A. Cover Letter

Law'n Order is the continuous youth program in the East Bluff community and throughout the City of Peoria. The work we have done through the community and the City of Peoria has increased our visibility in the neighborhood and throughout the City of Peoria. The youth doing positive things, the truck and the name alone are just examples of the visibility throughout the City. The number of youths the program has redirected from doing negative things to doing positive things have had a great impact in the neighborhoods. Since the program started it has had a GREAT impact in the lives of the youth. The program is education driven, doing well in school is a must. The youths being a part of this program their grades went from F's to A's & B'S, the behavior issues changed and so did the youths.

The Law'n Order Academy is a program designed in a very grass roots manner to reach children. The difficulty of finding employment in urban areas is well documented. Attempts to reach the parents and the youth are often strained by the nature of living in a challenged neighborhood. These are the times where positive programs solve real life concerns. We offer a successfully implemented way to provide an honest job, structured experience, workshops, education, savings for the future, field trips and events to give back to the neighborhoods. For some the most rewarding facts is building self-esteem and a change of lifestyle. Law'n Order is a life skilled program designed for the youth.

The involvement and support of this program would not have existed without the hard work, dedication and commitment of "RETIRED" Officer Hightower, Lueshand Nunn, the Youth and the City of Peoria for believing in the program and giving the youth an opportunity to prove themselves.

Sincerely,

Lueshand Nunn

B. Approach to the Project

The Law'n Order Academy at its basis is a program that gives jobs to youth that are in a critical phase in their development. The program will be providing 50 plus youths a job with an honest living. This program has a number of goals. We want to continue to be the avenue to get and keep the youth busy doing positive, fun things while earning an honest allowance. Keeping the youth busy & employed will continue to reduce the crime rate. We will recruit 50 plus youth for the program. The last couple of years the waiting list consisted of 172 plus youths waiting for a spot to open up.

Retired Officer Hightower is invested & committed to both the neighborhood, the youth & the City of Peoria. His involvement is apparent, effective & essential to the success of this youth program, not only will this program continue to allow us to reliably provide an essential service to the City of Peoria, but it affords us the ability to further invest in the youth and continue to be a part of beautifying the neighborhoods in which they live. With a RETIRED police officer being involved with the program the perception of the police with youth have changed.

The mornings start with a light breakfast, education, team meetings, specific projects for groups or individuals, equipment preparation and getting the youth to the work sites. Quality of work is checked throughout the day and at times redirection or additional work would be given to youth. The morning meetings gives the team a chance to evaluate the areas of concerns or where more concentrated efforts may be required. Concerns are addressed that are brought to us from our neighbors, city of Peoria or from the supervisors visiting job sites after the work is done on a lot. We also continue to stress safety and responsibility to the team but in a bigger sense to the neighborhood they live in. A huge component of the program is righting the wrong of the past and correct the behavior in the future. When the youth see the East Bluff & the City of Peoria looking better because of the work they are doing, they become part of the solution as opposed to being the problem.

Once a lot or lawn has been identified and routes established supervising team members will go and review the site. We want to make sure the proper equipment is on hand to do the required work. Law'n Order have over 500 Lawn mowers, 15 zero turn mowers, 20 basic riding mowers, 40 weed eaters, 30 blowers, 8 chain saws, tons of safety glasses, safety vest, uniforms, gloves, ear plugs, 4 trucks, 4 trailers, 1 box truck, a garage to repair any lawn mower and 50 plus youths that knows how to rebuild and repair a lawn mower.

We are in partnership with JIMAX. If the lots or youth required additional items or help, JIMAX is there to educate and help out the Law'n Order youth when needed.

Forgive the obvious pun about the grass root efforts but this program really is. We start with a child, a Lawn mower and the idea that personal accountability, positive work habits, connection to our community and making our youths right their wrongs that they may have been part of, builds character in the child.

C. Previous Experience

Law'n Order has experience with beautifying neighborhoods throughout the East Bluff & the City of Peoria. Since the Law'n Order started with mowing vacant lots for the City of Peoria, every year for the last 6 years we continue to maintain a client list of 250 plus residential/commercial properties that we maintain besides the City of Peoria vacant lots and the list continues to grow each year. The youths established these extra customers with the work that's been done throughout the City of Peoria.

The continued success of the Law'n Order program is the connection to the community. We want to continue to be visible in the community as an agent for change and the positive outcome for letting the youth and community drive the change.

Our challenge is to continue to grow the program so that more of the youths are served. Changing neighborhoods and creating a positive experience for more of the youth of the great City of Peoria.
