Mr. Andrejasich,

As part of our recent request to vacate Woodruff Blvd. and Ellis Streets, we also agree to maintain the remaining section of Woodruff Boulevard from the alley located in between the current Ellis and Sheridan Road to the west to Sheridan Road until such time as the City completes its plans for that intersection at Sheridan. We also understand that at that time a drive will need to be created by us or at our expense to connect that new intersection and alley to our property and parking area off Sheridan. See attached map.

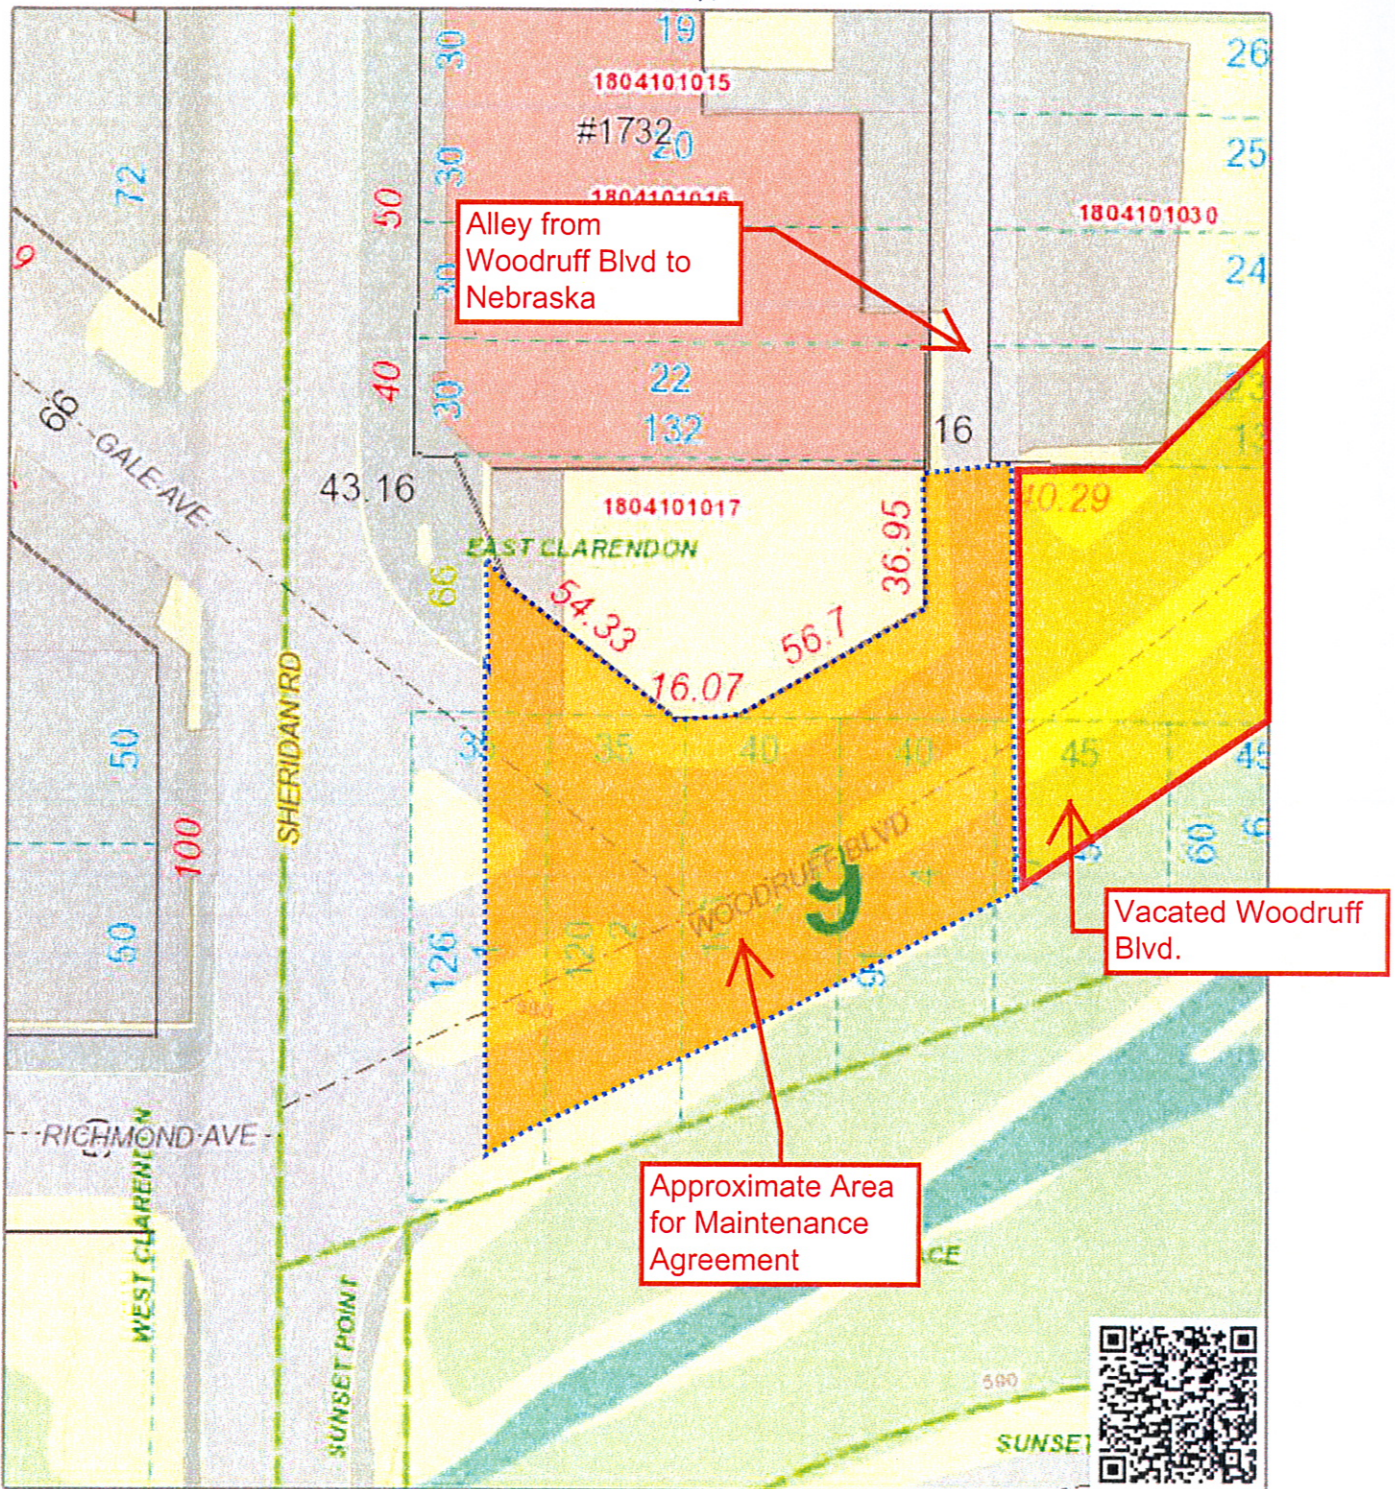

Thank you for your assistance on this very exciting project. If there are any questions or concerns, please don't hesitate to call.

Sincerely

David Kinney
