ACTION REQUESTED:

Communication from the City Manager and Director of Public Works with a Request to APPROVE and AWARD CONTRACTS for the 2023 City of Peoria and Peoria County Trustee VACANT LOT MOWING PROGRAM (Bid #15-23), in an Amount Not to Exceed \$572,854.00. (All Council Districts)

BACKGROUND: The City-maintained vacant lots are owned by either the City of Peoria or the Peoria County Trustee. The Peoria County Trustee acquires properties through the tax deed process and holds these properties on behalf of all taxing bodies until they are sold at auction. If the properties are not sold, they remain in the Trustee's possession; however, the Trustee does not currently maintain these properties. The responsibility to maintain properties within the corporate limits of Peoria falls to City staff.

A Request for Proposals (RFP) was created on February 16, 2023, by Purchasing and Public Works staff for the mowing of these vacant lots. An RFP format was used so the City could get the best combination of price and businesses qualified to complete the work per City specifications. From past practice, City staff determined most of these mowing operations are too small to complete the City's entire mowing contract while still servicing their regular customers; therefore, to allow smaller contractors to bid, and to get the best prices, this mowing contract was divided into fifteen (15) routes.

Eight (8) contractors were selected to mow the 15 routes based on the following five (5) criteria: Project Cost, Project Approach, Experience, Non-Profit Organization, and WBE/MBE qualifications as noted below. Three (3) contractors are non-profit, seven (7) are WBE/MBE qualified and six (6) have had previous experience working on the City of Peoria's mowing contracts.

CONTRACTOR	STATUS	ROUTE #	BID AMOUNT
Heartland Lawn & Handy Services, LLC	W/MBE	4A	\$11,385
Law'n Order Academy Inc.	Non-Profit, W/MBE	7, 8, 9, 10, 11	\$127,116
Hulse Lawn Care	W/MBE	5, 6	\$34,749
Walton Services		1, 2A	\$76,666

File #: 23-069, Version: 1

Melvin's Landscaping	Non-Profit, W/MBE	2B	\$57,024
Hearn's Landscaping	W/MBE	12, 13	\$24,750
Common Grounds Industries	Non-Profit, W/MBE	3	\$146,124
Carmody Lawn Services, Inc.	W/MBE	4	\$95,040

It is estimated each route will be mowed a maximum of eighteen (18) times this season. In the event of a wet-weather season, assigned locations may need to be mowed additional times. A 10% contingency has been included in this wet-weather protocol is implemented.

FINANCIAL IMPACT: Account #8013023-503604

NEIGHBORHOOD CONCERNS: Keeping public property mowed improves the quality of life for the entire city. Tall grass and weeds are a blighting influence on neighborhoods and can cause health concerns.

IMPACT IF APPROVED: Relationships with not-for-profits will be built through this Program. Blight from tall grass and weeds on City-owned vacant lots would be avoided.

IMPACT IF DENIED: Vacant lots would be cut far less frequently, through a work order system, requiring more Public Works staff time. The City's appearance would suffer, and neighborhood blight would increase.

ALTERNATIVES: Cut vacant lots less frequently.

EEO CERTIFICATION NUMBER: Carmody Lawn Services 03588-220331; Common Ground 03590-220331; Hearn's Landscaping 02108-220331; Hulse lawn Care 01799-210930; Law'n Order 03466-220331; Walton Services 03281-210930; Heartland Lawn & Handy Services LLC - Pending; Melvin's Landscaping - Pending.

WHICH OF THE GOALS IDENTIFIED IN THE COUNCIL'S 2017 - 2032 STRATEGIC PLAN DOES THIS RECOMMENDATION ADVANCE?

1. Financially Sound City
2. Grow Peoria
3. Beautiful Peoria

WHICH CRITICAL SUCCESS FACTOR(S) FROM THE COMPREHENSIVE PLAN DOES THIS RECOMMENDATION IMPLEMENT?

1. Grow employers and jobs.
2. Support sustainability.
3. Reinvest in neighborhoods.

Purchasing Manager:

Hulse Lawn Care has been in business for over 28 years in the Peoria area. I began mowing when I was 14 years old and Scott and I started the business when he was in high school. During this time, we have had numerous business and personal accounts, including working for the City of Peoria for the past 25 years.

Hulse Lawn Care continue to offer quality work, performed in a timely manner at a competitive price. We look forward to working with the city again as in the past if awarded a mowing contract for the 2023 mowing season.

APPROACH TO PROJECT:

Since Hulse Lawn Care had worked with the Peoria Code Enforcement department for 6 consecutive contracts and cutting the city owned lots the past 13 years, I believe we have a full understanding of the scope of work in the mowing contract and what the city expects from the contractors regarding the quality of work and the required time to perform the work

The schedule we have used for cutting the city owned lots the past 13 years, worked in line with the mowing schedule established by the City of Peoria. Even when requested to alter our mowing schedule for special events, an emergency situation, or even work on a different route, we always performed the work as directed without falling behind in the work schedule.

One advantage for us cutting the city owned lots numerous times, is we know everything about the lots, how they should be cut, the correct boundary lines and what equipment we need to perform the work in a timely and professional manner. During the last 8 years, we were asked to cut additional properties, some with houses and lots which had extremely tall grass which we performed without falling behind in the work schedule.

Over the years we have purchased the equipment we needed to perform all types of mowing and currently have all the equipment necessary to perform the work for the City of Peoria.

Since Hulse Lawn Care is interested in cutting the vacant lots, usually only one or two people are needed to perform the work, but we have access to additional workers including two females when needed. In case of bad weather, we have used extra workers to keep from falling behind in the mowing schedule.

PREVIOUS EXPERIENCE:

My work experience in mowing covers over forty-seven years. I began working for the Peoria Park District at the age of thirteen and worked there for six years. I then worked for two different landscaping companies for another three years before working on my own.

My son Scott and I started working together over twenty years ago and during that time worked for the Peoria Code Enforcement department for twelve years and cutting city owned lots the past thirteen years. We also have cut for the City of Lacon, cutting their parks and public properties. In addition we have numerous business and individual accounts which we have cut for many years.

I believe with my work experience along with working for the City of Peoria for over twenty-three years, I can provide the quality of work the City of Peoria is looking for in this contract.

MBE/WBE PARTICIPATION:

Hulse Lawn Care is a small family owned business, with my wife and I, along with my two sons as workers. However in the past few years we have used several other people including one female when extra help was needed.
