State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed I have been involved in the FOF for the about 8 years. We began hosting a youth (Lucas) from Friedrichshafen, and our son (Mitchell) then stay with Lucas' family the following year. After the first two years, we were asked to be chaperon's for the program, which we have done for the last 6 years. My wife Tammie and I are strong supporters of the sister city program and the benefits that our youth and adults receive from the program, in addition to the value it brings in business relationships. I also was elected as President of the FOF beginning January 1, 2016.

Would your service on a city commission be a conflict of interest for you?; No
