Professional and Employment Background

I have worked for Peoria Public Schools for the last 20 years. I have been a teacher, Reading Coach, Assistant Principal, and a Principal for the past 8 years.

I have previously taught Graduate School for St. Xavier University.

Educational Background

I have a Bachelor's degree from Bradley University, a Master's Degree from St. Xavier University, and 2 Master's Degrees from Grand Canyon University.

State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed I would appreciate being considered to serve on the PHA board because as an educator, I see the direct impact that housing or lack thereof has on students and their academic achievement. I want to be a part of a commission that is doing positive things to help those most in need in our city. I believe that residents of Peoria need to gain confidence in the boards, agencies, etc. that are here to help them and in turn those entities need to ensure that they are doing all they can to educate, support, and move residents towards a better life in Peoria.

Would your service on a city commission be a conflict of interest for you?; No
