

City of Peoria Commission Volunteer Interest Sheet

Committed volunteers play an important role in shaping Peoria’s future. Commission members assist the City Council and Administration in developing policies and services, which reflect the needs and values of the entire Peoria community. As a member of a city commission, you serve as a respected community advisor to the City Council and Administration.

While volunteer involvement requires time and effort, it also provides an opportunity for genuine public service. In addition, you gain knowledge about the role of city government and its daily operations.

If you are interested in joining over 300 Peoria citizens currently serving as volunteer commission and committee members, please complete this volunteer interest profile sheet and email your information to cchamberlain@peoriagov.org or complete it online at <http://www.peoriagov.org/mayors-office/commission-volunteer-interest-sheet/>.
