School of Chemical Life Sciences, NMR Core Facilities Champaign, IL

Educational Background
University of Illinois at Urbana-Champaign, Bachelors of Science in
Molecular and Cellular Biology, May 2010

Pleasant Valley High School, General Education, 2010

State briefly why you wish to be considered for a city volunteer
commission and what you would hope to accomplish if appointed
I wish to be considered for the Urban Forestry Advisory Board because
I want to improve Peoria's integration of forestry within urban

development. I believe there are numerous opportunities for our
community to become environmental stewards, and through the UFAB, I
would strive to enhance the city's involvement with nature while
boosting aesthetics, increase building sustainability, and help
pollinators, which may help surrounding farmlands.

Would your service on a city commission be a conflict of interest for
you?;
 * No
