Re: Legal Representation

Dear Supervisor Leary:

It remains an absolute pleasure and honor to represent the City of Peoria Township ("Township") as legal counsel.

As you know, our firm is located in Central Illinois, and during my entire career, I have represented townships, road districts, and municipalities throughout the State. I am fortunate to say that I have served as the President of the Illinois Township Attorneys Association, an instructor for the General Assistance Training Institute, as legal counsel for the Township Highway Commissioners of Illinois, and continue to speak at statewide events for local government officials, including the annual conference for the Township Officials of Illinois and for other regional township groups.

My hourly rate has remained the same since I began my renewed representation of the Township in 2019. While that rate is subject to change in subsequent years, if I am reappointed to serve for the current fiscal year, I will honor that original rate of \$190.00 per hour.

I welcome the opportunity to answer any follow up questions, and most importantly, thank you for the opportunity to serve the Township.

Very truly yours,

MESCHER, RINEHART & REDLINGSHAFER, P.C.
