Terms: Net 45 Days. Subject to change without notice.
Payment Receipt: Based on the invoice date and the day payment is actually received, not based on check date or postmark.
Discounts: Discounts apply to product price only based on FOB plant price. Freight costs and sales tax are not eligible for discounts
Account must be in good standing for applicable discounts to apply.
Delivery: 7 - 10 days standard lead time.
Freight: Prices are FOB Plant. Swarco will use every means possible to ensure lowest cost routing to ship product to the customer or jobsite location that best meets customer delivery requirements. Swarco uses contract haulers and we cannot always guarantee a specific delivery time; however we will do everything possible to meet customer requests.
Ship to Location & Freight Estimate:
 (Actual rates can vary based on fuel surcharges, shipments to jobsites, or locations other than stated in ship to location). These prices do NOT include any sales or other taxes. A 1.5% per month interest charge will be assessed on balances after the 70th day.
Orders will not be processed if invoices remain outstanding beyond 70 days.

We appreciate the opportunity to quote on our premium traffic marking products.
