Preference on which commission you would like to serve:

My preference on commissions would be the Downtown Advisory Commission, Construction Commission, or The Urban Forestry Advisory Commission.

Community volunteer experience:

Within the City of Peoria I have not had any community volunteer experience However outside of Peoria in my career I have been fortunate to have interacted and partnered with many municipalities across the country developing large scale Data Center Campuses.

Have you previously served on a City commission? If yes, state commission and date of service: I have not previously served on a City commission.

Professional and employment background:

My professional background has been as a consultant/developer in the high tech sector. My main focus has been developing hyper-scale data center buildings and campuses for large companies such as Google, Facebook, Microsoft, and Amazon. I am currently the director of development at QTS Data Centers which owns and operates Data Centers in the US and EU.

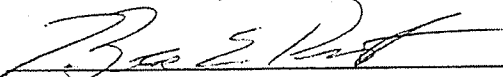

Educational background:

My Educational background is a high school diploma from Conejo Valley High School in Thousand Oaks, CA. In addition I obtained an Associates Degree from The University of Phoenix.

State briefly why you wish to be considered for a City volunteer commission and what you would hope to accomplish if appointed:

As a resident of The City of Peoria I would like to represent my fellow neighbors by volunteering for commissions that fit my professional experience. I believe my professional experience working with many municipalities across the US could bring a perspective that would benefit the commissions in which I might be chosen to serve on.

Would your service on a City commission be a conflict of interest for you? No.

**City of Peoria  
Committee Volunteer Interest  
Sheet**

Committed volunteers play an important part in shaping Peoria's future. Committee members assist the City Council and Administration in developing policies and services which reflect the needs and values of the entire Peoria community. As a member of a City committee, you serve as a respected community advisor to the City Council and Administration.

While volunteer involvement requires time and effort, it also provides an opportunity for genuine public service. In addition, you gain knowledge about the role of City Government and its day-to-day operations.
