State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed.

I grew up in the family business of burial vault manufacturing and, as a child, spent a lot of time in cemeteries. When on vacation, we would visit cemeteries to learn about the area's history and burial traditions. Springdale is a crown jewel of Peoria, showcasing its history, art and scenery. I can respect the vast amount of investment it takes to preserve its beauty and integrity and hope to bring my business background, my respect for funeral traditions, and my love of Peoria to my service on the commission.

Would your service on a city commission be a conflict of interest for you? Yes No
