State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed I have lived in Peoria for over 35 years and have a passion to help residents raise their quality of life. In this commission I hope to help market Constitution Garden, to make more residents aware of this great resource. Bringing more residents and visitors to the riverfront area is also a goal I have.

Would your service on a city commission be a conflict of interest for you?; No
