Communication from the City Manager and Director of Public Works with a Request to APPROVE and AWARD CONTRACTS for the 2023 City of Peoria and Peoria County Trustee VACANT LOT MOWING PROGRAM (Bid #15-23), in an Amount Not to Exceed \$572,854.00. (All Council Districts)

BACKGROUND: The City-maintained vacant lots are owned by either the City of Peoria or the Peoria County Trustee. The Peoria County Trustee acquires properties through the tax deed process and holds these properties on behalf of all taxing bodies until they are sold at auction. If the properties are not sold, they remain in the Trustee's possession; however, the Trustee does not currently maintain these properties. The responsibility to maintain properties within the corporate limits of Peoria falls to City staff.

A Request for Proposals (RFP) was created on February 16, 2023, by Purchasing and Public Works staff for the mowing of these vacant lots. An RFP format was used so the City could get the best combination of price and businesses qualified to complete the work per City specifications. From past practice, City staff determined most of these mowing operations are too small to complete the City's entire mowing contract while still servicing their regular customers; therefore, to allow smaller contractors to bid, and to get the best prices, this mowing contract was divided into fifteen (15) routes.

Eight (8) contractors were selected to mow the 15 routes based on the following five (5) criteria: Project Cost, Project Approach, Experience, Non-Profit Organization, and WBE/MBE qualifications as noted below. Three (3) contractors are non-profit, seven (7) are WBE/MBE qualified and six (6) have had previous experience working on the City of Peoria's mowing contracts.

CONTRACTOR	STATUS	ROUTE #	BID AMOUNT
Heartland Lawn & Handy Services, LLC	W/MBE	4A	\$11,385
Law'n Order Academy Inc.	Non-Profit, W/MBE	7, 8, 9, 10, 11	\$127,116
Hulse Lawn Care	W/MBE	5, 6	\$34,749
Walton Services		1, 2A	\$76,666

File #: 23-069, **Version:** 1

Melvin's Landscaping	Non-Profit, W/MBE	2B	\$57,024
Hearn's Landscaping	W/MBE	12, 13	\$24,750
Common Grounds Industries	Non-Profit, W/MBE	3	\$146,124
Carmody Lawn Services, Inc.	W/MBE	4	\$95,040

It is estimated each route will be mowed a maximum of eighteen (18) times this season. In the event of a wet-weather season, assigned locations may need to be mowed additional times. A 10% contingency has been included in this wet-weather protocol is implemented.

FINANCIAL IMPACT: Account #8013023-503604

NEIGHBORHOOD CONCERNS: Keeping public property mowed improves the quality of life for the entire city. Tall grass and weeds are a blighting influence on neighborhoods and can cause health concerns.

IMPACT IF APPROVED: Relationships with not-for-profits will be built through this Program. Blight from tall grass and weeds on City-owned vacant lots would be avoided.

IMPACT IF DENIED: Vacant lots would be cut far less frequently, through a work order system, requiring more Public Works staff time. The City's appearance would suffer, and neighborhood blight would increase.

ALTERNATIVES: Cut vacant lots less frequently.

EEO CERTIFICATION NUMBER: Carmody Lawn Services 03588-220331; Common Ground 03590-220331; Hearn's Landscaping 02108-220331; Hulse lawn Care 01799-210930; Law'n Order 03466-220331; Walton Services 03281-210930; Heartland Lawn & Handy Services LLC - Pending; Melvin's Landscaping - Pending.

WHICH OF THE GOALS IDENTIFIED IN THE COUNCIL'S 2017 - 2032 STRATEGIC PLAN DOES THIS RECOMMENDATION ADVANCE?

1. Financially Sound City
2. Grow Peoria
3. Beautiful Peoria

WHICH CRITICAL SUCCESS FACTOR(S) FROM THE COMPREHENSIVE PLAN DOES THIS RECOMMENDATION IMPLEMENT?

1. Grow employers and jobs.
2. Support sustainability.
3. Reinvest in neighborhoods.

A. Cover Letter

Law'n Order Academy at its basis is a program that provides jobs to the youth that are in a critical phase in their development. We are a continuous youth program in the East Bluff community and throughout the City of Peoria. The work we have done through the community and the City of Peoria has increased our visibility in the neighborhood and throughout the City of Peoria. The youth doing positive things, the truck and the name alone are just examples of the visibility throughout the city. The number of youths the program has redirected from doing negative things to doing positive things has had a great impact in the neighborhoods. Since the program started it has had a GREAT impact in the lives of the youth. The program is education driven, doing well in school is a must. The youths being a part of this program their grades went from Fs to A's & B'S, the behavior issues changed and so did the youths. We want to continue to be the avenue to get and keep the youth busy doing positive, fun things while earning an honest allowance. Keeping the youth busy & employed will continue to reduce the crime rate. We will always continue to recruit youths for the program.

The Law'n Order Academy is a program designed in a very grass roots manner to reach children. The difficulty of finding employment in urban areas is well documented. Attempts to reach the parents and the youth are often strained by the nature of living in a challenging neighborhood. These are the times where positive programs solve real life concerns. We offer a successfully implemented way to provide an honest job, structured experience, workshops, education, savings for the future, field trips and events to give back to the neighborhoods. For some the most rewarding facts are building self-esteem and a change of lifestyle. Law'n Order is a life skilled program designed for the youth.

Retired Officer Hightower is invested & committed to both the neighborhood, the youth & the City of Peoria. His involvement is apparent, effective & essential to the success of this youth program, not only will this program continue to allow us to reliably provide an essential service to the City of Peoria, but it affords us the ability to further invest in the youth and continue to be a part of beautifying the neighborhoods in which they live. With a RETIRED police officer being involved with the program the perception of the police with youth continues to change.

The involvement and support of this program would not have existed without the hard work, dedication and commitment of "RETIRED" Officer Hightower, Lueshand Nunn, the Youth and the City of Peoria for believing in the program and giving the youth an opportunity to prove themselves.

Sincerely,

Lueshand Nunn

B. Approach to the Project

At Law'n Order Academy the mornings start with a light breakfast, education, team meetings, specific projects for groups or individuals, equipment preparation and getting the youth to the work sites. The quality of work is checked throughout the day and at times redirection or additional work would be given to youth. The morning meetings give the team a chance to evaluate the areas of concern or where more concentrated efforts may be required. Concerns are addressed that are brought to us from our neighbors, city of Peoria or from the supervisors visiting job sites after the work is done on a lot. We also continue to stress safety and responsibility to the team but in a bigger sense to the neighborhood they live in. A huge component of the program is righting the wrong of the past and correct the behavior in the future. When the youth see the East Bluff & the City of Peoria looking better because of the work they are doing, they become part of the solution as opposed to being the problem.

Once a lot or lawn has been identified and routes established, supervising team members will go and review the site. We want to make sure the proper equipment is on hand to do the required work. Law'n Order have over 100 Lawn mowers, 11 zero turn mowers, 15 basic riding mowers, 30 weed eaters, 22 blowers, 6 chain saws, tons of safety glasses, safety vest, uniforms, gloves, ear plugs, 3 trucks, 4 trailers, a garage to repair any lawn mower and 25 plus youths that knows how to rebuild and repair a lawn mower.

We are in partnership with JIMAX. If the lots or youth require additional items or help, JIMAX is there to educate and help the Law'n Order youth when needed.

Forgive the obvious pun about the grass root efforts but this program really is. We start with a child, a Lawn mower and the idea that personal accountability, positive work habits, connection to our community and making our youths right their wrongs that they may have been part of which builds character in the child.

C. Previous Experience

Law'n Order has experience with beautifying neighborhoods throughout East Bluff & the City of Peoria. Since the Law'n Order started with mowing vacant lots for the City of Peoria, every year for the last 7 years we continue to maintain a client list of 350 plus residential/commercial properties that we maintain besides the City of Peoria vacant lots and the list continues to grow each year. The youths established these extra customers with the work that's been done throughout the City of Peoria.

They all passed the roofing test and are now a part of the roofing construction team.

The continued success of the Law'n Order program is the connection to the community. We want to continue to be visible in the community as an agent for change and the positive outcome for letting the youth and community drive the change.

Our challenge is to continue to grow the program so that more of the youths are served. Changing neighborhoods and creating a positive experience for more of the youth of the great City of Peoria.

D. Nonprofit
