Professional and Employment Background

I started at Caterpillar full time in 2016. I completed an internship the summer before in 2015. Worked during college in Swedish Immigration Research Center and completed internships at an insurance company and at Metro bus company in the Quad cities.

Educational Background

I attended Woodstock High School and graduated in 2012. I then went to Augustana College in Rock Island. I graduated with a degree in Computer Science and a minor in mathematics in 2016.

State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed I am interested in learning about the non-profits in Peoria and helping give appropriate funding where needed. I would hope to find out as much information as I can so I could help make educated and logical decisions for funding. I feel like this committee would give me an opportunity to learn about my community and help give back to Peoria

Would your service on a city commission be a conflict of interest for you?; No
