State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed In my retirement, I want to volunteer to make a difference in my community. Having worked with the City during my professional career, I saw firsthand the importance of citizen involvement in commissions and public office. I would expect to work as a member of a commission that thoughtfully makes informed recommendations that are in the best interests of the community.

Would your service on a city commission be a conflict of interest for you?; No
