RE: Temporary Liquor License Application
Steamboat Classic, NFP.
Water St. at State St.
Class H (outdoor)

Dear Mayor Ali,

Enclosed is an application from *Steamboat Classic, NFP.*, for a Class H temporary liquor license. The Steamboat Classic, NFP. is hosting their annual "*Steamboat Classic*" post-race party at Kellehers. This license will be used on Saturday, June 17, 2023 from 7:30 a.m. to 11:30 a.m. Approval of this license will allow for the sale and on-site consumption of alcoholic beverages during the event. The area for alcoholic beverage consumption will be fenced and security for this event will be provided by Peoria Police Officers assigned to this special event. The Steamboat Classic is a registered not-for-profit organization with the Illinois Secretary of State. Proceeds from this fundraiser will benefit their organization.

Officer Richard Linthicum conducted a background check of the officers listed on the application. Mr. Phillip H. Lockwood is the president and Ms. Katie H. Van Cleve is the secretary of the Steamboat Classic, NFP. Mr. Phillip H. Lockwood will be the event chairman. Nothing was found that would prohibit these individuals or this organization from receiving the requested license. This event has been held annually for several years with no known problems.

The Peoria Police Department has no objections to this temporary liquor license request.

Sincerely,

A handwritten signature in blue ink, appearing to read "Eric E. Echevarria".
