Lessor will notify the Lessee two (2) months prior to the expiration of this term hereby created if this Lease can be renewed. 20. Lessor's Remedies:
- (A) If the Lessee fails to pay any installment of rent promptly on the fifteenth day of each month and continues in default for a period of twenty-one (21) days, the Lessor may declare the lease term ended and take any legal action necessary to return the demised premises to the Lessor within five (5) days.
- (B) If the Lessee fails to promptly keep and perform any other affirmative covenant of this lease strictly in accordance with the terms of this lease, then in any event, as often as any such event shall occur, the Lessor may serve the Lessee written notice of default and intent to terminate, and if such default is not corrected within ten (10) days (unless the default involves a hazardous condition which shall be cured forthwith), the Lessor may terminate the lease and take action to regain possession of the premises.

21. Lessee's Remedies:

- (A) If the Lessor fails to promptly keep and perform any covenant of this lease strictly in accordance with the terms of the lease, then in any event, as often as any such event shall occur, Lessee may serve the Lessor written notice of default and intent to terminate, and if such default is not corrected within ten (10) days, the Lessee may terminate the lease, vacating premises with rent paid to date of vacation. Prepaid rent and Security Deposit if any shall be promptly refunded to Lessee.
- (B) In the event of Lessor's breach, Lessee shall retain all other rights and remedies provided at law or in equity.

22. Condemnation:

- (A) All of Premises: If during the term of this lease or any extension or renewal thereof, all of the leased premises should be taken for a public or quasi-public use under any law, ordinance, or regulation or by right of eminent domain, or should be sold to the condemning authority under threat of condemnation, this lease shall terminate and the rent shall be abated during the unexpired portion of this lease, effective as of the date of the taking of said premises by the condemning authority.
- (B) Partial Condemnation: If less than all of the leased premises shall be taken for any public or quasi-public use under by law, ordinance, or regulation, or by right of eminent domain, or should be sold to the condemning authority under threat of condemnation, this lease shall not terminate but Lessor shall forthwith at its sole expense, restore and reconstruct the building and other improvements, situated on the leased premises, provided such restoration and reconstruction shall make the same reasonably tenantable and suitable for the uses for which the premises are leased. The rent payable hereunder during the unexpired portion of this lease shall be adjusted equitably.
- (C) Allocation of Award: Lessor and Lessee shall each be entitled to receive and retain such separate awards and portions of lump-sum awards as may be allocated to their respective interest in any condemnation proceedings. The termination of this lease shall not affect the rights of the respective parties of such awards.

23. Fire and Casualty Damage: If the building or other improvements on the leased premises should be damaged or destroyed by fire, flood, or other casualty, Lessee shall give immediate written notice thereof to Lessor.

- (A) If the building on the leased premises should be totally destroyed by fire, flood, or other casualty, or if it should be so damaged that rebuilding or repairs cannot reasonably be completed within 120 working days from the date of written notification by Lessee or Lessor of the occurrence of the damage, this lease shall

terminate and rent shall be abated for the unexpired portion of this lease, effective as of the date of said written notification.

- (B) If the building or other improvements on the leased premises should be damaged by fire, flood, or other casualty, but not to such an extent that rebuilding or repairs cannot reasonably be completed within 120 working days from the date of written notification by Lessee to Lessor of the occurrence of the damage, this lease shall terminate, but Lessor shall, if the casualty has occurred prior to the final 6 months of the lease term, at its sole cost and risk proceed forthwith to rebuild or repair such building and other improvements to substantially the same condition in which they existed prior to such damage. If the casualty occurs during the final 6 months of the lease term, Lessor shall not be required to but may rebuild or repair such damage. If the building and other improvements are to be rebuilt or repaired and are untenable in whole or in part following such damage, the rent payable hereunder during the period in which they are untenable shall be adjusted equitably. In the event that Lessor shall fail to complete such rebuilding or repairs within 120 working days from the date of written notification by Lessee to Lessor of the occurrence of the damage, Lessee may at its option terminate this lease by written notification at such time to Lessor, whereupon all rights and obligations hereunder shall cease.
24. Cumulative Rights: All rights and remedies under this lease shall be cumulative, and none shall exclude any other right or remedy at law. Such rights and remedies may be exercised and enforced concurrently and whenever and as often as occasion therefore arises.
25. Binding on Successors: All the agreements, conditions and undertakings herein contained shall extend to and be binding on the representatives, successors and assigns of the respective parties hereto as if they were in all cases named.
26. Construction: The singular shall include the plural and the masculine include the feminine and neuter. Caption headings are included merely as a convenience and shall be in no way construed as a limitation on the subject matter of any paragraph.
27. Severability: If any clause, phrase, provision or portion of this lease Agreement or the application thereof to any person or circumstance shall be invalid or unenforceable under applicable law, such event shall not affect, impair or render invalid or unenforceable the remainder of this Agreement, nor any other clause, phrase, provision or portion hereof, nor shall it affect the application of any clause, phrase, provision or portion hereof to other persons or circumstances.
28. No Waiver: Failure of either party to insist on the strict performance of the terms, agreements and conditions herein contained, or any of them, shall not constitute or be construed as a waiver or relinquishment of the party's right thereafter to enforce any such terms, agreement or condition, but the same shall continue in full force and effect. No waivers, alterations, or modifications of this contract or any agreements in connection

with it shall be valid unless in writing and duly executed by both the Lessor and the Lessee.

29. Further Agreements: No oral agreements between the Lessor and the Lessee are binding on either party. This agreement is the only contract between these parties.

Time is of the essence of this agreement and of every act to be performed by either party thereunder.
