

**City of Peoria
Committee Volunteer Interest Sheet**

Committed volunteers play an important part in shaping Peoria's future. Committee members assist the City Council and Administration in developing policies and services which reflect the needs and values of the entire Peoria community. As a member of a City committee, you serve as a respected community advisor to the City Council and Administration.

While volunteer involvement requires time and effort, it also provides an opportunity for genuine public service. In addition, you gain knowledge about the role of City Government and its day-to-day operations.

If you are interested in joining over 400 Peoria citizens currently serving as volunteer committee members, please complete this volunteer interest sheet and profile and return it to the:
