at no additional cost. All sidewalks, streets and other areas affected by the cutting will be swept clean of grass clippings.
6. All tree limbs that are three (3") inches in diameter or smaller will be removed before mowing and disposed of properly.
7. If tree limbs are larger than three (3") inches in diameter, we will notify the Contract Supervisor to have the limbs removed via email. All scrub trees less than three (3") inches in diameter will be cut and removed.
8. All work on a vacant lot, including litter cleanup and trimming, will be completed before we proceed to the next job. Animal carcasses weighing less than 50 pounds are included as litter.
9. If there are any animal carcasses over 50 pounds, illegal dumping, damage or hazards we will immediately notify the Contract Supervisor.

Equipment List:

We have a complete line of hand tools, power tools and equipment to complete these jobs. We use Stihl power tools (trimmers, blowers, edgers, chainsaws, etc.) and Exmark and SCAG commercial mowers. We use a combination of both riding zero-turn and stand-on zero-turn mowers in multiple cutting widths

However, that doesn't mean we're new to lawn care. Sam Morgan brings over 20 years of experience to the table starting as a lawn care applicator and working his way through the business to becoming a branch manager for a large lawn care company in the Peoria area. Steven Hoeft was born and raised on a local grain farm and has been in the business of growing production agriculture crops his entire life. Steven went to University of Illinois at Urbana-Champaign where he majored in agricultural engineering. After college he came home to start a seed corn harvesting and detasseling company working for Pioneer Hi-Bred on seed corn production. He transitioned into turf management in the golf industry 7 years ago where he was an assistant superintendent and then superintendent for 2 of the top local golf courses around Peoria. Steven also owns one of the largest snow removal companies in the Peoria area. He now brings that experience and knowledge with him to the lawn care industry.

Related Project Experience:

Sam Morgan was the branch manager for Golf Green Lawn Care for Peoria, Bloomington and Springfield for 12 years managing and maintaining their business throughout that time. Steven Hoeft owned and operated SE Hoeft Enterprises facilitating seed corn harvest and detasseling for 10,000 acres of Pioneer Hi-Bred seed corn for 5 years until their local production plant closed. Steven then became the assistant superintendent for Metamora Fields Golf Club for 3 years and then became the superintendent of WeaverRidge Golf Club upon its acquisition by Metamora Fields for 2 years where he oversaw all grounds maintenance.

American Outdoor Services currently serves several commercial and residential customers in the Peoria Area. A few noteworthy projects by both our company and our owners include:

NON-PROFIT

We are not a non-profit organization. However, we strive to give back to our communities as often as possible to help make our communities a better place. Our long term goals with American Outdoor Services are to continue to provide our customers' first approach on a local level with integrity and trust being our two main driving factors. We do not plan to grow large enough to expand into several new markets. Our focus is Peoria and the surrounding area and we want to make a difference in our communities through hard, honest work.

MBE/WBE

Our workforce is already diverse. We currently employ several minority employees who are all from Peoria. Sam's wife, Rosa, is our main sales employee and she is Latino as well. Currently, over 60% of our staff are minorities. Our goal is to continue to employ the community we work for and we are already successful in that regard. Snow Rush Plowboys, our sister company performing snow removal, currently employs over 55 people. All of them are local employees from the Peoria area and over 40% are minorities. We purchase all of our equipment, tools and various lawn care products locally.
