Hi Mandy. I reviewed past MFTs. I've attached a sample. They are all similar. The MFT No. in the top box we do not fill in. The meeting date we generally do not fill in. The signature date we generally type in.

However, we can all work together make sure they're complete.

Do you need us to type in my signature date?

Hi everyone,

Please see that attached resolution. There are 3 locations that need information filled out. In the future when we send resolutions, who should be filling these location out?

For now, can I complete this information on the originals I have to resubmit them to IDOT or would you like for me to send them again for original signature and seal?

Thanks
