C O N T R A C T**

53-16

This agreement, made and entered into this 14th day of February, A.D., 2017 by and between the City of Peoria, a municipal corporation, party of the first part, and JIMAX Corp., 2000 W. Clarke St, Peoria, IL 61607, his/their executors, administrators, successors or assigns, party of the second part.

WITNESSETH: That for and in consideration of the payments and agreements mentioned in the proposal hereto attached, to be made and performed by the party of the first part, and according to the terms expressed in the bond referring to these presents, the party of the second part agrees with said party of the first part, at his/their own proper costs and expense to furnish and deliver all the work, materials and supplies in accordance with the specifications contained in said proposal, and in full compliance with all of the terms of this agreement.

IT IS UNDERSTOOD AND AGREED that the instructions to bidders, proposal, and bid and specifications are component parts of this contract and shall be deemed a part hereof. It is also understood and agreed that the contractor shall not assign, transfer, convey or otherwise dispose of this contract, or his right to execute it, or his right, title or interest in or to it or any part thereof, unless the previous written consent of the City Manager of the City of Peoria shall first be obtained thereto.

IN WITNESS WHEREOF, the said parties have executed these presents on the date above mentioned.

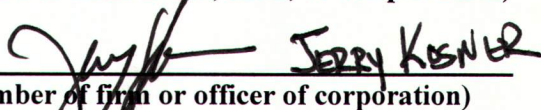

JIMAX will perform demolition services in accordance with proposal, addendums, and specifications attached starting February 14, 2017 at the rates specified in the attached proposal # 53-16 as the primary vendor for two years, ending December 31, 2018.

**ACTION REQUESTED:**

Communication from the City Manager and Community Development Director with a Request to APPROVE a CONTRACT with JIMAX for Demolition of Residential Properties as the Primary Contractor and RIVER CITY DEMOLITION as a Backup Contractor.

**BACKGROUND:** The City of Peoria has instituted an aggressive demolition program over the last five years in an effort to remove blight from neighborhoods and eliminate a major public safety hazard. Since 2012, the Community Development Department has demolished 377 dangerous structures in the City of Peoria.

In 2017, the Community Development Department will continue to demolish dangerous structures as funding allows. Going into 2017, the budget is demonstrated as set forth in Attachment A.

Please note that BRP funds were awarded through a competitive State grant administered by IHDA and funded by the Treasury Department. The funds can only be used in census tract 50, and the entire lot has to be clear cut. This involves a more expensive demolition, as all trees must be removed. In addition, the grant pays for alternative ground cover to be tested in an effort to find better long-term solutions to vacant lot maintenance.

The main obstacle to doing additional demolitions is lack of funding. Recently an employee for the Community Development Department drove the south side to do an informal survey of boarded up buildings that met demolition criteria. Over 223 residential structures were identified. This did not include vacant properties and demolition candidates that were not boarded up.

The Community Development Department will continue to seek alternative funding streams to eliminate blighted structures in the City of Peoria. In 2014, the Community Development Department was awarded a \$75,000 grant from the State of Illinois for demolitions in the far south side. In 2015, \$300,000 was allocated and spent for residential demolitions in the South Village TIF, and the Department was awarded \$170,000 for residential demolitions in the East Bluff through a grant provided by the Illinois Attorney General's Office. In 2016, the Community Development Department was awarded a BRP grant for demolitions in the South Village

TIF.

The City received eight proposals for this contract. Proposals were graded based on the following scale by three Community Development Department employees:

- Approach to Project (40 Points)
- Previous Experience (20 Points)
- Pricing (25 Points)
- MBE/WBE Participation (15 points)

The scores are listed below:

PROPOSER	#1	#2	#3	TOTAL	RANK
Advance	22	20	20	62	7
Schaefer	40	30	18	88	6
CWG	45	60	80	185	3
Stephens	22	20	5	47	8
Iron Hustler	50	52	55	157	4
River City	85	95	75	255	2
<b>JIMAX</b>	<b>90</b>	<b>100</b>	<b>97</b>	<b>287</b>	<b>1</b>
FCI	46	55	43	144	5

JIMAX has been the primary contractor for the City of Peoria Community Development Department for residential demolitions over the last few years. They have done a good job executing the contract and a valuable partner on other neighborhood projects throughout the City of Peoria. In 2016, the workforce of JIMAX was made up of fifty percent minorities who primarily lived in neighborhoods where work was being executed. JIMAX has the same hiring goals for this contract.

**FINANCIAL IMPACT:** Budgeted amounts listed above.

**NEIGHBORHOOD CONCERNS:** Reducing dangerous building in the City of Peoria reduces blight and safety hazards in our neighborhoods.

**IMPACT IF APPROVED:** Demolition will continue until funds are exhausted.

**IMPACT IF DENIED:** Demolition will no longer occur.

Proposals by corporations must be signed with the name of the corporation, followed by the signature and title of person authorized to bind it on the matter. All signatures must be in ink.

**INVESTIGATION** - Proposer shall make all investigations necessary to thoroughly inform itself regarding the supplies and/or service to be furnished in accordance with the RFP. No plea of ignorance by the Proposer, of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the Proposer to make the necessary examinations and investigations, will be accepted as a basis for varying the requirements of the City or the compensation to the Proposer.

**EQUAL EMPLOYMENT OPPORTUNITY** – To be awarded a contract all Suppliers, Vendors, Contractors to the City of Peoria, County of Peoria and/or the Peoria Park District **must** be registered in the City of Peoria's Contract Compliance Program and have a current EEO Certification number. This program is unrelated to any State and Federal program. The number is secured by completing and submitting, under notary seal, an Employer Report Form CC-1 (with required sexual harassment policy attached) to the City's Equal Opportunity Manager. *Please note that the Certificate of Compliance is valid for one year and must be annually renewed.* The form may be requested on-line from the City's website (<http://www.peoriagov.org/equal-opportunity-forms>). Click on Government > Other Departments > Equal Opportunity > then select "Employer Report Form CC-1". The forms can also be obtained by writing or calling:

**City of Peoria  
Equal Opportunity Manager  
419 Fulton St.  
Peoria, IL 61602  
(309) 494-8530 Voice**

In accordance with Chapter 17 of the Peoria Municipal Code, a fifty-dollar (\$50.00) processing fee will be charged with each original submission of the Employer Report Form Cc-1 that results in an approved certificate as well as the Annual Renewal Application. The only exception to payment of the processing fee is neighborhood associations.

**Although all vendors are encouraged to obtain Equal Employment Opportunity Certification, vendors do not need an Equal Opportunity Certification to respond to a proposal. The EEO Certification Number is only required prior to the award of the contract.**

**Good Faith Efforts Requirements (projects exceeding \$50,000)  
Minority/Women Business Enterprise(M/WBE) Utilization**

Bidders must demonstrate that they made good faith efforts to meet participation goals. Documentation supportive of their good faith efforts to utilize M/WBEs must be submitted at the time of bid.

#### Compliance Reporting Minority/Female Worker Utilization

The General Contractor and its subcontractors must provide to the City of Peoria documentation on their good faith efforts to comply with the workforce participation goals. This would include, but not limited to, weekly certified payroll reports. All information will be provided through **ePrismSoft**, an electronic web based compliance tracking software. Access to **ePrismSoft** has been furnished by the City of Peoria. To activate access the General Contractor and subcontractors must contact Human Capital Development.

**SAMPLES** - Samples of items, when required, must be submitted within the time specified and at no expense to the City; and if not destroyed in testing, they will be returned at the Respondent's request and expense. Samples, which are not requested for return within thirty (30) days, will become the property of the City.

**RESPONSES** - A response is requested of all Proposers even if it is a "no response".

#### **CONTRACT TERMS**

**TAXES** - The City is exempt, by law, from paying State and City Retailers Occupation Tax, State Service Occupation Tax, State Use Tax and Federal Excise Tax. The City will execute tax exemption certificates whenever required. The unit prices should be exclusive of all taxes. In the event the unit price includes taxes, the Proposer must show the amount of tax included in the unit price.

***REFERENCE - All of the contract terms shall be incorporated by reference into any written contract.***

**CITY OF PEORIA, ILLINOIS**

**RESIDENTIAL DEMOLITION SPECIFICATIONS**

**BID # 53-16**

**DATE: December 28, 2016**

**1. SCOPE**

This specification covers the requirements for the demolition of residential structures with the City of Peoria.

- A. Court-ordered or owner-agreement demolitions of both non-City-owned and City owned residential structures and/or accessory structures within the corporate limits.
- B. This contract shall include all labor, equipment, materials, and services necessary for and reasonably incidental to, the proper completion of all demolitions, wrecking, removal of old materials, debris, slabs, filling basements, filling crawl spaces, etc., as hereinafter specified.
- C. The City of Peoria may choose two contractors depending on the ability of the contractor who scores the top overall score to demolish structures in a reasonable timeframe.
- D. A premium rate will be applied for all emergency residential demolition activities required to be completed subsequent to a natural disaster (fire, tornado, etc...) and on an on-call basis.

**2. ON-SITE INSPECTION BY CONTRACTOR:**

Contractor shall visit and carefully examine the premises so as to familiarize himself with existing conditions and difficulties that will attend the demolition. On-site inspection by the contractor shall be made after receiving the purchase order to demolish said structure and before obtaining the demolition permit. When the contractor applies for the demolition permit, an on-site inspection of the property will be presumed to have been made by the contractor. No allowance will be made for extra labor and/or materials required or for difficulties encountered which would have been foreseen had an examination been made prior to issuance of the permit.

Contractor shall accept premises as found and clear site as specified. Owner assumes no responsibility for the condition of the building on the site, nor continuation in condition existing at the time contractor examined same.

**Note:** In the case of an Accessory Demolition, which is a demolition of a detached garage or other structure separate from the main structure, the slab must be removed and the site must be leveled to existing grades, unless the contractor is instructed to leave the slab, as specified on the purchase order, at which time the anchor bolts will be removed.

**3. NOTICES:**

Contractor shall notify in writing all adjoining property owners, notifying them two days in advance of the time they expects to begin operations and also to the extent of the work insofar as it may affect surrounding property as required by state laws and City ordinance. This is waived for emergency demolitions. The City will create a standard notice, but it is still the contractor's responsibility to notify the owner.

**4. PERFORMANCE**

This contract will be a performance-based contract and contractors will receive additional work upon successful completion of any pending demolition purchase orders. Additional work will be assigned as work is completed and meets the approval of the Department of Inspections hereafter referred to as Code Enforcement Division.

**5. SPECIFICATIONS FOR THE DEMOLITION ARE AS FOLLOWS:**

Demolition permits and fees will be required on all demolitions and shall be the responsibility of the demolition contractor. The contractor will have five (5) calendar days to obtain the demolition permit after receipt of the purchase order and no longer than ten (10) calendar days after receipt of the demolition permit to complete the demolition, including final grading of the lot. Failure to follow this schedule by the contractor will be considered as delinquent. The City will notify the utility companies to cut service to the structures. Utility cutoffs shall be the ultimate responsibility of the contractor, and no demolition shall begin until utilities have been cut. No demolition activity will commence until the demolition permit and fees have been paid and a copy of such is in hand. The permit must be on site at all times. Citations may be issued for demolition activity without a permit. **In addition, if a permit is not pulled before the start of the demolition, the City reserves the right to take twice the amount of the permit fee from the amount the contractor will be paid for the job.**

The contractor shall give outstanding demolitions priority to any awarded demolition contracts or orders received from any other source. The contractor must notify the Code Enforcement Division if he/she is not available for additional work. The City may utilize a backup contractor and begin to assign them the primary work assignments.

**6. LIQUIDATED DAMAGES:**

Any demolition not performed within the above-mentioned 15-day time limit shall be subject to liquidated damages of \$50 per day for each calendar day. Provided, however, that any day for which weather conditions made it unfeasible to work on the demolition shall not be considered when assessing the fifteen (15) days in which a demolition shall occur.

**7. PROTECTION:**

- A. Conduct operations with a minimum interference with streets, driveways, alleys, sidewalks, adjacent property, and neighborhood.
- B. Salvage rights of all real property shall begin upon receipt of the demolition permit. Salvage activities shall not be conducted without a demolition permit in hand. All materials shall become the property of the contractor. Salvage materials must be removed from the demolition site prior to demolition of structure. Once demolition starts on the building, all material must be disposed of at an approved I.E.P.A. landfill. The City reserves the right at any point to authorize another contractor to perform salvage work on properties prior to demolition.
- C. The work under this contract shall be executed in an orderly and careful manner with due consideration for owner, neighbors, and the public. All materials shall be promptly removed from the premises as rapidly as the buildings are wrecked and shall not be permitted to accumulate. No materials shall be dropped, or thrown, from great height. All materials not removed by derrick or similar apparatus shall be lowered through properly constructed rubbish chutes provided and erected by the contractor. All rubbish shall be thoroughly wetted so as to eliminate dust.
- D. Buildings shall be completely removed, including foundation walls. The entire building including basement floors and slabs shall be removed. Known locations of cisterns and catch basin walls shall

also be removed 12 inches below final grade and the cistern filled. Cistern fills must be guaranteed for five (5) months. Should the cistern(s) reopen within five (5) months of being filled, the contractor shall re-fill them at no cost to the City. All interior walls shall be removed to the basement floor. The basement floor shall be cracked to allow for drainage. Driveways, etc. shall be removed, but not public sidewalks and curbs.

- E. All demolition work shall be executed in such a manner so as to insure adjacent property against damages, which might occur from falling debris or other cause, and to interfere with the use of adjacent buildings.
- F. Sewer stub to property shall be plugged by contractor at the building line or at the curb line.
- G. The Code Enforcement Division will inspect the sewer plug and the excavation at the same time. The inspection will verify the plugging of the sewer and the removal of all debris. The contractor shall allow one (1) working day advance notice for the inspection. It is the responsibility of the contractor to contact the Code Enforcement Division for the inspection of the plugged sewer stub and the excavation before placing any fill in the excavation. Failure to contact the Code Enforcement Division for a sewer plug check will result in the contractor having to dig up the site to allow visual confirmation.
- H. Basement excavations, cisterns and catch basins shall be filled and compacted to existing grades of the property. At the direction of the Code Enforcement Inspector, the fill will be either pit run sand and gravel, clay and sand, or sand and on top 6 inches of top soil – then grass seed. All dirt must be free of debris or brickbats. The purchase order will indicate what type of fill is to be used. **No organic material will be allowed as fill material. The hole is required to be filled within 3 business days of the structural demolition. Failure to meet this deadline may result in the City cancelling the purchase order, not paying the demolition contractor for that demolition and hiring a third party to fill the hole and complete the demolition.**
- I. Buildings, garages and other accessory structures that have crawl spaces (minimum of three ft.) or a slab, that are removed must be filled to the existing grade of the property. The cost for this work should be included in the basic square foot rate. It will not be considered under the basement rate. A crawl space is considered to be 3 feet or less.

**8. PROPERTY AND EQUIPMENT:**

- A. Property belonging to public utility companies shall not become the property of the contractor.
- B. Public utility equipment shall be removed before demolition is commenced.

**9. DISPOSITION OF DEBRIS**

- A. Private sidewalks, driveways and retaining walls, other than public right-of way, shall be removed. Fences and slabs shall be removed from entire property regardless of whether demolition work is involved. Shared driveways, shared sidewalks and shared fences shall be removed upon the direction of the Code Enforcement Division.
- B. The Contractor shall dispose of debris in a manner, which generally conforms to all local ordinances and State or Federal statutes, and regulations and more specifically conforms to the Environmental Protection Act of the State of Illinois and rules and regulations promulgated thereunder. Receipts from the landfill for the disposal of debris shall be filed with the Code Enforcement Division immediately following the disposal of such debris. Each receipt must list the demolition site and the date of disposal.
- C. Contractor shall notify the City within forty-eight (48) hours of any change in landfill location. Failure to notify by the contractor will be cause for the City to cancel the contract.
- D. The lot shall be left free from all unsafe or hazardous conditions. This is to be accomplished by removing all debris, restoring the established grades, preparing the final grade free of depressions so as not to retain water and ready for seeding. No debris (brickbats, wood, concrete, etc.) shall remain on the surface or in the basement excavation.
- E. Dust shall be controlled on all demolitions by the wetting down as approved by the Code Enforcement Division. The approved method shall be a hydrant hookup or a water truck.
- F. No demolition activity will be conducted before 7:00 AM or after 8:00 PM, Monday through Saturday. No demolition activity shall be conducted on Sundays or legal nation holidays observed by the City of Peoria (New Year's Day, Martin Luther King's Day, Good

Friday, Memorial Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day, day after Thanksgiving, and Christmas Day). Exceptions to this shall be only upon the direction of the Code Enforcement Division.

- G. Contractor shall repair or pay the City to repair pavements, curbs and sidewalks damaged by the execution of this contract.
- H. Once demolition begins, the contractor must complete the demolition, including final grade, prior to starting another demolition, unless agreed to by both the City and the contractor.
- I. Contractor must notify the Code Enforcement Division immediately in writing upon forms provided by the Code Enforcement Division of any damages done to adjacent property as a result of the demolition activity. If the contractor has submitted a claim to his insurance carrier for damages, a copy of such claim shall be provided of the Code Enforcement Division.

The Code Enforcement Division may withhold monies for a demolition activity in the amount of the damages or claims to adjacent properties. Repeated damage to adjacent property during demolition activity or failure to honor justified claims from the adjacent property owners may result in the cancellation of the contract.

- J. All work must be performed to the satisfaction of the Code Enforcement Division or designated representatives. Payment for each demolition shall be paid only upon receipt of the necessary documentation. Failure to comply with any of the above specifications shall be cause for cancellation of the contract.
- K. All modifications to the above specifications shall be made by written change orders, either on a case-by-case basis or for the remainder of the contract term. Such change order may include special handling of owner-agreement demolitions. Additional consideration or reduction of contract amount for change orders shall be agreed to between the contractor and the City prior to the commencement of any demolition work.

**10. RESPONSIBILITIES:**

- A. The contractor shall not subcontract or assign any work to be performed pursuant to these specifications without the prior written approval of the Code Enforcement Division. If an assignment or subcontract is approved, no payment on any purchase order shall be made until a release of subcontractor's lien is received. The contractor shall not assign the proceeds or payments of this contract without written approval of the Code Enforcement Division.
- B. The contractor must provide the Code Enforcement Division a business telephone number which will be answered between 8:00 AM and 5:00 PM, Monday through Friday, and will be in ready contact, or know the whereabouts of the contractor and a telephone number and/or pager which will provide evening and weekend access to the contractor.
- C. Should the contractor fail to notify the Code Enforcement Division of a change in dump site, fail to comply with specifications, fail to maintain required insurance, fail to comply with equal opportunity provision, the City reserves the right to immediately suspend the contract and assign portions of the contract to another contractor until such time as the original contractor is back in compliance.
- D. Requests for payment accompanied with completed damage waiver and dump tickets, invoice, and inspector's approval from the Code Enforcement Division will be processed, and a check typically will be available within two weeks. Requests for payment received without dump tickets, damage waiver, invoice, or inspector's approval will not be processed for payment until all documentation is received. Requests for payment received after 5:00p.m. on any Monday, or those received without dump tickets, damage waiver, invoice, or inspector's approval will not be processed for payment that same week.
- E. Any damage to live or dead vegetation attributed to the demolition shall be the responsibility of the demolition contractor for complete removal, including stumps.
- F. The City will not be required to compensate the contractor for removal of excessive debris left in properties. Contractors must consider occasional situations where large belongings are left in a property and bid accordingly. If tires are found at the property, the Department will pay a transportation fee to the contractor at \$2.00

per tire and tires may be taken to the Public Works facility at the discretion of the Code Enforcement Supervisor.

**11. SPECIAL PROVISION:**

- A. Do not damage trees in vicinity of house or anywhere on the lot.
- B. Do not damage fences in area.
- C-1 Sweep entire area with magnet (including hauling route) to eliminate metallic articles which may damage tires.
- C-2 Remove all material and rake lot smooth enough to accept safe pedestrian and vehicular traffic. This shall include mud and dirt deposited in the street of the hauling route.
- D. When asbestos is discovered work is to stop immediately and the City must be contacted. Asbestos may only be removed by a licensed asbestos hauler in accordance with state regulation.

**12. REQUIREMENTS FOR THE CONTRACT AWARD:**

- A. The contractor shall indemnify and save harmless the City against any and all damages to property or injuries to, or death of, any person or persons, including property and employees or agents of the City, and shall defend, indemnify and save harmless the City for any and all claims, demands, suits, actions or proceedings of any kind or nature actions or proceedings of any kind of nature, including worker's compensation claims by anyone whomsoever resulting from or arising out of the contract's operations in connection herewith, including operations of subcontractors and acts or omissions of employees or agents of the contractor or his subcontractors, but not including acts of negligence by the City or its agents. The contractor shall procure and maintain at his own expense insurance coverage specified herein and in the special conditions which constitutes the minimum requirements, and said requirements shall in no way lessen or limit the liability of the contractor under the terms of the contract. The contractor may procure and maintain, at his own expense, any additional kinds and amounts of insurance that, in his own judgment, may be necessary for this proper protection in the prosecution of the work.
- B. Contractor shall repair, replace or reimburse the City or utility companies for any damage to pavements or utility property, the same being a direct or indirect result of the execution of this contract.

13. **INSURANCE:**

Contractor shall carry **automobile liability** and **public liability** insurance (comprehensive explosive, collapse, underground hazard rider included – X, C and U) in the amount of \$1,000,000 combined single limit. Contractor shall also carry **worker's compensation** as required by State statute. Evidence of such insurance shall be furnished to the City. **Contractor shall include the City of Peoria on his insurance policy naming the City as additional insured.** Certificate of Insurance shall be furnished prior to any work being performed under this contract. The contractor shall maintain all insurance throughout the contract. Failure to maintain insurance will be cause of the City to cancel the contract. If bidder does not have insurance coverage in force at present time, bidder will be required to furnish a letter from his insurance agent within five (5) days after the bid opening that they can obtain the required coverage. All employees, that they can obtain the required coverage. All employees, including owner, shall have a valid appropriate class of vehicle driver's license.

14. **AWARD:**

The City has only an estimate and makes no guarantees as to the amount of work to be performed under this contract.

15. **WRECKING BOND:**

A. Before any permit required by this division is issued granting authority to wreck the same shall file with the City Clerk a bond with sureties to be approved by the corporation counsel to indemnify, keep and save harmless the City against any loss, cost, damage, expanse, judgement or liability of any kind whatsoever which the City may suffer, or which may accrue against, be charged to, or be recovered from the City, or any of its officials, or by reason or an account of accidents to persons or property during any such wrecking operations, and from or by reason or on account of anything done under or by virtue of any permit granted for any such wrecking operations. Wrecking bonding shall be in compliance from with Section 5-379 of the Code of the City of Peoria.

B. Such bond in each case shall extend to and cover all such wrecking operations carried on through permits obtained thereunder by such person beginning January 1 and ending December 31, and no permit shall be issued for any wrecking work, except as hereinbefore otherwise provided during such year until such bond is filed. Such

bond shall be in the penal sum of \$20,000 for all wrecking operations on such buildings and other structures not more than three stories in height, and there shall be an additional bond filed in the penal sum of \$20,000 or a bond in the penal sum of \$40,000 shall be filed in the first instance in case of wrecking operations on buildings and other structures four or more stories in height. **Such bond shall be for time limits as required by the City of Peoria.**

- C. Upon the filing of such bond, the person engaged in the work of wrecking such buildings and other structures may obtain permits for such wrecking operations as are authorized under the bond, during year in which the same is filed; provided, however, that in case of an accident of casualty in the progress of any wrecking operations carried on under any permit so issued, or the happening of any circumstance which might, in the opinion of the code official, render such bond inadequate, the building official may, in his discretion, require such additional bond as they may deem necessary to fully protect the City from loss resulting from the issuance of such permits before they allow the work to proceed, or before any additional permits are issued by him.

**16. TERM OF CONTRACT:**

Upon Peoria City Council approval to December 31<sup>st</sup>, 2018

**17. Evaluation Criteria**

- **Approach to Project (40 Points)** – Describe your understanding of Project, Critical Elements and Goals. Capacity to do demolitions, specifically addressing how many demolitions you can reasonably complete in a week timeframe.
- **Previous Experience (20 Points)** – Include detailed relevant experience of similar work for, with appropriate references.
- **Pricing (25 Points)** – Estimated costs should be completed on a square foot base. The City will plug in cost per square foot and fill on 5 past demolitions to determine price for scoring purposes.
- **MBE/WBE Participation (15 Points)** – Describe your firm's efforts to achieve a diverse workforce.

The City will review and analyze each proposal, and reserves the right to select the proposer who offers the best value. The City shall select the contractor which, in the City's opinion, has made a proposal best suited to the needs and goals of the City and deemed to

be in compliance with the terms of this RFP. Depending on the scores of qualified applicants, the City may select a secondary contractor who will also be assigned addresses for demolition. However, if a company can demonstrate a capacity to be the sole contractor for the City of Peoria, all demolition work may be assigned to that contractor.

**18. CONTRACT ADMINISTRATOR:**

This contract shall be under the direction of the City of Peoria, Director of Community Development, or the designated representative.

All actions or modifications concerning contract language, extensions, cost adjustments or other technicalities regarding the contract shall be administered by the City of Peoria Purchasing Manager, 419 Fulton Street, Room 108, Peoria Illinois, 61602; phone (309) 494-8582.

**19. CANCELLATION:**

If the contractor fails to perform work to the standards as determined by the City of Peoria and recognized within the community as being standard, or does not complete the assigned work within a reasonable amount of time as determined by the City of Peoria, then the City of Peoria has the right to cancel the contract upon a ten (10) day written notification, delivered by certified mail to the contractor's address of record. *"Also if a contract is cancelled the vendor can be declared an irresponsible vendor by the City Manager, disqualified from doing business with the City or a year in accordance with the City Ordinance Section 10-102."*

**20. PREVAILING WAGES:**

Provisions of the Prevailing Wage Act, 820 ILCS 130/0.01 et.seq., apply to this project. Additional information can be obtained by calling (217) 782-6206. Applicable prevailing wage rates can be found at [www.state.il.us/agency/idol/](http://www.state.il.us/agency/idol/) for examination.

## Demolition Proposal

### **Approach to Project 40 points:**

The JIMAX goal for this comprehensive demolition proposal for the City of Peoria is to realize that every \$1 spent on demolition, results in a \$13 gain in neighborhood assessed value and a 3% reduction in mortgage foreclosures.

JIMAX Corp has provided Code Enforcement Demolition Services to the City of Peoria IL for the last 3 years. During this time JIMAX demolished approximately (400) structures without a single unresolved complaint from a resident or code enforcement officer, an unrepaired structure, or an unrepaired sidewalk or curb. JIMAX has responded timely to each and every of the (40) plus emergency demolition request from the City of Peoria by Joseph Dulin, Ross Black and the Peoria Fire Chief Charles Lauss and lead arson investigator Brad Pierson. These emergency projects frequently are of a time sensitive nature, and often include selective deconstruction for rebuild and other unique criteria. With the help of our professional staff and highly experienced operators and laborers, JIMAX is able to achieve a cost effective, time critical solution to these unique challenges, effectively utilizing our diverse equipment fleet and field expertise. JIMAX Corp always maintains one demolition crew with full demolition equipment in the City of Peoria at all times for emergency situations. In addition, JIMAX frequently reroutes equipment and manpower to produce satisfactory, timely results for the City of Peoria as needed, constrained by grant timing and public opinion. JIMAX uses only union labor from the local Operators Union 649 and the Laborers Union 165 with an approved US Dept. of Labor apprentice and training program. Both demolition operators / foreman are owners in JIMAX Corp, and JIMAX Corp is an owner operator company in Peoria County and 95% of JIMAX ownership resides in the City of Peoria.

JIMAX has never been short on delivering equipment or demo services to the City of Peoria. JIMAX maintains and has invested in \$1.6 million in the last 3 years in the newest most efficient demolition equipment. Our Caterpillar demolition equipment fleet maximum age is 3 years old (average age 2.2 yrs) with the latest excavator purchased 3 weeks ago on 30 DEC 2016. JIMAX Corp subscribes to a meticulous maintenance and repair processes with each construction equipment piece being inspected daily by the operators. Since 2014, JIMAX purchased (4) class 8 semi tractors, (3) walking floor trailers, (4) dump trailers and (2) detachable lowboy trailers. Using JIMAX walking floor trailers eliminates (3) dump trailer trips to the landfill saving substantial fuel and labor costs. One City of Peoria residential demolition will fit into (2) walking floor trailers and only require (2) trips to the landfill. JIMAX now has control of all aspects of the demolition process and is only capacity limited by the hours of operation of the landfill.

Running full out with budget funding available, JIMAX will complete (2) residential demolition (1500 sq ft) per day and 8 per week with 2 crews. JIMAX demonstrated this run rate during June 2015 when emergency funding was available forced by the river flooding. JIMAX will typically use Friday and Saturday for final grade, seeding, final site cleanup and sign off. JIMAX participated in most of the South Peoria Community activities in 2016 which included the following: 1) Saturday Tire Transport for the South Peoria Alley Clean UP Projects. 2) JIMAX directed alternative low maintenance greening options for demolished structures in residential areas 3) JIMAX received a mayoral proclamation for the Board UP Beautification Project. 4) JIMAX installed the Murals on the Taber Building on South Adams. All projects were completed at no charge to South Peoria or the City of Peoria. In addition to this, our work with our non profit partners in Peoria and Rockford IL are discounted substantially to more effectively

utilize the available grants for maximum community benefit. For Fall 2017, JIMAX is planning school supply assistance for the Harrison Community School. Our 2000 Clark ST Property in the Eagles View Enterprise Zone was purchased in July 2016 and to date JIMAX has invested \$84,000 in additional upgrades to the 16,000 sq ft building on 2 acres without any City of Peoria assistance. JIMAX is also committed to preserving the unique historical character and beauty of the City of Peoria, striving to reclaim and donate significant pieces to Peoria's Historical Society at no cost.

At JIMAX, creating and maintaining a **culture of safety** is our absolute priority. From safety of operators and laborers, to community safety with regards to best demolition practices and open excavation timeline reduction, JIMAX takes every consideration into account. We have tested and developed new systems of dust reduction, reducing dust spread and volume versus no control by a radius of 4 blocks and 200% total particulate and to lesser systems of control by 1 block radius and 64% total particulate. JIMAX strives to complete excavation backfill as soon as viable, and introduced rigorous foot traffic control methods for open excavations, including temporary fence erection and sloping of sheer walls. Employees are trained in key areas such as lead and asbestos awareness, rigging and crane safety, confined space, fall protection, and hazardous waste operations. Our field staff is 100% compliant with the training requirements necessary to perform its assigned projects. All said, no project phase is more important than that which keeps our employees, our community, and their assets safe.

**Experience 25 points;** JIMAX Corp is an experienced, licensed and insured residential / commercial demolition contractor for the City of Peoria, City of East Peoria, City of Rockford, City of Galesburg and the City of Rock Island and will provide municipal references for every city listed. JIMAX has completed more than (400) Class A demolitions in the last 3 years.

As you are aware the City of Peoria places all their demolition orders in the first 6 months of the year and JIMAX was successful in securing demolition orders from other local central Illinois municipalities for Q3 and Q4 2016. JIMAX Corp. is also the only trusted supplier of subcontracted demolition services to Adamo Detroit MI, the largest Midwest demolition supplier for Caterpillar. JIMAX also is a supplier of debris services to the Peoria Disposal Company. For 2017, JIMAX Corp enjoys the lowest contracted disposal rate offered to all contractors in Central Illinois. Always negotiating lower supplier pricing and improving efficiency and reliability on equipment has allowed JIMAX to keep our demolition prices below market in Central Illinois for the City of Peoria.

**Price:** JIMAX Corp works very hard on operator efficiency, purchasing the most effectively sized, most efficient tools and maintaining their equipment to the highest standard of reliability. Through our trusted supplier relationship with Peoria Disposal Company and use of walking floor trailers, JIMAX competitive pricing is detailed in this proposal.

**MBE Hiring:** JIMAX Corp is committed to the South Peoria Community with its location at 2000 Clark ST in the eagle's view enterprise zone. Purchasing the 16000 sq ft building on 2 acres in July 2015, JIMAX employs a minimum of 50% minority South Peoria employees on all City of Peoria demolition work. For all outside hire trucking we contract the Brown father and son team of dump trailers on Griswold. Transportation is always provided for South Peoria employees to work in Galesburg, Rock Island, Rockford and East Peoria. During 2017, working with Comprehensive Community Solutions Inc Rockford and Youth Build Rockford, JIMAX will submit for BRP Blight Reduction Program grants to be used in Peoria County. JIMAX will also evaluate demo house deconstruction using Youth Build Peoria. JIMAX is committed to the economic vitality of South Peoria and will continue to do its part in improving the economy of the community. At JIMAX we always strive hard to do what we say and say what we do.

Photo below is of JIMAX Corp. demolishing a City of Peoria property on East Illinois street. Caterpillar corporate marketing set up a photo shoot on this job for promotional material of the new 316F excavator. The image shown is now used as the cover photo for the 316F catalog for all CAT dealers. A time-lapse video of this job was also turned into a "Built for It" commercial called 'bringing down the house- in 30 seconds'. It is accessible through the CAT YouTube page.
