

**REDEVELOPMENT AGREEMENT**

This REDEVELOPMENT AGREEMENT (“Agreement”) between **THE CITY OF PEORIA** (“City”), a municipal corporation, and **1009 Washington LLC** (“Redeveloper”), an Illinois limited liability company, is entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2018.

**RECITALS**

WHEREAS, the City has adopted a redevelopment project area known as the Warehouse District Redevelopment Project Area (the "Redevelopment Project Area") also referred to herein as “The TIF District” in the City, pursuant to 65 ILCS 5/11-74.4-1, *et seq.* of the Illinois Compiled Statutes, the "Tax Increment Allocation Redevelopment Act" (hereinafter referred to as the "Act"); and

WHEREAS, pursuant to the provisions of the Act, the City has adopted the Warehouse District Tax Increment Redevelopment Plan (hereinafter referred to as the "Redevelopment Plan") pertaining to the redevelopment of the Redevelopment Project Area, a copy of which is available for inspection in the office of the City Clerk of the City; and

WHEREAS, the Redeveloper, consistent with the objectives of the Redevelopment Plan, intends to undertake a project as described on **Schedule 1** attached hereto and incorporated herein (the "Project") on a parcel of real estate within the TIF District which parcel is described on **Schedule 2** attached hereto and incorporated herein ("Project Site"); and

WHEREAS, the City, after due and careful consideration, has concluded that the redevelopment of the Project Site will help to arrest the economic and physical decline of the Redevelopment Project Area, and to promote a policy of stabilization and revitalization not only in the Redevelopment Project Area, but also in the surrounding area of the City; and

WHEREAS, to support the Redeveloper’s construction and operation of the Project, the City is willing to provide the Redeveloper the incentives set forth in this Agreement; and

WHEREAS, the City has found that without the assistance of the City as set forth in this Agreement, the Redeveloper would not proceed with the Project; and

NOW THEREFORE, in consideration of the premises and mutual obligations of the parties hereto, each of them does hereby covenant and agree as follows:

**ARTICLE I: DESCRIPTION OF THE PROJECT**

1.1 The Project. The Project shall be developed as described on **Schedule 1**.

1.2 The Estimated Cost of Project. The Estimated Cost of the Project is set forth on **Schedule 1** attached hereto and incorporated herein ("Estimated Project Cost").

## ARTICLE II: CONSTRUCTION OF THE PROJECT

2.1 Submission and Approval of Plans. The Redeveloper shall submit to the City plans and specifications for the Project, including but not limited to a site plan (all the foregoing plans and specifications shall be referred to as "Plans" herein) within 120 days after the date of this Agreement. The City shall review the Plans for the purpose of determining compliance with the Redevelopment Plan, this Agreement, and all applicable laws, statutes, ordinances, rules and regulations. It is understood that in the event that the Plans do not so comply, the Redeveloper shall amend the Plans, prior to proceeding further with the Project, all in accordance with the provisions of this Section 2.1.

The City's approval or disapproval of the Plans must be made in writing and, if disapproved, shall set forth the reasons for such disapproval. If the City does not approve or disapprove said documents within thirty (30) days after receipt, they shall be deemed approved. If disapproved, the Redeveloper shall, within thirty (30) days from the date of disapproval, resubmit revised Plans which the City shall review within twenty-one (21) days. This process shall repeat until the Plans are approved by the City. The City will not unreasonably withhold its approval. In reviewing the Plans, the City will take into account the normal and customary costs of developing and constructing projects of this type. Any request for a change from the Plans by the City shall not cause an unreasonable increase in the costs of the Project.

### 2.2 Commencement and Completion Requirements.

2.2.1 Commencement. The Redeveloper shall commence construction of the Project not later than 120 days after the approval of the Plans as set forth in Section 2.1 above.

2.2.2 Completion of the Project. The Redeveloper shall complete construction of Project not later than one (1) year after approval of the Plans as set forth in Section 2.1 above. For the purpose of this Section 2.2, "completion of construction" means the complete construction of the Project, except for minor and ancillary alterations or additional work, so as to make of the Project eligible for a certificate of occupancy.

2.3 Quality of Construction and Conformance to Federal, State and Local Requirements. All work with respect to the Project and any other structures of buildings on the Project Site (the "Works") shall conform to this Agreement, the City's zoning code, building code and all applicable federal, state and local laws, regulations and ordinances including, but not limited to, environmental codes and life safety codes. Failure to conform to these codes and laws, including failure to obtain proper permits, will nullify the City's obligation under this Agreement. The Redeveloper shall cause the construction of the Works to be commenced and to be prosecuted with due diligence and in good faith in accordance with the terms of this Agreement, and shall cause the Works to be constructed in a good and workmanlike manner in accordance with Schedule 1.

2.4 Coordination with the City. Prior to the beginning of construction, the Redeveloper shall meet with the City's Site Plan Review Board (SPRB) to review the project and gain an understanding of any applicable regulations. The Redeveloper will coordinate with appropriate City staff throughout the project to ensure all zoning, building, and fire codes are met. The Redeveloper agrees to obtain building permits for any work that requires them.

2.5 Utilities. All arrangements for utilities must be made by the Redeveloper with the applicable utility company. The City makes no representations whatsoever with respect to the adequacy or availability of utilities with respect to the Project or Project Site.

2.6 Insurance.

2.6.1 Liability Insurance Prior to Completion. Prior to commencement of construction of the Project, the Redeveloper or the Redeveloper's contractor shall procure and deliver to the City, at the Redeveloper's or such contractor's cost and expense, and shall maintain in full force and effect until each and every obligation of Redeveloper contained herein has been fully paid, or performed, a policy or policies of comprehensive liability insurance and during any period of construction, contractor's liability insurance, structural work act insurance and workmen's compensation insurance, with liability coverage under the comprehensive liability insurance to be not less than One Million Dollars (\$1,000,000) each occurrence and Five Million Dollars (\$5,000,000) total, all such policies to be in such form and issued by such companies as shall be acceptable by City to protect City and Redeveloper against any liability incidental to the use of or resulting from any accident occurring in or about the Project or the improvements or the construction and improvement thereof. Each such policy shall name the City as an additional insured and shall contain an affirmative statement by the issuer that it will give written notice to the City at least thirty (30) days prior to any cancellation or amendment of its policy.

2.6.2 Builder's Risk Prior to Completion. Prior to completion of the construction of the Project as certified by the City, the Redeveloper shall keep in force at all times builder's completed value risk insurance, in non-reporting form, against all risks of physical loss, including collapse, covering the total value of work performed and equipment, supplies and materials furnished for the Project. Such insurance policies shall be issued by companies satisfactory to the City and shall name the City as a coinsured. All such policies shall contain a provision that the same will not be cancelled or modified without prior 30-day written notice to the City.

2.7 Rights of Inspection: Agency. During construction of the Project, the City or its designee shall have the right at any time and from time to time to enter upon the Project for the purposes of inspection. Inspection by the City of the Project shall not be construed as a representation by the City that there has been compliance with the Plans or that the Project will be or is free of faulty materials or workmanship, or a waiver of any right, the City or any other party may have against the Redeveloper or any other party for noncompliance with the Plans or the terms of this Agreement.

### **ARTICLE III: REPRESENTATIONS OF THE REDEVELOPER**

3.6 Conformance with Requirements. The Redeveloper represents and warrants that the construction of the Project in accordance with Schedule 1 will in all respects conform to and comply with all covenants, conditions, restrictions, zoning ordinances, environmental regulations and land use regulations affecting the Project Site, and that any business conducted on the Project Site will conform and comply with said land use regulations, including but not limited to zoning ordinances.

any exemption from the imposition of general real estate taxes on the Project or Project Site, or any portion thereof, without first obtaining prior written approval of the City. Nothing herein shall be construed so as to prevent the Redeveloper from otherwise contesting the assessment or collection of any taxes under statutory procedures set forth in the Illinois Revised Statutes, provided that the Redeveloper gives the City fifteen (15) days prior written notice of its intent to contest the assessment or collection of taxes. In the event that said real estate taxes are not paid within thirty (30) days of the date said taxes are due, the City may, at its option, pay said taxes. Any amounts paid by the City shall immediately become due from the Redeveloper, together with interest at the rate of 12% per annum. As of the date of such payment, the City shall have a lien against the Project for all amounts paid together with interest and all expenses incurred in the recovery of said amounts.

So long as the Redeveloper or its successors or assignees maintain a direct ownership interest in the Project or Project Site or any part thereof (excluding, for example, a direct interest therein solely as a creditor or mortgagee), the Redeveloper and its successors and assignees agree to indemnify and save the City and its officers and employees harmless against all claims by or on behalf of any person or persons, business, firm, partnership, limited liability company or corporation arising from (i) the Redeveloper's or its successors or assignees operation or management of the Project, or from any work or thing done by the Redeveloper or its successors or assignees on the Project Site, or any work or activity of the Redeveloper or its successors or assignees connected to the construction of the Project; (ii) any breach or default on the part of the Redeveloper or its successors or assignees in the performance of any of its obligations under or in respect of this Agreement; (iii) any act of negligence of the Redeveloper or its successors, assignees or any of its agents, contractors, servants or employees; (iv) any violation by the Redeveloper or its successors or assignees of any easements, conditions, restrictions, building regulations, zoning ordinances, environmental regulations or land use regulations affecting the Project Site or the Project; or (v) any violation by the Redeveloper or its successors or assignees of state or federal securities law in connection with the offer and sale of interests in the Redeveloper his successors, assignees, its affiliates or any part of the Project. The Redeveloper and its successors and assignees agree to indemnify and save the City harmless from and against all costs and expenses incurred in or in connection with any such claim arising as aforesaid or in connection with any action or proceeding brought thereon. In case any such claim shall be made or action brought based upon any such claim in respect of which indemnity may be sought against the Redeveloper or its successors or assignees upon receipt of notice in writing from the City setting forth the particulars of such claim or action, the Redeveloper and its successors and assignees shall assume the defense thereof including the employment of counsel and the payment of all costs and expenses. The City shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the City. It is agreed and understood that the aforesaid indemnities in this Article VII shall be binding on the Redeveloper and its successors and assignees only for such period as the Redeveloper and its successors and assignees maintain a direct ownership interest in the Project or

Project Site or part thereof (excluding, for example, a direct interest therein solely as a creditor or mortgagee), and only with respect to such direct ownership interest in the Project or Project Site or part thereof.

## **ARTICLE VIII: PROHIBITIONS AGAINST ASSIGNMENT AND TRANSFER**

8.1 Prohibition Against Transfer Prior to Completion. The Redeveloper shall not transfer the Project Site prior to completion of construction of the Project.

8.2 Transfer of Project and Project Site After Opening of the Project. After completion of construction of the Project and opening to the public of the Project, the Redeveloper (and any subsequent owner of the Project or Project Site or any part thereof) may transfer the Project or Project Site (or any portion thereof) without the consent of the City; provided that any proposed transferee, by instrument in writing reasonably satisfactory to the City and in a form recordable among the land records, shall expressly assume all of the obligations of the Redeveloper under this Agreement and agree to be subject to all the conditions and restrictions to which the Redeveloper is subject (or, in the event that the transfer is of or relates to part of the Project, such obligations, conditions and restrictions to the extent that they relate to so such part). The fact that any transferee of, or any other successor in interest whatsoever to, the Project, or any part thereof, shall not have assumed such obligations or so agreed, shall not (unless and only to the extent otherwise specifically provided in the Agreement or agreed to in writing by the City) relieve or except such transferee or successor of or from such obligations, agreements, conditions, or restrictions, or deprive or limit the City of or with respect to any rights or remedies or controls with respect to the Project or the construction thereof; it being the intent of this, together with other provisions of this Agreement, that (to the fullest extent permitted by law and equity and excepting only in the manner and to the extent specifically provided otherwise in this Agreement) no transfer of the Project or Project Site or any part thereof, or any interest therein, however consummated or occurring, and whether voluntary or involuntary, shall operate legally or practically, to deprive or limit the City, of any rights or remedies or controls regarding the Project and the construction thereof that the City would have had, had there been no such transfer.

8.3 Status of Assignee. Any assignee of the Redeveloper under the provisions hereof shall be considered the "Redeveloper" for all purposes of this Agreement.

8.4 No Release of Redeveloper. Any consent by the City to any total or partial transfer of the Project or the Project Site shall not be deemed a release of the Redeveloper from any of its obligations hereunder, or from any conditions or restrictions to which the Redeveloper is subject, unless the Redeveloper is expressly released in writing by the City.

## **ARTICLE IX: DEFAULT AND REMEDIES**

9.1 Events of Default. The following shall be events of default ("Events of Default") with respect to this Agreement:

9.1.1 If any material representation made by the Redeveloper or City in this Agreement, or in any certificate, notice, demand or request made by the Redeveloper or City, in writing and delivered to the other party pursuant to or in connection with any of said

documents shall prove to be untrue or incorrect in any material respect as of the date made;  
or

9.1.2 Breach by the Redeveloper or City of any material covenant, warranty or obligation set forth in this Agreement.

9.2 Remedies of Default or Bankruptcy or Dissolution. In the case of an Event of Default or bankruptcy or dissolution by either party hereto or any successors to such party, such party or successor shall, upon written notice from the other party, take immediate action to cure or remedy such Event of Default or bankruptcy or dissolution within thirty (30) days after receipt of such notice. If, in such case action is not taken, or not diligently pursued, or the Event of Default or bankruptcy or dissolution shall not be cured or remedied within a reasonable time, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such default or bankruptcy or dissolution, including but not limited to, proceedings to compel specific performance by the party in default of its obligations, and may pursue any and all other remedies available under the laws of the State of Illinois.

In case the City or Redeveloper shall have proceeded to enforce its rights under this Agreement and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the party initiating such proceedings, then and in every such case the Redeveloper and the City shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Redeveloper and the City shall continue as though no such proceedings had been taken.

9.3 Other Rights and Remedies of City and Redeveloper: Delay in Performance Waiver.

9.3.1 No Waiver by Delay. Any delay by the City or the Redeveloper in instituting or prosecuting any actions or proceedings or otherwise asserting their rights under this Agreement shall not operate to act as a waiver of such rights or to deprive them of or limit such rights in any way (it being the intent of this provision that the City or Redeveloper should not be constrained so as to avoid the risk of being deprived of or limited in the exercise of the remedies provided in this Agreement because of concepts of waiver, laches or otherwise); nor shall any waiver in fact made by the City or Redeveloper with respect to any specific Event of Default by the Redeveloper or City under this Agreement be considered or treated as a waiver of the rights of the City or Redeveloper under this Section or with respect to any Event of Default under any section in this Agreement or with respect to the particular Event of Default, except to the extent specifically waived in writing by the City or Redeveloper.

9.3.2 Rights and Remedies Cumulative. The rights and remedies of the parties to this Agreement (or their successors in interest) whether provided by law or by this Agreement, shall be cumulative, and the exercise by either party of any one or more of such remedies shall not preclude the exercise by it, at the time or different times, of any other such remedies for the same Event of Default by the other party. No waiver made by either such party with respect to the performance, nor the manner of time thereof, or any obligation of the other party or any condition to its own obligation under the Agreement shall be considered a waiver of any rights of the party making the waiver with respect to the particular obligation of the other party or condition to its own obligation beyond those

expressly waived in writing and to the extent thereof, or a waiver in any respect in regard to any other rights of the party making the waiver or any other obligations of the other party.

9.3.3 Delay in Performance. For the purposes of any of the provisions of this Agreement except with regard to payment of real estate taxes as provided herein, neither the City, nor the Redeveloper, as the case may be, nor any successor in interest, shall be considered in breach of, or in default of, its obligations with respect to the acquisition or preparation of the Project Site for Redevelopment, or the beginning and completion of construction of the Project, or progress in respect thereto, in the event of enforced delay in the performance of such obligation due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to acts of God, acts of the public enemy, acts of federal, state or local government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, acts of nature, unusually severe weather or delays of subcontractors due to such causes; it being the purposes and intent of this provision that in the event of the occurrence of any such enforced delay, the time or times for performance of the obligations of the City or Redeveloper with respect to the acquisition or construction of the Project shall be extended for the period of the enforced delay. Provided, that the party seeking the benefit of the provisions of this Section, shall within thirty (30) days after the beginning of any such enforced delay, have first notified the other party thereof in writing, of the cause or causes thereof, and requested an extension of the period of enforced delay. Such extensions of schedule shall be agreed to in writing by the parties hereto.

**SCHEDULE 8****MEMORANDUM OF UNDERSTANDING ON PARKING LOT & SIDEWALK WORK**

This Schedule is made and entered into as of the \_\_\_\_\_ day of \_\_\_\_\_, 2018, by and between THE CITY OF PEORIA (“CITY”), a municipal corporation, and 1009 WASHINGTON, LLC (“REDEVELOPER”), an Illinois limited liability company, and its provisions applicable in addition to, or in place of, as the case may be, provisions of the Redevelopment Agreement to which this document is a Schedule Addendum.

WHEREAS, PURPOSE OF THIS MEMORANDUM OF UNDERSTANDING. This Memorandum of Understanding is prepared for the purpose of outlining the multiple aspects of the agreement between City and Redeveloper for the development of sidewalks and parking lot around parcels 1809356013, 1809360001, 1809356007, 1809356001, 1809356012, and 1809356006 which is outlined in green below and for the purpose of this Schedule 8 to be referred to as the Subject Property (“Subject Property”).

WHEREAS, the City and Redeveloper are working together on a solution for the Subject Property to provide a green solution to the parking lot and sidewalks which for purposes of this Schedule 8 will be referred to as the Project Scope (“Project Scope”). The full and complete details for the Project Scope solution are not defined at this point in time due to waiting on third party information, costs, etc.

WHEREAS, it is the Redeveloper’s intent to work with the City on a green solution for the Project Scope which will leverage the Combined Sewer Overflow Grant program funds and/or any other fund(s) the City may deem more appropriate for the Project Scope.

WHEREAS, it is the Redeveloper’s intent to work with the surrounding parcel owners to present a comprehensive design and approach for all to be included within. While it is the Redeveloper’s intent to work with the surrounding parcel owners, if the surrounding parcel owners do not wish to proceed, the Redeveloper and City will proceed to work together on a green solution for the Project Scope for their parcel #1809356013.

WHEREAS, the Redeveloper cannot wait to vote and pass our Redevelopment Agreement with City on the third party information, costs, etc. The Redeveloper has to move forward with the vote on the Redevelopment Agreement. Therefore, it is the understanding of the Redeveloper and the City to create this Schedule 8 as a placeholder for the approved solution agreement from the City and Redeveloper. If current discussions end with no agreement between the City and Redeveloper for the Project Scope as outlined in Schedule 8 or no agreement is reached by December 31<sup>st</sup>, 2018, then this Schedule 8 will be void, and the Redevelopment Agreement shall remain in full effect. The Redeveloper realizes that if no agreement is reached with the City on the Project Scope that the Redeveloper will have to construct the parking lot to current code standards and get approval permits and occupancy from the City.

WHEREAS, City & Redeveloper realize this Memo of Understanding (Schedule 8) outlines the multiple facets of the agreement. If one aspect of this agreement is determined invalid, the other conditions and aspects of the Memo of Understanding and associated contracts remains in full effect; and

IN WITNESS WHEREOF, the parties have set their hands this \_\_\_\_ day of \_\_\_\_\_, 2018. Through signing below parties agree they have full authorization to enter into a binding contract on behalf of the entity.
