Hold a Public Hearing and forward a recommendation to City Council on the request of Timothy Horan to approve an Annexation Petition and Annexation Agreement including a Subdivision Plat for the property located north of W Route 150, east of Blackbridge Road, west of Parcel Identification No. 13-04-376-006, and south of Chestnut Drive. The subject parcel is identified as Parcel Identification No. 13-04-376-001, with an address of 8022 N Blackbridge Road, Edwards, IL

*This case has been withdrawn. No action took place.*

**PZ 866-2022**

Hold a Public Hearing and forward a recommendation to City Council on the request of Thomas E. Leiter, to amend an existing Use with Approval as a Special Use in a class R-6 (Multi-Family Residential) District for an existing Multi-Family Residential Development to add a Multi-Family Freestanding Sign, for the property located at 6625 Big Hollow Rd (Parcel Identification No. 13-13-101-005), Peoria IL (Council District 4).

Urban Planner Julia Hertaus, Community Development Department, read the case into the record and summarized the request.

The Development Review Board recommends approval of the request with the following waiver and conditions:

1. Waiver to increase size of the sign from 20 sq. ft. to 40 sq. ft.
2. Condition to remove existing sign at the N Big Hollow Rd entrance
3. Condition to stripe all parking spaces and add handicap parking signs per Section 8.1 of the Unified Development Code.

The Development Review Board does not recommend approval of the waiver to increase the sign height from 5' to 8' 8". Review of the adjacent development along Big Hollow Road finds other signs in keeping with approximate 5-foot sign height. There are no unique physical characteristics of the property that obstruct or limit the visibility of signs. The intent of Peoria's sign regulations is to promote signs which are

compatible with their surroundings and appropriate to the type of business to which they pertain. The sign height of 5 feet is appropriate for residential development.

Thomas E. Leiter, representative for the property owner, explained the proposal.

Chairperson Pro Tem Ghareeb opened the public hearing at 1:29 PM.

There being no further public testimony, Chairperson Pro Tem Ghareeb closed the Public Hearing 1:30 PM.
