State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed I'd like to bring my experience working in government, as well as my time in the community advocating for equitable development practices, to the table around the vision for reinvesting in our urban core and especially Peoria's downtown.

In several professional and volunteer capacities, I've completed research on data-driven urban redevelopment strategies and believe I'd be an asset to DAC strategic planning.

Would your service on a city commission be a conflict of interest for you?; No
