

**AN ORDINANCE AMENDING CHAPTER 3 OF THE CODE OF THE CITY OF PEORIA
PERTAINING TO ALCOHOLIC BEVERAGES**

WHEREAS, the City of Peoria, Illinois is a home rule municipality pursuant to Article VII, Section 6 of the Illinois Constitution of 1970; and

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Peoria, Illinois as follows:

Section 1. There shall be added to the Code of the City of Peoria the following underlined words and deleting the following stricken words in Article II of Chapter 3 of the Code of the City of Peoria pertaining Alcoholic Beverages:

Article II. Retail Licenses

• **Sec. 3-52. - Classes.**

Licensee to sell alcoholic liquor at retail are hereby divided into classes as follows:

- (1) *Class A.* Class "A" licenses shall authorize the retail sale of alcoholic liquors on the premises of any tavern for consumption on the premises, as well as other retail sales of such liquor. The annual fee for such licenses shall be ~~\$840.00~~ \$1,100.00

- (2) *Class B.* Class "B" licenses shall authorize the retail sale of alcoholic liquors on the premises in any restaurant which complies with the requirement that 50 percent or more of the gross revenue in any month from the operation of the licensed premises must be derived from the serving of meals, for consumption on the premises, as well as, other retail sales of such liquor. The annual fee for such licenses shall be ~~\$1,000.00.~~ \$1,300.00.

- (2.1) *Class B-1.* Class "B-1" licenses shall authorize the retail sale of alcoholic liquors on the premises in any restaurant that does not qualify for a Class B license for consumption on the premises, but which complies with the requirement that 25 percent or more of the gross revenue must regularly be from the serving of meals as well as, other retail sales of such liquor. The annual fee for such licenses shall be ~~\$1,000.00.~~ \$1,300.00.

- (3) *Class C.* Class "C" (grocery) licenses shall authorize the retail sale of alcoholic liquors in packages and not for consumption of the premises where sold for a grocery store or a grocery store where a gasoline station is attached as a secondary business operation and has no less than 75 percent of its total

public selling space devoted to items listed in the definition of a grocery store as defined under [section 3-1](#) of the Code and no more than 25 percent of the gross revenue in any month from the operation of the establishment be from the retail sale of alcoholic liquors. The Class C grocery store requirement shall not apply to a Class C retail liquor license establishment which has been site approved prior to March 1, 2013 as long as there is no lapse of such site approval as prescribed under [section 3-97](#). An establishment with a site approval for a Class C-2 retail liquor license approved prior to March 1, 2013 shall be deemed to be site approved for the same class as a Class C retail liquor license as long as there is no lapse of such site approval as prescribed under [section 3-97](#). This license shall authorize the licensee to conduct unlimited product tasting of wine, distilled spirits or beer on the licensed establishment as authorized by this Code without obtaining a subclass 6 supplemental license. The annual fee for such license shall be ~~\$2,450.00.~~ \$3,000.00

(3.1) *Class C-1.* Class "C-1" licenses shall authorize the retail sale of alcoholic liquors in packages and not for consumption on the premises where sold and shall be the default license for any packaged liquor establishment which does not meet the definition of a grocery store as defined under [section 3-1](#) of the Code. (3.2) *Class C-G.* Class "C-G" licenses shall authorize the retail sale of alcoholic liquors in packages and not for consumption on the premises where sold in conjunction with the operation of a gasoline station. In order to qualify for this license, the applicable premises must be under 10,000 square feet and kept, used, maintained, advertised and held up to the public as a place where at least five of the following seven categories of products can be purchased at retail: dairy products, baked goods, frozen foods, groceries, snack foods, health and beauty aids, and where a maximum of 15 percent of the total public selling space is devoted to the display of alcoholic beverages offered for sale.

For purposes of this section, a gasoline station is defined as an establishment where motor fuel is sold or offered for sale from approved pumps, whether through an attendant or by self-service. Motor fuel, as used herein, shall include all volatile and inflammable liquids which are produced, blended or compounded, or which are suitable or practicable for operating motor vehicles.

Class C-G licenses shall further be limited to beer and wine only. In order to prevent the sale of single servings of beer and wine in Class C-G licensed establishments, Class C-G licensed establishments are hereby prohibited from making sales of less than 750 milliliters (approximately 25.35 ounces) of a beer or wine beverage.

An establishment with a site approval for a Class C-4 or Class C-5 retail liquor license approved prior to March 1, 2013 shall be deemed to be site approved for the same class as a Class C-G retail liquor license as long as there is no lapse of

such site approval as prescribed under [section 3-97](#). The annual fee for such Class C-G license shall be ~~\$1,650.00~~. \$2,000.00.

- (4) *Class D.* Class "D" licenses shall authorize the retail sale of alcoholic liquors on the premises in any hotel for consumption on the premises, when such retail sale is made by the same person who operates the hotel. The annual fee for such licenses shall be ~~\$1,000.00~~ \$1,300.00 for each permanent location or place under the same roof in which the hotel shall be located; provided, that nothing contained in this article shall be so construed as to prevent any hotel operator, licensed under the provisions of this article, from serving alcoholic liquors to registered guests in any room, designed for temporary and permanent habitation with sleeping accommodation and bathing amenities, if such liquor so served shall be kept in and served from a licensed location, place or premises in the hotel.
- (5) *Class E.* Class "E" licenses shall authorize the retail sale on the premises of alcoholic liquors in any club for consumption on the premises. The yearly fee for such licenses shall be the sum of ~~\$425.00~~ \$500.00 for all clubs with a membership of 200 or less. For the purposes of this section, the term "membership" shall include any and all persons who are entitled to use the club facilities.
- (5.1) *Class E-1.* Class "E-1" licenses shall authorize the retail sale on the premises of alcoholic liquors in any club for consumption on the premises. The yearly fee for such licenses shall be the sum of ~~\$840.00~~ \$1,000.00 for all clubs with a membership more than 200. For the purposes of this section, the term "membership" shall include any and all persons who are entitled to use the club facilities.
- (6) *Class F.* Class "F" licenses shall authorize the retail sale for consumption on the premises of alcoholic liquors in any non-residential location within a structure for a period of 15 days or less as determined by the local liquor commissioner. No person shall have temporary license or combination of temporary licenses under this subsection for a total of more than 15 days in any 12-month period. This license shall only apply to catered functions or special events. The fee for such license shall be \$150.00 for a one-day period, \$200.00 for a two-day period, \$250.00 for a three-day period, \$300.00 for a four-day period, and \$350.00 for a five-day period the license is to be used. For the purposes of determining license fees, class "F" and class "H" approved events shall be considered the same class of events as long as the respective requirements are met, the events are held in the adjoining areas, and the event days are held consecutively, but not more than the maximum allowed period for either class. The period of such license shall not exceed five days. A class "F" license may be issued without compliance with [section 3-92](#); provided that such a license shall only be issued to civic, patriotic, fraternal, educational, religious or benevolent organizations which have been in active and continuous existence for at least nine months prior to the making of such application and which in good faith have maintained a membership role during

such nine-month period, or any such organizations which have been incorporated under state law; except that any person who, prior to January 1, 1987, had for not less than two consecutive years obtained a temporary liquor license pursuant to [section 3-53](#) of this Code and utilized such license on the grounds of Exposition Gardens, or a successor corporation organized for the purpose of continuing the regularly scheduled annual event and in which that person maintains not less than 50 percent ownership and control, may continue to be granted a license for such regularly scheduled annual event on the grounds of Exposition Gardens, as long as there shall not occur a lapse of longer than 24 months between the holding of such regular events. Applicants for a class "F" license shall submit proof of adequate dram shop insurance as required by the Illinois Liquor Control Act of 1934, as it is now or may hereafter be amended, prior to being issued such license. All such persons or organizations shall apply for a class "F" license at least four weeks prior to the date(s) desired. The local liquor control commissioner, however, may waive the four-week filing requirement should he find that sufficient time remains prior to the event for the city and the state to process the application.

- (7) *Class G.* Class "G-A" licenses shall authorize the retail sale of beer and wine only and for on-site consumption of any tavern, "G-B" licenses for the retail sale of beer and wine only and for on-site consumption of any restaurant, or "G-C" licenses for the retail sale of beer and fine wine only on the premises of any gift or flower shop with no on-site consumption and no more than 15 percent of the gross revenue in any month from the operation of the establishment be from the retail sale of beer and wine. The annual fee for such licenses shall be ~~\$840.00.~~ \$1,100.00.
- (8) *Class H.* Class "H" licenses shall authorize the retail sale of alcoholic liquor in an outdoor, nonresidential location as part of a public event which has been approved by the city council, provided, however, that in the case of an annual event which has been approved and held in each of the preceding two years, the approval may be given by the local liquor commissioner. The period of such license shall not exceed five days. No person shall be issued any temporary license or combination of temporary licenses under this subsection for a total of more than 15 days in any 12-month period. No more than a total of eight class "H" and class "L" liquor licenses will be granted for Friday night use on city-owned property in any calendar year. Issuance of a class "H" and class "L" liquor license for use on city-owned property is contingent upon issuance of a permit for the event and site pursuant to [Chapter 21](#) of the City Code. Class "H" licenses shall only be issued to civic, patriotic, fraternal, educational, religious or benevolent organizations which have been in active and continuous existence for at least nine months prior to the public event and which in good faith have maintained a membership role during such nine-month period, or any such organizations which have been incorporated under state law. The fee for such license shall be \$150.00 for a one-day period, \$200.00 for a two-day period, \$250.00 for a three-day period, \$300.00 for a four-day period, and \$350.00 for a five-day period the license is to be used. For the purposes of determining license fees, class "F" and class "H" approved events shall be considered the same class of events as long as the respective requirements are met, the events are held in the adjoining areas, and the

event days are held consecutively, but not more than the maximum allowed period for either class. Applicants for a class "H" license shall submit proof of adequate dram shop insurance as required by the Illinois Liquor Control Act of 1934, as it is now or may hereafter be amended, prior to being issued such license. All applications for a class "H" license shall be filed at least four weeks prior to the event. The local liquor commissioner, however, may waive the four-week filing requirement should he find that sufficient time remains prior to the event for the city and state to process the application. In addition to the regulations imposed upon other licenses in this article, a class "H" license shall be subject to the following:

- a. To protect public order, all licensees shall either provide security guards or have a telephone at the bar or serving structure where alcoholic liquor is dispensed. The city police department will not provide security guards to licensees.
- b. To protect persons serving the alcoholic liquor, all licensees shall provide a reasonably substantial structure across which the alcoholic liquor shall be served.
- c. Consumption of alcoholic liquor shall be restricted to a confined area which may be all or an appropriate part of the grounds on which the event is conducted. The licensee shall designate in his application the area in which alcoholic liquor will be consumed and the means to be used to confine the area. This supplemental license will allow the use of up to ten temporary locations for which the annual fee shall be ~~\$425.00~~ \$450.00. Additional temporary locations may be approved for an annual fee of \$45.00 per temporary location.
- (10) *Subclass (8).* A supplemental license may be obtained by an licensee currently holding a valid Class "A", "B", "B-1", "D", "E", "E-1", "G", "I", or "K" license issued under this chapter, authorizing the retail sale of alcoholic beverages for consumption on the premises as an incidental part of a food service that serves prepared meals which excludes the serving of snacks as the primary meal at private functions which are held on-sites previously approved by the city council for the sale of alcohol, whether licensed or unlicensed, in public buildings or public areas, which are owned or operated by the city or another public entity. Nothing contained in this subsection shall prohibit the holder of the subclass (8) liquor licensee from subcontracting for all or any part of the food service provided that the food service and alcoholic beverages are sold as a package price agreed upon under contract. The licensee shall give written notice of the date, hours and location of the function to the office of the city clerk, not less than ten days prior to the function at which the license will be used; and shall keep a photocopy of the liquor license on the premises during any such function. The annual fee for this supplemental license shall be ~~\$750.00.~~ \$800.00.

- (11) *Subclass (10)*. A supplemental license may be obtained by an licensee currently holding a valid Class "B" or Class "G" (restaurant, beer and wine only) license issued under this chapter, authorizing the retail sale of alcoholic beverages for consumption as an incidental part of a food service that serves prepared meals which excludes the serving of snacks as the primary meal at private functions for a package price agreed upon under contract on any approved location other than the premises covered by the existing license with the following requirements:
- a. The licensee shall file with the city clerk not less than ten days prior to the function the location, the estimated number of invited individuals, and description of the private event along with proof of dram shop (liability) insurance for the off-site function;
 - b. A photocopy of the liquor license must be displayed on the premises during any such function;
 - c. Gross revenue from the sale of alcoholic liquor at any one event shall not exceed 40 percent of the total gross revenues generated from the sale of alcohol and the service of meals. The licensee shall submit an affidavit on a quarterly basis, on a form provided by the local liquor commissioner, certifying compliance with this requirement;
 - d. The service and consumption of alcoholic liquor shall only be permitted on the premises where food is catered and served;
 - e. No agent or employee of the licensee shall consume any alcoholic liquor while employed during the catered event;
 - f. The service of alcoholic liquor must be by a person at least 21 years of age who is an agent or employee of the licensee;
 - g. No private event catered under this license shall exceed eight hours in duration and no alcoholic liquor shall be served earlier than 10:00 a.m. and no later than 1:00 a.m.;
 - h. No cash bar in which alcohol is sold either on a per drink basis or any other means by which the consumer of alcohol is charged for the consumption or the privilege of consuming alcohol shall be allowed; and
 - i. The licensee shall comply with all applicable ordinances and state law and obtain all applicable permits for the private catered event.

The annual fee for this supplemental license shall be ~~\$750.00.~~ \$800.00.

- (12) *Subclass (11).* A supplemental license may be obtained by a licensee currently holding a valid Class "B" (restaurant) or "I" (assembly) license issued under this chapter, authorizing the retail sale of alcoholic beverages for consumption as an incidental part of a food service that serves prepared meals which excludes the serving of snacks as the primary meal for two outdoor events per liquor license year with an annual license fee of ~~\$500.00~~ \$550.00 on an adjacent adjoining off-street parking lot of the licensed establishment or if the establishment is so located where there is no adjacent adjoining off-street parking lot, on an adjacent city-owned public right of away area approved by the local liquor commissioner.

In addition to the regulations imposed upon licenses under this chapter, a subclass (11) license holder shall comply with the requirements for a Class "H" license as prescribed under subsection 15-52(8) except to the restriction regarding the holder of the license being a civic, patriotic, fraternal, educational, religious or benevolent organization and the requirement under subsection [15-62\(8\)\(d\)](#).

Upon approval for such temporary use the licensee shall file with the city clerk not less than ten days prior to the function:

- a. If the adjacent and adjoining off-street parking lot is owned by any person or entity other than the requesting liquor licensee, documentary proof of consent to use the parking lot for such an outdoor event with the city clerk not less than ten days prior to the function;
- b. For outdoor live entertainment: electric amplification shall be permitted and shall end by 10:00 p.m. on the day of the outdoor event upon filing of an affidavit that a written notice was sent at least 30 days prior to the proposed outdoor event to all the occupants of any businesses or residences within a 300-foot radius that the licensee is requesting amplified live entertainment and no objection to the amplified outdoor live entertainment was made to the licensee at least 14 days prior to the event.

Nothing in this section shall be construed to authorizing or absolving the licensee, its agents or employees from compliance with the noise restriction ordinance as prescribed [section 15-62](#) of the Code.

- (13) *Subclass (12).* A supplemental license may be obtained by a licensee currently holding a valid Class "C" (grocery) license issued under this chapter in which the square footage of the building of the established establishment is at least 50,000 square feet and meets the definition of a supermarket grocery store as defined in [section 3-1](#) of this chapter, authorizing the retail sale of alcoholic beverages for on-site consumption as part of a full service restaurant, with wait staff, that serves prepared meals which excludes the serving of snacks as the primary meal only in an area designated and operated as a restaurant as defined in [section 3-1](#) of this chapter. Nothing in this subsection shall be construed to authorize a Class C licensee with a subclass 12 supplemental license to qualify for subclasses that are available only to Class "B" (restaurant) license holders. The annual fee for this supplemental license shall be ~~\$1,000.00.~~ \$1,050.00.

- (b) It shall be unlawful for any licensee to operate as provided in any of the above subclasses of licenses without holding a current valid subclass license for such operation.
- (c) Subclass license fees shall be prorated, as provided in [section 3-61](#).

- (d) The term of subclass licenses shall be one license year, but such licenses shall be reviewable and subject to termination at any time on the basis of changed conditions pursuant to the restrictions and hearing requirements as set forth below.
- (e) Before the issuance, denial, renewal, continuation or termination by the local liquor control commissioner of any subclass (1), (1a), (2), (3), (3a), or (5) license, the local liquor control commissioner, after receiving the recommendation of the liquor commission, shall consider and state findings on the following issues:
 - (1) The zoning classification of the licensed premises.
 - (2) The character of the surrounding area.
 - (3) The traffic and parking situation, including any off-street parking requirements of the licensed business, within a 300-foot radius.
 - (4) Any statements of interested persons, either oral or written.
 - (5) The impact of such proposed or existing subclass license on the character of and the traffic and parking situation in the immediate neighborhood.
 - (6) Any past operating history of the licensee and the proposed site.
 - (7) Whether the operation of the licensee conforms to all requirements of this Code for the supplemental license requested.
 - (8) In the case of the question of renewal or revocation of a subclass (2a) supplemental license, whether the music or other live entertainment is audible in the nearest sleeping room in an R-1, R-2 or RC zoning district when the windows are closed.
- (f) Each applicant for a subclass (1), (1a), (2), (3), (3a), or (5) license shall submit with the initial application a complete list of the names and addresses of the last person to whom taxes were assessed for any property within 300 feet of the proposed site, together with a sworn statement that the applicant has caused notices to be sent to all such property owners, advising them of pendency of the request and that they have an opportunity pursuant to this section to request that a hearing be held before the liquor commission prior to the issuance of the supplemental license.
- (g) Should a request from any public official or from any licensee, or interested person owning property or residing within a 300-foot radius of the proposed site, be submitted in writing to the local liquor commissioner, he shall direct the liquor commission to hold a hearing into the question of whether to issue, deny, renew, continue or terminate any subclass (1), (1a), (2), (3), (3a), or (5) license.
- (h) No subclass license shall be issued or continued if there is a finding that it would alter or has altered the essential character of the neighborhood, would cause or has caused undue traffic or parking problems in the neighborhood, or that the operation under the subclass license does not conform to all requirements of this Code.
- (i) No subclass (1) or (1a) license shall be issued on any licensed premises without the affirmative recommendation of the city council.
