INTRODUCTION TO 633 MAIN STREET
DOWNTOWN SPEAKEASY & RESTAURANT

Dennis Littlefield is introducing a new proprietorship at 633 Main Street seeking a 4:00 am liquor license for a new speakeasy concept serving food and alcohol. This concept shall be a newly remodeled and established location as indicated in the architectural plans that are attached. The idea is to bring an adult restaurant/tavern at the corner of Main and Perry to complement the 600 block as an introduction to the hotel entertainment area near the new hotel. This establishment will be centered on Peoria with memorabilia and contain a reflection of bar restaurants in the past that have been a shining example of downtown Peoria. It should attract hotel guests and adult guests from the Peoria area and be a place to go for food and drink in the hotel Civic Center area. It should be complementary for the downtown entertainment center and should provide an attractive establishment for guests for the downtown area.

Dennis Littlefield has managed and operated restaurants in the Peoria areas as contained in his resume, which is attached. He brings his experience and his reputation of running an excellent establishment to the downtown Peoria area.

d/b/a TBD
633 Main St.
Requesting: Class B-1 (restaurant, 25% food)
Subclass 1 (4:00 a.m. closing)
Subclass 2 (live entertainment)

Dear Commissioners,

A site application has been received from Sonny's Club Inc., d/b/a TBD, 633 Main St., for a Class B-1, Subclass 1 and Subclass 2 liquor license. Approval of this site application would permit a restaurant with a 4:00 a.m. closing and live entertainment to operate at this location.

This location is on Main St. at Perry Ave. and is neighbored by other taverns and similar businesses. This location previously operated as a tavern under the name of Anna's with a Class A liquor license, which closed in 2007.

It does not appear that the approval of this site application would be detrimental to the surrounding businesses and is appropriate for this location. There are no parking or traffic concerns raised by this request.

The Peoria Police Department has no objections to this site approval request.

Sincerely,

Jerry Mitchell

Liquor Commissioners,

I contacted Attorney Zabek on December 8th to schedule a fire department inspection and he stated I would receive a call from someone to schedule a time for me to walk through the building. As of December 17, 2015 (835 am) I have not heard from anyone. I have made several stops at the address and no one has been present. Until I get to inspect the premises I cannot give my approval.

Your mutual concern for life safety is appreciated.

Regarding current floor plan will need to re-visit property for the following:

1. As I recall a raised floor is on the premises, will need to see exact plans to cover access to restrooms and secondary exit (if required)
2. Need more information as to cooking process to achieve 25% food requirement

* In past inspections both of these issues existed and needed to be resolved

Riverside

COMMUNITY CHURCH

February 3, 2016

Dear Mr. Mayor,

I write representing the 1000 citizens who attend Riverside Community Church! I do so as I have heard that there is an application for a new bar to be opened at the corner of Main and Perry near our downtown location!

We would like to appeal to the City Council so that this will not be approved. In the past this location has not been a good place for our community to have a bar. Constant disturbances and calls for police intervention have been reported there when it was used as such in the past. Please do not allow a bar to be revived again in this location.

The proposed site is near an ex-offender location, numerous churches that do work in the evenings with young people, and Dream Center Peoria which houses people battling drink and other substance abuse! We believe opening a bar on the corner of Perry and Main will have negative impact on our wonderful community and it's most vulnerable people.

I would be most happy, Mr. Mayor, if you would please carry our appeal to the City Council. Thanking you for your great leadership of this still great city.

Sincerely,

John King

Mayor Jim Ardis
Peoria City Hall: Office of the Mayor
419 Fulton St, Suite 207L
Peoria, IL 61602

Dear Mayor Ardis:

I have learned a proposal is before the Peoria Liquor Commission to open a bar on the corner of Perry and Main streets opposite the First United Methodist church. I request that permission be denied. This request is not rooted in personal animus toward whoever is making the request. It is not rooted in prudery; 28 years of active duty in the Navy leaves no room for a wussy attitude toward the real world.

I offer these reasons for concern:

- (1) A number of businesses that serve beer and hard liquor already are located in this area. This is not a question of the area being underserved or denied access to beverage alcohol.
- (2) Church members and staff find themselves busy cleaning up every Saturday evening prior to our evening worship and on early Sunday mornings prior to our Sunday worship. Bottles, discarded food and assorted trash that migrates from the existing bars to our property already create plenty of work to clear the area for weekend worshippers. Another establishment that produces similar trash will not make our day, nor speak to the attractiveness of the downtown area.
- (3) As good neighbors in the city we never have placed our parking spaces off-limits except for compelling reasons (funerals, etc). That said, another bar located within sneezing distance of the church certainly will complicate the parking situation for our Saturday evening worshippers and those who come here over the weekend for youth activities and related events that stretch into the night. Virtually every Sunday some parking spots have been claimed from cars left over Saturday night by drivers too drunk to drive home safely. While we are glad that we can offer a safe alternative for intoxicated patrons who wisely decide not to drive home, we also know that another bar next to us will cost us more proximity parking every week.
- (4) Every Saturday we feed, clothe and provide tutoring and free medical attention for the 300+ guests who participate in our Loaves and Fish soup kitchen and ministry. A significant percentage of these persons have had their lives compromised or wrecked by the consumption of alcohol. Having one more such establishment locate literally next door will do the church, and our guests who receive our community ministry, no favors.

Thank you for your consideration.

Cordially in Christ,

Dr. Robert J. Phillips
Directing Pastor
