III. LIQUOR SITE APPLICATIONS

Chairman Drew Cassidy read the amendment to Section 3-57, which will be read at the beginning of every Liquor Commission Meeting.

“To all applicants: The Liquor Commission is a recommending body with respect to site approval. Our function is to determine if the location of an establishment is appropriate for the class of liquor license being requested and then make a recommendation to the City Council as to whether the application should be approved or denied. The City Council makes the final decision.

To perform our function, we may have questions as to the nature of the business you intend to operate at the location. In that regard, this Commission and the City Council expects applicants to be truthful in the representations concerning the proposed establishment since those representations weigh in the determination of the site approval application. Under Section 3-57 of the Code of the City of Peoria, any misrepresentation or false statement made to either this Commission or the City Council relating to the proposed business to be operated on the proposed site can result in a denial of your liquor license; suspension and/or revocation of a license if already issued, and a fine of up to \$1,000.”

14-02 **Roachman 64, Inc.**
d/b/a Aurelio's Pizza
3821 N. Sterling
Requesting: **Class B (restaurant, 50% food)**
 Subclass 1A (2:00 a.m. hours)

Ms. Sara Roach and Mr. Brad Pierson, presented a Site Application for a Class B (restaurant, 50% food) Liquor License with a Subclass 1A (2:00 a.m. hours) for 3821 N. Sterling.

In discussion with Chairman Cassidy, Ms. Roach said she had obtained the franchise for Aurelio's Pizza at this location and also requested a site approval for Subclass 1A (2:00 a.m. hours). She said, in response to Building Inspector Jim Stevens, that a wall had been installed as requested.

Discussions were held regarding separate entrances to the bar and to the restaurant.

Ms. Roach said the restaurant would be open Monday through Thursday 11:00 a.m. to 9:00 p.m., Friday and Saturday 11:00 a.m. to 10:00 p.m., and Sunday from 11:00 a.m. to 8:00 p.m. She indicated that delivery would become available beginning March 1, 2014.

LIQUOR COMMISSION – February 3, 2014

Interim Corporation Counsel Williams commented that the restaurant needed to serve food during these hours. She said they would not be able to close the restaurant at 10:00 p.m. and keep the bar open after that time.

Chairman Cassidy said, with a Class A, the restaurant could be shut down with only the bar open; however, with a Class B, both the restaurant and the bar needed to remain open with food being served.

Interim Corporation Counsel Williams said minors would not be allowed to enter the establishment with a Class A liquor license without being accompanied by a parent or guardian.

Ms. Roach said she was in agreement with the terms of a Class B.

Senior Planner Smith said when a new establishment opened in a shopping center, the location was reviewed for code compliance. She said, upon her review, it was determined that the dumpsters at this location needed to be screened along all four sides, and that the current setup was not current to City Code. She said the City was willing to work with the owner of the shopping center to bring it up to Code.

Hearing no further questions, Chairman Cassidy called for the motion.

14-04 **Po-Boy's on Frostwood, LLC**
d/b/a Po-Boy's on Frostwood
6736 N. Frostwood Pkwy
Requesting: Class B-1 (restaurant, 25% food)
***Subclass 3 (beer garden)**

Attorney Joe VanFleet, counsel for the owner, presented a Site Application for a Class B (restaurant, 25% food) Liquor License with a Subclass 3 (beer garden) for 6736 N. Frostwood Pkwy.

Two letters of concern were distributed to the Commission. These letters primarily contained objections to the beer garden.

In discussion with Chairman Cassidy, Attorney VanFleet said the owner, Walter Zich, was unable to be present at the meeting. He said the building at this location had been vacant for approximately four years.

Chairman Cassidy expressed concerns about granting a Subclass 3 and the potential effect it could have on the nearby neighborhood. He said there had been a similar establishment that recently opened in the area with similar concerns. He said rather than granting a Subclass 3 (beer garden), the Commission granted a Subclass 3A (sidewalk café). He said he was more inclined to granting a Subclass 3A to start with the option of the owner coming back at a later date to apply for a Subclass 3.

Discussions were held regarding a Subclass 3 versus a Subclass 3A.

Attorney VanFleet said that he had his client's authority to concur with the recommendation of the Commission and wanted to proceed with the Site Application. Attorney VanFleet then confirmed and agreed to amend the application for the Subclass to a Subclass 3A (Sidewalk café).

Mr. Tim Hickey, a resident near the location, said the neighborhood association had discussed the opening of the restaurant and some concerns were expressed, but the neighborhood approved of the opening on the restaurant.

Hearing no further questions, Chairman Cassidy called for the motion.

Commissioner Miller moved to amend the Site Application for a Class B (restaurant, 25% food) Liquor License with a Subclass 3 (beer garden) to a Class B (restaurant, 25% food) Liquor License with a Subclass 3A (sidewalk café); seconded by Commissioner White.
