

Petition for Action: Safe Crossing and Sidewalk: From Rock Island Trail across Alta Ln. to Wilder Waite School. located in Peoria County, Dunlap School District.

Petition summary and background	Josh Naven of City of Peoria Planning and Zoning Commission, Frank Sturm of Medina Township Road Commission, and any other government entities that may assist in addressing the issues outlined herein;. There is currently no safe route from the Rock Island Trail to the Wilder-Waite Elementary School. The city and township surrounding Wilder Waite has over grown and the intersection located at W. Alta Ln. North Atlantic St. and 2 nd St. pose a significantly hazardous area. Not only is this crossing a major road, it is a crossing for residents in the Medina Township using Rock Island Trail and for families served by Wilder Waite School. In addition, pedestrians have no safe passage from the intersection through the Medina Township to the Wilder-Waite Elementary School via W. 2 nd St. to Pacific St., where pedestrians navigate past the local Last Chance Bar and Grill, or via Atlantic St. to 3 rd St.
Action petitioned for	We, the undersigned, are concerned citizens who urge our leaders to act now to provide safe crossing and sidewalks for residents at the intersections and roadways described above. Respectfully submitted on behalf of the residents below. Abby Humbles (309) 472-0455.
