Letter No. LU-421-030

Ms. Andrea Klopfenstein
City Engineer, City of Peoria
3505 N. Dries Lane
Peoria, Illinois 61604-1210

Dear Ms. Klopfenstein:

The Illinois Department of Transportation (State) is proposing to install traffic signal equipment at twelve intersections in the city of Peoria and by performing all other work necessary to complete the improvement in accordance with the approved plans and specifications. This improvement will impact facilities under your agency's jurisdiction. Local property owners will be provided access at all times.

As shown on the attached Schedule of Quantities Sheet from the project plans, the costs for work at all twelve intersections located in the city of Peoria will be paid 100% by the State.

Upon final inspection of the improvement, the State and city of Peoria will continue their respective maintenance responsibilities for the traffic signal equipment installed herein, in accordance with the existing Master Agreement executed on July 1, 2021 or in accordance with any such Master Agreement that may be executed in the future.

I have included two (2) copies of this letter, both with my original signature. Each copy contains a space for the city manager's signature. Additionally, I have included a set of plans for review and approval. If you concur with the conditions set forth in this Letter of Understanding, I ask that you have both copies signed, along with the plan approval, and return one copy to me by December 22, 2021. Upon receipt of these copies, we will assume the city of Peoria agrees to all terms stated herein.

This project is tentatively scheduled for the January 21, 2022 letting. If you have any questions/comments regarding this Letter of Understanding, please contact our Agreements Unit at (309) 671-3496.

Sincerely,

Kensil A. Garnett, P.E.
Region Three Engineer
