Board, Committee and Commission Selection

I am Interested in serving on the following committee/committee/board:	CDBG Public Service Advisory Commission , Peoria Housing Authority
--	--

Have you previously served on a city Board, Committee and Commission	NO
Reason for applying.	I have been looking for a way to give back to my city. I love the city of Peoria and believe it has so much potential
Other relevant experience.	In my previous role before coming to OSF, I worked at a place that received the a grant from CDBG. I worked closely with the grant manager and really enjoyed the program. While in college, I had an internship with the Peoria Housing authority and was stationed in the taft homes. I really enjoyed working with the residents helping them find resources to get the needs they were requesting.
Can you think of any relationship or other reasons, which might possibly constitute a conflict of interest, if you are selected to serve on the board, for the committee, or commission for which you are applying?	I cant think of any at the moment. To my knowledge, I do not have any relatives on any of these boards.
Professional and Employment Background	I am currently a grant coordinator for the OSF Healthcare System. Before taking this role, I worked at Familycore where I managed grant funded programs that were housed in Peoria Public Schools. I have also taught in the schools and completed some administrator work.
Educational Background	Bachelors of Arts degree in English studies from Illinois State University
