IV. **SCOPE OF SERVICE.**

A. **Activities**

Peoria SLF shall construct a new supportive living facility at the Property in a manner satisfactory to the City. As a result of the construction, Peoria SLF will create twenty (20) new FTE employment positions within six (6) months after approval of occupancy by HFS. At least 51% of the FTE employment positions will be made available to or held by Low-Income Individuals. CDBG funds will include reimbursement for the following eligible activities under the CDBG Economic Development Program:

Activity #1: The construction of a new supportive living facility at the Property. This should occur within eighteen (18) months from the execution of this Agreement. Please reference Exhibit B – “Construction Schedule”.

Activity #2: The City acknowledges that upon 100% occupancy of the facility, it is anticipated that 40 FTE positions will be created, provided, however, that Peoria SLF shall not be required to create more than 20 FTE positions for purposes of this Agreement. Full occupancy will be a continual activity that extends beyond the project completion date. As such, employment staffing will be gradual and based upon the rate of facility occupancy. Therefore, for the purposes of this Agreement and CDBG funds, Peoria SLF will hire 20 FTE positions within 6 months after approval of occupancy by HFS. Approval from HFS is approximately 30-90 days after the receipt of the Certificate of Occupancy issued from the City. At least 51% of the 20 FTE positions created (11 positions) must be made available to or held by LMI

as described above in Section III, (5). City staff will verify compliance of LMI hiring for Peoria SLF.

Activity #3: The reimbursement of CDBG funds will be made to Peoria SLF upon completion of Activities 1 and 2 listed above.

Activity #4: The minimum job retention term of two (2) years / 24 months will commence on the 1<sup>st</sup> of the month following the completion date of the project in IDIS.

**B. Performance Monitoring**

The City will monitor the performance of Peoria SLF according to the goals and performance standards contained in this Agreement. During the minimum job retention term, at the request of the City, Peoria SLF will certify the continued employment of the FTE positions. Substandard performance as determined by the City will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Peoria SLF within 60 days after being notified by the City, termination of the Agreement may be initiated and all funds must be returned to the City.

Participation in any prohibited activities as defined in 24 CFR 570.207 (a-b) shall constitute noncompliance with this Agreement.

**C. Construction Monitoring**

The City will monitor the performance of Peoria SLF during the construction of the new supportive living facility at the Property. The City reserves the right to review and approve all general contractors and sub-contractors that shall participate in the portion of the construction for which CDBG funds will be used. Funds cannot be used to directly or indirect employ, award contracts to or otherwise engage the services of any contractor, subrecipient or sub-contractors during any period of debarment, suspension or placement of ineligibility status on the Federal System for Award Management lists.

Peoria SLF will secure all appropriate building permits, zoning permits, and all required approvals from the City. All plans must utilize new construction materials or equivalent grade materials as authorized by the City Building Inspection staff.

During the construction phase of the project, Peoria SLF agrees to allow City staff access to the project at all reasonable times for the purpose of inspection, provided that a representative of Peoria SLF must have the opportunity to accompany such City staff. The primary purpose of the inspection will be to ensure that the construction meets all applicable City, State of Illinois, and HUD property standards, codes, regulations, and laws. Moreover, Peoria SLF agrees to allow City Building Inspectors access for required building inspections such as, but not limited to plumbing and electrical inspections.

D. Labor Provisions

- i. *Davis-Bacon Federal Labor Act (40 U.S.C. 276a-276a-5)*: The construction of a new supportive living facility will trigger the requirements of the Davis-Bacon Act. Peoria SLF agrees to include the provisions of the Davis-Bacon Act in all contracts. Additionally, Peoria SLF agrees to provide the U.S. Department of Labor Certified Transcript of Payroll (form WH-347) to document prevailing wage compliance to the City upon request.
- ii. *Contract Work Hours and Safety Standards Act (CWHSSA), as amended (40 USC 327-333)*: The CWHSSA will apply to the construction of a new supportive living facility, as the project is considered a “federally assisted construction contract over \$100,000”. Peoria SLF agrees to require contractors and subcontractors to pay laborers and mechanics employed in performance of the construction one and one-half times their basic rate of pay for all hours worked over 40 in a workweek. In order to document compliance, the City will accept the U.S. Department of Labor Certified Transcript of Payroll (form WH-347). Additionally, in compliance with CWHSSA, Peoria SLF agrees to prohibit any unsanitary, hazardous, or dangerous working conditions at the project in accordance to the Federal Department of Labor’s Occupational Safety and Health Administration (OSHA).
- iii. *Copeland (Anti-Kickback) Act (40 USC 276c)*: The Copeland Act will apply to the construction of a new supportive living facility, as the project is considered a “federally assisted contract in excess of \$2,000”. Peoria SLF agrees to prohibit contractors and subcontractors from in any way inducing an employee to give up any part of the compensation to which he or she is entitled under his or her contract of employment in performance. In order to document compliance, the City will accept the U.S. Department of Labor Certified Transcript of Payroll (form WH-347).
- iv. *Fair Labor Standards Act (FLSA) of 1938, as amended (29 USC 201, et.seq.)*: The FLSA will apply to the construction of a new supportive living facility. Peoria SLF agrees to require contractors and subcontractors to pay Federal minimum wage for all workers and provide at least one and one-half times their basic rate of pay for all hours worked over 40 in a workweek. Additionally, Peoria SLF agrees to prohibit contractors and subcontractors from employing youth under the age of 18 for performance of the project.
