State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed I strongly believe in giving back to the community through volunteerism. one of the ways to help is top volunteer to serve the public and the citizens of Peoria as an advisory entity for the transportation related issues that the city is facing. I hope to be able to benefit the City by being an open-minded individual with years of transportation background and experience.

Would your service on a city commission be a conflict of interest for you?; No
