I. SCOPE OF SERVICE

A. Activities

Such program will include the following activities eligible under the Community Development Block Grant program:

Program Delivery

This project will aid low income persons who face barriers to work that may be resolved with legal services. These barriers include, but are not limited to, the following: licensing and credit issues, child care accommodations, transportation, housing or healthcare issues, domestic violence, and most frequently, barriers related to past criminal records. Illinois law changed in 2017 and now offers many more persons the opportunity to expunge or seal criminal records and/or obtain special waivers to work in the health care profession. Eligible applicants seeking services related to criminal records are instructed in how to obtain a copy of their records. Once records are obtained, staff must review and chart these records in order to assess the legal options available. For those persons eligible for legal relief, the process takes about 4 months.

If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both Grantee and Subrecipient.

H. Suspension or Termination

In accordance with 2 CFR 200.338-9, the Grantee may suspend or terminate this Agreement if the Subrecipient materially fails to comply with any terms of this Agreement, which include (but are not limited to) the following:
