Board, Committee and Commission Selection

I am Interested in serving on the following committee/commission/board:	Advisory Committee on Police-Community Relations, Board of Local Improvements, CDBG Public Service Advisory Commission , Historic Preservation Commission, Peoria Public Library Board of Trustees
---	--

Have you previously served on a city Board, Committee and Commission	NO
--	----

Reason for applying. I have recently graduated from Bradley University with a Political Science degree and I would like to get more involved in local politics. Mayor Ali recommended members of the Community Leadership Class join a commission to serve the community more. I have a deep interest in community service and relationship building as serving undeserved populations has become my passion.

Other relevant experience. I currently work for HOI Big Brothers Big Sisters and have served on several democratic campaigns on the state, local, and national level. I have volunteered for the Peoria Historical Society, I work within the school district, and I spent my senior year capstone project studying the history of Peoria's geography and social problems. I am currently enrolled in community leadership school and completed in Leaders Emerging to Advance Peoria.

Can you think of any relationship or other reasons, which might possibly constitute a conflict of interest, if you are selected to serve on the board, for the committee, or commission for which you are applying? Not at this moment, I do not know anyone personally that serves on a committee or commission.

Professional and Employment Background I am currently employed as the Volunteer Enrollment Specialist at Heart of Illinois Big Brothers Big Sisters. Previously, I worked on the Angie Normoyle for Congress Campaign, Peter Kobak for City council campaign, volunteered with Peoria's Democratic Party, received petition signatures for Dave Koehler, and interned for JB Pritzker for governor.

Educational Background Bachelor's of Science in Political Science with minors in Women & Gender Studies; African-American Studies from Bradley University. Attended High School at Dunlap High School.
