State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed  
I have a strong desire to be of help in my community, especially as it relates to fair employment and housing. I see a strong need for a greater employment base in our community for ALL people, but especially women and minorities.

Coming from a business background, as the son of one of Peoria's pioneer Black businesses, "Big John's BBQ", I want to see Peoria become all it can be with regards to housing and employment opportunities.

Would your service on a city commission be a conflict of interest for you?;

\* No
