I, James E. Ardis, Mayor of City of Peoria, (Local Agency) hereby state the following:

We concur with the request to extend the term of the subject agreement for reimbursement to the Local Agency for costs incurred for work performed on Job D-94-004-13. All work performed is within the terms of the work specified in the agreement.

At the time the agreement was effective, the Local Agency anticipated that the state would extend the term of the agreement until the work was completed since this work is required to be performed for the Department of Transportation on behalf of the State of Illinois. This amendment to extend the term of the agreement is made and entered into between the Illinois Department of Transportation and City of Peoria.
