Council Member Riggerbach asked Corporation Counsel Chrissie Kapustka to describe the process should a new owner take over the location. Corporation Counsel Kapustka confirmed the new owner would also be restricted to delivery only. Council Member Riggerbach responded that transferability was his only concern regarding this application.

Discussions were held regarding concerns about individuals placing orders from nonresidential locations and the possibility of delivering alcohol to an adult who was purchasing for minors.

Council Member Oyler stated he was disappointed in the outcome of the vote on the last item (21-300), and due to its proximity to the previous site application address, he would not support this site application.

More discussions were held about Gopuff's company policy to prevent underaged drinking. Council Member Allen stated he was hesitant to support this due to concerns of alcohol deliveries being made to underage citizens, especially on the college campus.

Further discussions were held about the history of Gopuff, their policy to identify fake identification, procedures to prevent underage drinking, locations in Illinois, percentage of alcohol sales, and their lack of any compliance violations in Illinois.

Council Member Velpula said he concurred with the points made by Council Members Oyler and Allen. He also said there was less control over liquor deliveries to homes than purchasing from a store, and since the Council would not approve the last model, he would not support this one.

Motion to approve the Site Application for a Class C -1 Liquor License with Retail Sale of Alcohol at GB License, LLC, D/B/A GOPUFF at 3455 N. University Street was DEFEATED by roll call vote.

UNFINISHED BUSINESS (Including but not limited to motions to reconsider items, if any, from the previous Regular Meeting)

(21-275) Request by Council Member Riggerbach for the Following:

A. REQUEST TO RECONSIDER Item No. 21-275.

B. Communication from the City Manager and Director of Community Development with a Request to Concur with the Recommendation from the Planning and Zoning Commission and Staff to ADOPT an ORDINANCE Approving a SPECIAL USE in a Class R4 (Single Family Residential) District, for a SHORT TERM RENTAL at 1030 N. ELMWOOD AVENUE (Parcel Identification No. 18-05-328-021), Peoria, IL (Council District 2).

Council Member Riggerbach moved to reconsider Item No. 21-275; seconded by Council Member Cyr.

Council Member Riggerbach acknowledged the Council did not often bring forward a Motion to Reconsider. He stated several Council Members had discussed and asked Director Dulin to ask the Planning and Zoning Commission to address issues such as transferability of the Special Use, establishing a maximum number of allowable non-related adults, and considering the appropriate percentage of Short Term Rentals allowed in a neighborhood. He suggested a three to five percent limit on Short Term Rentals in neighborhoods or set boundaries. He requested, if the request to reconsider the item was approved, that the item be brought back to Council for consideration at the City Council Meeting on October 12, 2021.

Council Member Velpula proposed the Council establish rules and procedures that would limit the need for Council involvement in Special Use decisions.

Discussions were held clarifying Council Meeting rules regarding a Motion to Reconsider. Mayor Ali confirmed with Corporation Counsel Chrissie Kapustka the Item could then be deferred if the motion to reconsider was approved.

Motion to reconsider Item No. 21-275 was approved by roll call vote.

Council Member Riggerbach moved to defer the request to adopt an Ordinance approving a Special Use in a Class R4 District, for a Short Term Rental at 1030 N. Elmwood Avenue, Peoria, IL to the Joint City Council and Town Board Meeting to be held on October 12, 2021; seconded by Council Member Ruckriegel.

Council Member Oyler said he would not support the deferrals because he wanted to support the property owners who tried to operate legally, while others continued to operate without appropriate licensing. He expressed his frustration with the time invested in this process and stated the Council's hesitancy to approve Short Term Rentals caused investors to lose confidence in the Council. He said the ratings system in place for Short Term Rentals provided owners incentive to operate correctly, stating the Council could rescind the license if they did not.

Council Member Jensen commended Council Members for negotiating on Short Term Rentals, but said she was still concerned about the impact on Heritage Neighborhoods with no ability to enact their own restrictive covenants. She questioned whether the proposed amendments would benefit the process but said she would support a Motion to Defer to allow for further discussions.

Council Member Allen said he believed the Council needed to be fair to property owners as well as others who lived in the neighborhoods.

Mayor Ali directed Council Members to work with Staff on this process so it could be voted on at the next City Council Meeting.

Motion to defer to the Joint City Council and Town Board Meeting on October 12, 2021, was approved by roll call vote.

presented obstacles for the Spanish-speaking population in general.
