Board, Committee and Commission Selection

I am Interested in serving on the following committee/commission/board:	Downtown Advisory Commission
---	------------------------------

Have you previously served on a city Board, Committee and Commission	NO
Reason for applying.	I was recently transferred back to Peoria and look forward to getting involved again and helping promote the city and revitalizing the downtown. Having been away for several years, I have greater appreciation for the city and all it has to offer.
Other relevant experience.	I have worked at Caterpillar for the past 17 years in media relations and marketing communications serving as Chief Corporate Spokesperson and now managing the North American Trade Press strategy. My expertise in public relations, along with leading teams and managing projects, could be extremely helpful in promoting the city and collaborating with various organizations and businesses.
Can you think of any relationship or other reasons, which might possibly constitute a conflict of interest, if you are selected to serve on the board, for the committee, or commission for which you are applying?	No
Professional and Employment Background	Prior to working at Caterpillar, I was the Director of Communications for the Diocese of Peoria and a producer/reporter/anchor at WMBD TV-AM
Educational Background	Illinois College, BA English
