Community Volunteer Experience

I moved to the Peoria area in December 2012 and started serving on the leadership committee of United Way's Success by Six in February 2013. I also have previous experience working for the United Way of Greater St. Louis.

When I lived in Little Rock, Arkansas, from July 2011 to December 2012, I was a member of Create Little Rock (a subgroup of the Little Rock Chamber of Commerce).

Have you previously served on a city commission:
No

If yes, please list which commission and the date of service

Professional and Employment Background

Upon graduating from the University of Illinois in May 2011, I began working for Caterpillar Inc. as part of the Communications Professional Development Program (a communications rotational program). My first role was as the communicator for the new motor grader facility in Little Rock, Arkansas. Part of that role entailed managing a community relations team. In December 2012, I transitioned to a marketing communications role at the Caterpillar Visitors Center in Peoria, Illinois. A major component of that position involved partnering with the Peoria Area Convention and Visitors Bureau in promoting Peoria as a tourist destination and working with the city of Peoria in promoting the 2013 All-America City designation (through a special event and display at the center).

I was recently promoted out of the rotational program into a new role in Corporate Communications.

Educational Background

I graduated from the University of Illinois at Urbana-Champaign with a Bachelor's of Science in Advertising.

State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed. During the past year and a half I've lived in Peoria, I've really enjoyed the city. Through Caterpillar, I have had the opportunity to meet several community leaders and organizations that are working to promote the city and enhance everything it has to offer. I think Peoria has a rich heritage and many potential opportunities ahead. I would be honored to volunteer and help to make some of those opportunities possible.

Would your service on a city commission be a conflict of interest for you?;

No
