Professional and Employment Background

EP!C, formally PARC since 1997

VP of Program and Employment Services.

Provide services to children and adults with developmental and intellectual disabilities

Educational Background

Bradley University

BA psychology 1994

MA Counseling 2011

State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed I enjoy volunteering my time to better our community. I have a passion for helping our community see individuals with disabilities as valuable community members and citizens. I feel being on the Mayors advisory committee can help me continue my passion and help our community grow to accept individuals with disabilities. This will also allow me to use my skills to educate others on the potential of individuals living with disabilities.

Would your service on a city commission be a conflict of interest for you?; No
