- B. The property described in attached Exhibit B, which is hereby made a part hereof, shall be referred to herein as the "Savanna".

III. THE SPRINGDALE CEMETERY MANAGEMENT AUTHORITY

- A. Upon the execution of this Agreement, the Parties agree the Springdale Cemetery Management Authority (hereinafter the "Authority") shall consist of the following:
 - 1. Five (5) members appointed by the Mayor of the City, with the approval of the City Council; one such appointee shall be Chairman.

- B. All members shall serve four (4) year terms. Members shall serve until their successors are duly appointed. Members appointed by the Parties shall serve at the pleasure of the Party which appoints them and may only be removed by the appointing Party. Within 30 days from the execution of this Agreement, the City of Peoria shall appoint its additional members to effectuate the necessary change in composition of the Authority.
- C. Nothing shall prohibit Authority appointees from being Council members or Board members of their respective entities.

- D. The quorum of the Authority needed to conduct its meeting consists of a majority of the currently serving and appointed members, and unless provided otherwise by applicable law all actions taken by the Authority shall require an affirmative vote of a majority of the present members.
- E. The Parties shall work together promptly and in good faith to create amended and restated bylaws for the Authority (the "Authority Bylaws"). It is contemplated that some provisions of the Authority Bylaws, including, without limitation amendment thereof, shall require unanimous consent of the Parties.

- H. Any authority granted to the Authority herein shall be expressly subject to the approval of the Parties and may be amended or revoked at any time by the unanimous action of the Parties.

IV. SPRINGDALE CEMETERY FOUNDATION RELATIONSHIP TO SPRINGDALE CEMETERY MANAGEMENT AUTHORITY

- A. The Authority shall have one (1) voting member on the Foundation Board that is not the appointee from the Foundation Board to the Authority.
- B. As long as this Agreement remains in effect:
 - 1. The Foundation shall provide donations for the benefit of Springdale Cemetery in an amount of at least \$25,000 per year.
 - 2. Said donations may include in-kind services.
 - 3. The Foundation shall not breach this Agreement.
 - 4. The procedure for selecting the appointee to the Foundation Board from the Authority shall be defined in the Authority's bylaws.
- C. The Parties shall determine whether the requirements of Paragraph B above have been met by the Foundation, the vote of all three governmental entities shall be required to discontinue the Foundation's right of appointment of members to the Springdale Cemetery Management Authority.

V. FINANCIAL CONSIDERATIONS

- A. Annual Budgets. The Authority shall transmit its annual operating and capital improvement budget to the Parties for information and transparency. The Parties specifically authorize the Authority (or such of the Parties as is specifically authorized by the Authority) to enter into contracts for expenditures or receipt of funds that are part of the annual budget. The Authority is expressly authorized to accept gifts or permit improvements to the Cemetery through the Foundation or any other body, provided that the gifts or improvements in question do not implicate the expenditure of public funds of the City, County or Park District.
- B. Operating Deficits. Any operating deficit from the year prior shall be divided as follows. The values below shall be reviewed by the Parties and may be adjusted based on the financial condition of the Authority once every ten (10) years.
1. The Park District's maximum annual cash contribution shall be \$40,000. It shall be an equally prorated share of the first \$80,000 of operating deficit from the prior year with the County. It is acknowledged that the Park District's annual expense to maintain the Savanna has an inherent value more than the Park District's annual cash contribution.
 2. The County's maximum annual cash contribution shall be \$102,000. It shall be an equally prorated share of the first \$80,000 of operating deficit from the prior year with the Park District plus the next \$62,000 of operating deficit in year one of this Agreement. The County agrees to increase "its next \$62,000" by \$2,000 per year such that its maximum annual cash contribution will be \$120,000 in the tenth year of this Agreement.
 3. The City's maximum annual contribution shall be all operating deficits not covered by the Park District or County.
 4. Should the annual operating deficit decrease such that the County is the majority funder of the operating deficit for two (2) consecutive years, the Parties agree to renegotiate the terms of Section V.B. Operating Deficits of this Agreement. If the Parties are not able to reach new terms during said negotiation, then the termination penalty referenced in Section VI.B. shall be reduced by fifty percent (50%).
- C. Operating Surplus. Any operating surplus shall be held by the Authority. The Authority may allocate any operating surplus as it deems appropriate for the mission of the Cemetery.
- D. The Authority or the Foundation may hold events for fundraising and other purposes from time-to-time.

VI. TERM

- A. The term of the Agreement shall be ten (10) years with the ability to extend one additional term of ten (10) years subject to the following:
 - 1. If the Parties intend to exercise the additional ten (10) year term, they may do so by adopting a resolution affirming as such on or before six (6) months prior to the expiration of the first ten (10) year term.
 - 2. Upon the end of the additional ten (10) year term and if the Parties intend to continue this Agreement, they may do so by amendment to the Agreement as adopted by each of the Parties at least six (6) months prior to its expiration.
- B. In addition to the rights of the Park District described in Section XI of the Agreement, at any time, any of the Parties may terminate that Party's obligations under this Agreement by providing one (1) year's notice of intent to terminate and by paying the sum of One Hundred Fifty Thousand Dollars (\$150,000.00) plus any accrued obligations owed by the Party terminating its obligations under this Agreement.

VII. OPERATIONS

- A. The Authority is authorized to take the necessary steps to provide for such employees as may be needed by the Authority. The salaries of any such employees shall be set by the Authority. Nothing herein shall prohibit the Authority from entering into a contract with an independent contractor for the management and operation of running of the Cemetery.
- B. The Authority is expressly entitled to provide for such insurance either through private insurance providers or through a risk management pool, as may be commercially reasonable; this expenditure shall be considered part of operating expenses.
- C. The Authority is expressly authorized to enter into such contracts as it may deem in the best interests of the Cemetery with the City, the County, or the Park District, or with such other entities as the Authority may deem appropriate; provided, however, that any such contracts shall be consistent with this Agreement and the Authority's Bylaws as approved by the Parties.
- D. The Authority shall comply with all applicable equal opportunity guidelines of the City.
- E. The Authority is authorized, and the Park District expressly agrees, that the Authority may contract with the Park District for maintenance of Cemetery property at the Park District's cost, said cost to include the Park District's administrative expenses. Nothing herein shall require the Authority to enter into such a maintenance contract with the Park District.

- F. The Authority is expressly entitled to set fees, establish rules and regulations, and do such other acts as are necessary to run the Cemetery; provided, however, that all such rules, regulations, and other acts shall be consistent with this Agreement and the Authority's Bylaws as approved by the Parties.

Upon the conveyance of the Savanna to the Park District and the satisfaction of the conditions in Section XI. of this Agreement, the Park District shall be responsible for the protection, conservation, and maintenance of the Savanna in accordance with the Maintenance and Operating Agreement. In the interim period between the date of this Agreement and the conveyance to and acceptance of the Savanna by the Park District, the Authority shall protect, conserve, and preserve, maintain the Savanna as it currently exists in its natural state, with the oversight of the Park District. Its

current state is better defined in Exhibit C attached hereto, which is made a part hereof.

The Authority shall not permit any other disturbance or waste in the Savanna. These prohibitions are considered a limitation on the authority of the Springdale Cemetery Authority itself.
- D. In the event of any act or omission of the Authority regarding its obligations in this Section, the Park District may, but is not required to, undertake such actions as may be necessary to correct such act or omission. Any cost of such correction shall be chargeable to the Authority, and the Park District may offset such amounts from any amounts it might owe to the Authority, including amounts owed under this Agreement.
