Educational Background

I have an Associates degree in applied sciences and will be graduating later this year with my Bachelor's in Business Administration.

State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed I am involved with the City of East Peoria via my work, I would love the opportunity to be more involved with my community. I do not believe that my employment with East Peoria would be a conflict with any commission opening that is available.

Would your service on a city commission be a conflict of interest for you?; No
