Substandard performance as determined by the City will constitute non-compliance with this Agreement.

Participation in any prohibited activities as defined in 24 CFR 92.214 (a-b) shall constitute noncompliance with this Agreement. If action to correct such substandard performance is not taken by Habitat within 60 days after being notified by the City, termination of the Agreement will be initiated and all HOME Program funds, as defined in Section V. hereof, must be returned to the City.

C. **Construction Monitoring**

The City will monitor the performance of Habitat regarding the new construction and sale of three (3) Residences. The City reserves the right to review and approve all general contractors and sub-contractors that shall participate in the Program. VI. RESALE REQUIREMENTS.

A. Purchase Price Limits

Pursuant to Section 92.254(a)(2)(iii) of the Final Rule of the HOME Program, HUD has established new homeownership value limits in place of the maximum Property Value Limit for a one-family dwelling, under the Federal Housing Administration (FHA) 203(b) schedule.

The purchase price limit for newly constructed HOME units is 95 percent of the median purchase price for the Peoria area based on Federal Housing Administration (FHA) single family mortgage program data. The purchase price limit is issued annually by HUD, for 2015 the limit is \$214,000 per property effective on April 13, 2015.

The purchase price for each of the three (3) Residences will not exceed the annual purchase price limit issued by HUD. The City will provide the purchase price limit to Habitat. Habitat agrees to partner with the City to set the purchase price of each of the three (3) Residences in accordance with the property appraised value, Homebuyer's household income and HOME regulations.

B. Resale Provisions.

At time of property sale, the City will execute a Homebuyer Agreement with the Homebuyer to secure the Affordability Period. The City has adopted a Resale Policy based upon the guidance found in Code of Federal Regulations Title 24, Section 92.254.

- a. The Homebuyer agrees, among other things, within the HOME Affordability Period, (a "Resale Event"): (i) to notify the City of any proposed sale of the Residence and

- (ii) to only sell, convey or otherwise transfer the Residence to a Low-income Buyer for a Sale Price that is affordable and provides a Fair Return on Homebuyer Investment (as hereinafter defined), excluding any one or more of the following (each, a "Permitted Transfer"): any sale, conveyance or transfer (A) to a spouse upon a dissolution of marriage, (B) to the surviving spouse upon the death of a joint tenant owner, (C) by will to a Low-income Buyer, or (D) upon foreclosure, provided however the HOME Affordability Period has not expired and any resale of the Residence is to a Low-income Buyer who will occupy the Residence for the remainder of the HOME Affordability Period.
- b. In the event of a Resale Event to a Low-income Buyer, the Low-income Buyer shall occupy the Residence as his principal residence and assume the remaining Resale Provisions of the Residence until the expiration of the HOME Affordability Period. However, the original HOME Affordability Period can be terminated and a new HOME Affordability Period will begin if additional HOME Program funds are contributed to the Residence as a result of the Resale Event.
- c. For the purposes of this Agreement, the term a "Low-income Buyer" has a gross annual income, as adjusted for family size, that is less than or equal to eighty percent (80%) of the median income for Peoria County, as determined by HUD. The "Sale Price" must be affordable to low-income buyers. In this instance, the affordable price results in a monthly housing cost for principal, interest, taxes and insurance of not more than 30% of the gross monthly income for a low-income buyer. "Homebuyer Investment" shall be the sum of down payment and capital improvement investment made by the seller since the original purchase.
- d. At the time of resale, Net proceeds from the sale must provide the original homebuyer, now the home seller, a "fair return" on his/her investment (including any down payment and capital improvement investment made by the seller since purchase). The sales price may encompass the following in its formula:
- i. The cost of any capital improvements, documented with receipts including but not limited to the following:
 1. Any additions to the home such as a bedroom, bathroom, or garage;
 2. Replacement of heating, ventilation, and air conditioning systems;
 3. Accessibility improvements such as bathroom modifications for disabled or elderly which were not installed through a federal, state, or locally-funded grant program; and
 4. Outdoor improvements such as a new driveway, walkway, retaining wall, or fence.
 - ii. The increase in the value of owner equity and investment as calculated by the cumulative percentage of change which is calculated by the Housing Price Index (HPI) calculator of the Federal Housing Finance Agency (X) plus 1.00 times the total owner investment at time of purchase (Y) plus the documented improvements as described above (Z).
 1. *(Example - Home purchased in 2000 for \$50,000. The HPI for 2000-2004 stayed the same at +.03 for each year, which calculates to a cumulative percentage of .12. To calculate "fair return" one must multiply \$50,000 x 1.12 = \$56,000, plus the documented improvements of \$4,000 would total \$60,000. The "fair return" to the seller would be the increase in value of \$60,000, minus the original investment of \$50,000 to equal a \$10,000 fair return.)*
- e. If none of the events described in clauses (a), (b), (c), or (d) above occurs prior to the expiration of the HOME Affordability Period, or if any sale, conveyance or transfer of

the Residence occurs due to a Permitted Transfer, the provisions of the Homebuyer Agreement shall be forgiven in their entirety.

- C. Residency Status. In accordance with Section 92.254, Title 24 of the Code of Federal Regulations, the Residence shall remain the principal residence of the Homebuyer throughout the HOME Affordability Period.
- a. The Homebuyer agrees, among other things, within the HOME Affordability Period: to not vacate and then lease the Residence.
 - b. In the event that the Homebuyer should vacate and then lease the Residence within the HOME Affordability Period, the Homebuyer agrees, upon written demand from the City sent to the Homebuyer's last known address, to re-occupy the Residence within a reasonable time as determined by the City and remain in the Residence until the expiration of the HOME Affordability Period.
 - c. If re-occupancy, described in clause b, does not occur the Homebuyer agrees to repay the total amount of the HOME funds invested in the property, as set forth in Section IV, A. Budget, to the City. The repayment shall become due and payable upon the City's demand.
 - d. If none of the events described in clauses (a), (b) or (c) above occurs prior to the expiration of the HOME Affordability Period, the provisions of the Homebuyer Agreement shall be forgiven in their entirety.
