Liquor Commissioners,

A site application has been received from Tremayne Branch 801 SW Adams requesting a Class A and Subclass 2 license. The business has been inspected by City of Peoria Fire Inspectors and currently the kitchen equipment will change, which will require the hood suppression system to be updated. Mr. Branch has a contract with Getz Fire Equipment to update the hood suppression system. Your mutual concern for life safety is appreciated.

RE: Site Approval Application #19-17  
Rumberger's Holding Group, LLC  
d/b/a Della's Lounge  
1801 SW Adams St.  
Requesting: Class A (tavern)  
Subclass 2 (live entertainment)

Dear Commissioners,

A site application has been received from *Rumberger Holding Group, LLC, d/b/a Della's Lounge*, 1801 SW Adams St., Peoria, Illinois for a Class A and Subclass 2 liquor license. Approval of this application would allow the applicant to operate a tavern with full bar service and host live entertainment at this site. This location most recently operated as Kareena's with the same Class A liquor license before closing in December 2016.

Officer Kevin Slavens inspected the site which is at the corner of Adams Street and Edmund Street in an established commercial area of town. This location has historically held a liquor license dating back to April 1961. Surrounding businesses include: UFS Downtown Outlet Center, UFS Furniture Outlet, Donelson Corporation, Rocket Tire, Getz Fire Equipment and Dan's Tow Bar. There is residential single-family housing approximately 400 feet to the west of this site in the 1000 block of W. George Street.

This site previously operated as the La Copa Cabana from December 2010 until October 2012. There were 66 police calls for service and 17 Peoria Police reports filed during those dates. La Copa Cabana did have an alcohol related ordinance violation in September 2011. This site most recently operated as Kareena's from August 2013 to December 2016. There were 48 police calls for service and 22 Peoria Police reports filed during those dates. One of those calls for service included a shooting that occurred in front of Kareena's on September 28, 2016. There were no alcohol related ordinance violations under Kareena's ownership.

A previous site application request for this location by a different applicant was heard on August 6, 2018 and again on December 3, 2018 by the City of Peoria Liquor Commission. At the first meeting in August the liquor commission voted 3-0 to deny site approval and at the December meeting the liquor commission voted 4-1 to approve site for 1801 SW Adams Street. During these previous liquor commission meetings, Mr. Pierre Serafin, owner of UFS, was present and voiced strong opposition against granting site approval for this location. Officer Slavens again spoke with Mr. Serafin regarding this site application, who is again adamantly opposed to this site re-opening. Mr. Serafin has expressed frustrations with the last two previous tavern owners regarding litter, vandalism, numerous police calls for service and bar patrons illegally parking in UFS' parking lots. Mr. Serafin made mention of the numerous other taverns all nearby this site and believes adding another tavern would not be beneficial for the economic growth of this area of town or the vitality of the nearby residential neighborhood. Mr. Serafin still has strong concerns regarding the shooting that occurred in front of Kareena's on September 28, 2016 (PPD Report #16-21460) and the negative publicity that incident possibly had with the public's perception of, and the overall welfare of, this commercial area of town.

Historically, liquor establishments have led to an increase in crime, traffic, noise, litter and similar quality of life issues resulting in the general overall decline of a neighborhood.

Officer Slavens also spoke with Mr. Craig Martin, owner of Donelson Corporation at 1723 SW Adams Street. The Donelson Corporation is directly across Edmund Street (approximately 84 feet) to this proposed site. Mr. Donelson again informed Officer Slavens that when this proposed site was operating as a tavern his business had constant issues with litter on his property and his building being vandalized. Mr. Martin again expressed his opposition to Officer Slavens regarding this site approval application and this site re-opening,

The Peoria Police Department believes based on the recent objections to these site applications that a proposed tavern at this location could be detrimental to nearby businesses and the surrounding neighborhood. The City of Peoria Liquor Code section 3-92, Suitability of Site, states in paragraph B the following:

- (1) That the establishment, maintenance, location or operation of the proposed site will not be detrimental to or endanger the public health, safety, morals, comfort or general welfare of the city.
- (3) That the proposed site and use, when considered separately or in conjunction with other licensed liquor establishments, will not be injurious to the use and enjoyment of other property in the vicinity, including residences, schools, hospitals, places of worship and other businesses.
- (7) That the proposed site will not be injurious to the uses and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values with the neighborhood in which it is to be located.

Finally, site approvals are location specific and not owner specific, the applicant owns and operates a popular licensed restaurant in town and by all accounts appears to comply with all city ordinances and state statues. The documentation that Mr. Serafin provided to the police department, this liquor commission and having Officer Slavens speak to those that live and work in the immediate area of this proposed site during the processing of these three site applications, the Peoria Police Department does not believe there is an economic need, nor a desire from nearby business owners and residents for another tavern in this area of town, as there are five other taverns, all within ½ mile radius from this proposed site.

The Peoria Police Department recommends **denial** of this site application.

Sincerely,

Loren Marion III  
Chief of Police

Attn: Liquor Commission Members:

We, the petitioners, are and have always been opposed to the site approval (Class A Liquor License) at 1801 SW Adams. The petitioners are stake holders in one of the poorest communities in Illinois. We represent the churches, neighbors, social agencies and businesses and many of us employ people from our community and provide revenue which supports all of Peoria.

Should this be approved, NO! At least this was the commission's opinion in August of 2018 along with the Peoria Police Department which recommended to deny the site approval. These are the very people who understand what it takes to secure safe neighborhoods and communities.

Our request for denial is based on where we are located. Our reputation as a Southside community has always suffered from a reputation to beware of. The recent shooting less than a mile and a quarter away just reinforces additional reasons to stay clear of this area. At the present there are 6 taverns within 1 mile of this location. Does the Southside really need a 7<sup>th</sup>? Historically, the bars operated at 1801 SW Adams have resulted in increased litter, theft, vandalism & negative press which hurts our community.

We who are part of this community continue to work hard to change this image and when one negative thing occurs it truly impacts this community.

We hope the city of Peoria and this commission will recognize the need to bring businesses which enhance our community, create jobs and foster a positive image of the Peoria Southside south of McArthur Avenue.

UFS OPPOSITION TO  
LIQUOR LICENSE APPLICATION  
1801 SW ADAMS ST

UFS is located in an older part of Peoria which over the last 50 years has had a reputation for crimes and a dangerous place to visit. UFS has helped to curb those feelings by the public through the standards we employ in running our business. Any negative press - shootings, (i.e. 9/23 Peoria woman shot & killed less than 1 ½ miles from UFS) assault, battery, etc. - directly impacts the South Side business community, their employees and their reputation which results in reduced revenue for the City of Peoria. I ask - is it worth it to OK a liquor license for 1801 SW Adams which history has shown results in problems for this community as well as for UFS?

UFS has always strived to be a good partner and neighbor in this community for over the last 50 years. We believe it's time for the city to enhance the environment of this neighborhood and make the right decision to preserve its integrity.

**REASONS FOR DENIAL OF APPLICATION:**

- ✓ 8 off street parking spaces which will not accommodate large crowds
- ✓ Vandalism
- ✓ Excessive litter
- ✓ Theft
- ✓ Negative press incites fear of the area which results in reduction of sales & sales tax
- ✓ Peoria Police Department recommendation for denial
- ✓ 2<sup>nd</sup> poorest zip code in Illinois

1. 1801 SW Adams – location directly across from UFS 1800 SW Adams
2. History of the location – bar, nightclub, 2am license
3. UFS – 1800 SW Adams:
  - Part of Peoria for 75 years
  - Employs over 55 individuals
  - Generates approximately \$1,000,000/yr. in sales tax
  - Payroll & benefits go back into Peoria economy – over \$2,000,000/yr.
  - Charitable donations approximately \$50,000/yr.

Does it make sense to OK a liquor license for a location which will generate minimal benefits to the City of Peoria while costing the city with policing & negatively impacting all the South Side businesses south of MacArthur Avenue???

# Community Matters - Protect Our Neighborhood

On behalf of the Southside community located in District #1, we are appealing for the denial of a 2am liquor license at the corner of 1801 SW Adams & Edmund Street. When examining the history of the location it has proven to be a nuisance with a history of violence which has impacted our neighborhood negatively. The Southside community is urging the City of Peoria to recognize the need to bring businesses which enhance our community, create jobs and create a positive image of the Southside.

# Community Matters - Protect Our Neighborhood

On behalf of the Southside community located in District #1, we are appealing for the denial of a 2am liquor license at the corner of 1801 SW Adams & Edmund Street. When examining the history of the location it has proven to be a nuisance with a history of violence which has impacted our neighborhood negatively. The Southside community is urging the City of Peoria to recognize the need to bring businesses which enhance our community, create jobs and create a positive image of the Southside.

Rumberger Holding Group LLC ("Rumberger's"), located at 500 Main street in downtown Peoria is currently seeking a Class A Liquor License site approval at 1801 SW Adams Street. Rumberger's has been family owned and operated since 2014, with two locations in the Peoria area. Our Bar & Grill is located on the corner of Main and Madison just one block from the Federal and Peoria County Courthouse. Rumberger's has operated in that location approaching 2 years without incident or any act of violence that would negatively impact the downtown Peoria area. Our mission is to provide a consistent atmosphere where people can enjoy good food and drinks with family and friends.

A part of our mission is to bring opportunity and employment to the Peoria community and this location fits into that mold. We have responsible and diligent staff ready to work at this location, and to prevent this opening would only serve to eliminate job opportunities.

We understand that a community member is apprehensive due to issues with previous owners. However, Rumberger's, as a locally owned family business, has a personal stake in the health of the Peoria community, and will ensure that our business continues to provide a safe and family-oriented place for members of this community that have supported us for years.
