State briefly why you wish to be considered for a City volunteer commission and what you would hope to accomplish if appointed:

Having grown up in Peoria and just recently returned after many years of living outside the city, I want to help envision a future where more people stay or return to Peoria. I'm excited by the growing bicycling infrastructure here. As an avid cyclist and user of the Rock Island Greenway, I want to be a part of making Peoria a cycling-friendly city. I have worked on many roadway projects where multi-use paths are part of the project scope, and want to guide future city projects to include those elements.

Would your service on a City commission be a conflict of interest for you?

My employer does not currently consult for the City of Peoria, but does for IDOT.

**Commission Volunteer  
Interest Sheet**

Committed volunteers play an important part in shaping Peoria's future. Commission members assist the City Council and Administration in developing policies and services which reflect the needs and values of the entire Peoria community. As a member of a City committee, you serve as a respected community advisor to the City Council and Administration.

While volunteer involvement requires time and effort, it also provides an opportunity for genuine public service. In addition, you gain knowledge about the role of City Government and its day-to-day operations.

If you are interested in joining over 400 Peoria citizens currently serving as volunteer commission and committee members, please complete this volunteer interest sheet/profile and return it to:

Questions about the purpose of, or volunteer commitment required for any of the commissions can be directed to the Assistant to the Mayor, Michelle King, at [mking@peoriagov.org](mailto:mking@peoriagov.org) or 309.494.8558.
