Is there any particular topic around the stormwater utility or the related credits or grants that you'd like to

- | | |
|---|---|
| 1 | Process for grants & credits still not clear (and I've read the Manual). Time frame for credit & grant applications |
| 2 | How sq footage is calculated off roof and parking lots |

3	Permeable pavement and rain barrels
4	What are the options for permeable pavers for driveways that comply with code?
5	Why did the City wait so long to start doing this 15-25 years earlier

Do you have any feedback or ideas for credits or grants?

1	Excellent- informative presentation. Questions fielded well.
