Board, Committee and Commission Selection

I am Interested in serving on the following committee/commission/board:	Sister City Commission
---	------------------------

Have you previously served on a city Board, Committee and Commission	NO
Reason for applying.	I would like to become more involved with the community. I believe volunteering for a city commission would be a great way to give back to the community and I hope to become more involved as I learn more about the local government. The Sister City Commission interests me because it is an opportunity to learn more about other cultures and gain an understanding of how the relationships with the sister cities are maintained and fostered.
Other relevant experience.	I am an assistant professor in nursing at Bradley University. I teach graduate-level courses in the distance education program and teach a diverse population of students located throughout the US.
Can you think of any relationship or other reasons, which might possibly constitute a conflict of interest, if you are selected to serve on the board, for the committee, or commission for which you are applying?	No
Professional and Employment Background	Assistant Professor in Nursing and DNP Program Director at Bradley University. I am a registered nurse with over 20 years of experience
Educational Background	Bachelor of Science- University of Iowa; Master of Science- University of Oklahoma; Doctorate of Nursing Practice- Saint Francis Medical Center College of Nursing
