CITY OF PEORIA CONTRACT

01-23

This agreement, made and entered into this 1st day of March A.D., 2023 by and between the City of Peoria, a municipal corporation, party of the first part, and JIMAX Landscape, LLC located at 3545 Southwest JIMAX Place, Peoria, IL 61505, his/their executors, administrators, successors or assigns, party of the second part.

WITNESSETH: That for and in consideration of the payments and agreements mentioned in the proposal hereto attached, to be made and performed by the party of the first part, and according to the terms expressed in the bond referring to these presents, the party of the second part agrees with said party of the first part, at his/their own proper costs and expense to furnish and deliver all the work, materials and supplies in accordance with the specifications contained in said proposal, and in full compliance with all of the terms of this agreement.

IT IS UNDERSTOOD AND AGREED that the, proposal, and statement or work and specifications are component parts of this contract and shall be deemed a part hereof. It is also understood and agreed that the contractor shall not assign, transfer, convey or otherwise dispose of this contract, or his right to execute it, or his right, title or interest in or to it or any part thereof, unless the previous written consent of the City Manager of the City of Peoria shall first be obtained thereto.

IN WITNESS WHEREOF, the said parties have executed these presents on the date above mentioned.

In accordance with the attached terms, pricing and scope of work, JIMAX Landscape, LLC will provide tree and stump removal/tree trimming services for the City of Peoria.

The contract is set to begin March 1, 2023 and will terminate December 31, 2023. The contract may be extended for three (3) additional one-year periods upon the approval of both parties.

GENERAL INSTRUCTIONS TO BIDDERS

- 1.1 ACCEPTANCE OF PROPOSALS The right is reserved, as the interest of the City may require, to reject any or all proposals and to waive any non-material informality or irregularity in the proposals received. All proposals will be in English. The City will award the proposals as described below or reject all bids within sixty (60) calendar days from the bid opening date.
- <u>1.2</u> **ADDITIONAL COPIES OF SPECIFICATIONS** Proposers may secure additional copies of the RFP specifications from the City of Peoria's <u>online bid platform</u>.
- <u>1.3</u> **REGISTERING ON BIDNET DIRECT** Proposers must register as a vendor on BidNet Direct to access RFP Documents. There is no charge to register. In order to complete registration go to the BidNet Direct website click on "Vendor Registration" in the upper right corner of the page. Enter your company information, and when prompted, select the "Limited Access" option. If you have questions of problems while registering, please call the BidNet Support Team at 800-835-4603 for direct assistance.
- <u>1.4</u> **ENVELOPE IDENTIFICATION** Proposers shall submit their response in a sealed envelope which shall be clearly labeled with the organization/individual name and address. Proposers should also indicate **IFB #01-23 Tree and Stump Removal & Tree Trimming** in the LOWER LEFT-HAND CORNER OF THEIR ENVELOPE.
- <u>1.5</u> ELECTRONIC SUBMISSION OF BIDS Bidders may choose to submit bids through BidNet Direct. <u>Instructions are included in the bid documents as Exhibit B.</u>
- 1.6 MAILING OF BIDS One (1) original copy and three (3) copies should be mailed or delivered to:

Peoria City Hall – City Purchasing Manager 419 Fulton St. Suite 108 Peoria, IL 61602

- <u>1.7</u> **CLOSING TIME** The RFP closing time will be based upon Central Standard Time or Central Daylight Time, whichever is in effect on the date the RFP is due.
- 1.8 WITHDRAWAL OF PROPOSALS Proposers may withdraw their responses at any time prior to the RFP closing time by telephone, fax or written request. A telephone request must be confirmed in writing within 24 hours of the call and prior to closing time. No proposer shall withdraw their response for a period of sixty (60) calendar days from the RFP opening date. Negligence on the part of the proposer in preparing a response to the RFP confers no right of withdrawal or modification of a proposal after it has been opened. No proposal will be opened which has been received after the closing time specified in the RFP and it will be returned unopened to the proposer.
- 1.9 ALTERNATE PROPOSALS The specifications describe the supplies and/or service, which the City feels are necessary to meet the performance requirements of the City. Proposers desiring to submit a proposal on items which deviate from these specifications, but which they believe to be equivalent, are requested to submit alternate proposals. However, ALTERNATE TENDERS MUST BE CLEARLY INDICATED AS SUCH AND DEVIATIONS FROM THE APPLICABLE SPECIFICATIONS PLAINLY NOTED. The proposal must be accompanied by complete specifications of the items offered.

- 1.10 AWARD An award will be made to the lowest cost (responsive and responsible) bid that is determined to be in the best interest of the City. The quality of the articles to be supplied, their conformity with specifications and their suitability to the requirements of the City and the delivery terms will be taken into consideration in making the award.
- <u>1.11</u> **PRICES** Unit prices shall be shown for each unit on which there is a bid and shall include all packing, crating freight and shipping charges and cost of unloading supplies at destination unless otherwise stated in the bid response. All prices shall be stated in U.S. dollars. Unit prices shall not include any local, state, or federal taxes. In case of mistake in extension of price, unit price shall govern. All prices must be typewritten or written in ink. No erasures are permitted. Mistakes must be crossed out and corrections typewritten or written in ink adjacent there to and initialed in ink by the party signing the proposal or his authorized representative.
- SIGNATURES Each bid response must be signed by the bidder with his usual signature. Bids by partnerships must be signed with the partnership name by one of the members of the partnership, or by an authorized representative, followed by the signature and title of the person signing. Bid responses by corporations must be signed with the name of the corporation, followed by the signature and title of person authorized to bind it on the matter. All signatures must be in ink.

By signing and submitting the response to this document, the Vendor/Contractor/Consultant is certifying they have not been barred from bidding by Federal, State or Local governments and have not been suspended or debarred from receiving federal funding.

- 1.13 INVESTIGATION Bidders shall make all investigations necessary to thoroughly inform themselves regarding the supplies and/or service to be furnished in accordance with the bid. No plea of ignorance by the bidder, of conditions that exist or that may hereafter exist because of failure or omission on the part of the bidder to make the necessary examinations and investigations, will be accepted as a basis for varying the requirements of the City or the compensation to the bidder.
- <u>1.14</u> **SAMPLES** Samples of items, when required, must be submitted within the time specified and at no expense to the City; and if not destroyed in testing, they will be returned at the bidders request and expense. Samples, which are not requested for return within thirty (30) days, will become the property of the City.
- <u>1.15</u> **RESPONSES** A response is requested of all bidders even if it is a "no bid." Do not include any personal information such as social security numbers that the bidder wishes to keep confidential.
- 1.16 BID PROCESS This process does not obligate the City to award a contract, or pay any cost incurred by the Vendor/Contractor/Consultant responding to this request. The City reserves the right to accept or reject any or all statements received because of this request. All information submitted in response to this request will become the property of the City.

Please be aware that it is the City's policy to not compensate a Bidder for any time or expenses incurred during the selection and negotiation processes.

<u>1.17</u> **EQUAL EMPLOYMENT OPPORTUNITY (EEO)** – To be <u>awarded</u> a contract all Suppliers, Vendors and Contractors to the City of Peoria **must** be registered in the City of Peoria's Contract Compliance Program and have a current EEO Certification number. This program is unrelated to any State and Federal program.

EEO certification is secured by completing and submitting, under notary seal, an Employer Report Form CC-1 (with required sexual harassment policy attached) to the City's Equal Opportunity Office. Please note the Certificate of Compliance is valid for one (1) year and must be renewed annually. The CC-1 form can be downloaded from the City's website at http://www.peoriagov.org/equal-opportunity/ under Equal Opportunity — Forms and Downloads. The forms can also be obtained by writing or calling:

City of Peoria Equal Opportunity Office 419 Fulton Street Peoria, IL 61602 (309) 494-8530 Voice (309) 494-8532 TTY

In accordance with Chapter 17 of the Peoria Municipal Code, a fifty-dollar (\$50.00) processing fee will be charged with each original submission of the Employer Report Form CC-1 that results in an approved certificate as well as the Annual Renewal Application. The only exception to payment of the processing fee is neighborhood associations.

Although all vendors are encouraged to obtain Equal Employment Opportunity Certification, vendors do not need an Equal Opportunity Certification to respond to a bid. The EEO Certification Number is only required prior to the award of the contract.

1.18 GOOD FAITH EFFORTS REQUIREMENTS (projects exceeding \$50,000) -

Minority/Women Business Enterprise (M/WBE) Utilization — Bidders must demonstrate that they made good faith efforts to meet participation goals. Documentation supportive of their good faith efforts to utilize M/WBEs must be submitted at the time of bid.

Current Goals

MBE – 18% workforce Utilization
WBE – 3% workforce Utilization

Compliance Reporting Minority/Female Worker Utilization - The General Contractor and its subcontractors must provide to the City of Peoria documentation on their good faith efforts to comply with the workforce participation goals. This would include, but not limited to, weekly certified payroll reports. All information will be provided through ePrismSoft, an electronic webbased compliance tracking software. Access to ePrismSoft has been furnished by the City of Peoria. To activate access the General Contractor and subcontractors must register at www.eprismsoft.com. Use the help page, which is accessible before logging in, to get started. If needed, contact the Contract Supervisor for help.

The Contractor further acknowledges and agrees that, upon the City's determination that a violation of this provision has occurred, the penalty imposed, at the sole discretion of the City, may include one or more of the following: (1) cancellation of any other contract(s) between the City of Peoria and the Contractor; (2) disqualification of the Contractor from bidding or being awarded future contracts with the City of Peoria for a period of two (2) years; and/or (3) payment of liquidated damages to the City of Peoria in the amount of Twenty-Five Thousand Dollars (\$25,000.00). This does not apply to any City Employee involved in the 2011-12 reduction in force; nor does it apply to parties taking the Early Retirement Incentive offered by the City from November 1, 2011, through November 1, 2012.

- R. REFERENCE All the contract terms shall be incorporated by reference into any written contract.
- S. PREVAILING WAGES Work under <u>some</u> contracts will obligate the Contractor and Subcontractors not to discriminate in employment practices. Provisions of the Prevailing Wage Act, 820 ILCS 130/0.01 et. seq., <u>may</u> apply to this project. Additional information can be obtained by calling 217/782-6206. Applicable prevailing wage rates can be found at the Illinois Department of Labor website or by clicking this link: https://labor.illinois.gov/laws-rules/conmed/current-prevailing-rates.html. Also applicable to this project are project provisions of the Employment of Illinois Workers on Public Works Act, 30 ILCS 570/0.01 et. seq., which requires that Illinois residents of 30 days or more be hired for Public Works Projects and improvements if the State Unemployment rate exceeds 5% for two (2) consecutive months. During the term of the awarded contract or if work continues, whichever is longer, and on a monthly basis, the Contractor shall submit in person, by mail or electronically, a certified payroll to the Designated Representative of the City of Peoria. The certified payroll shall consist of a complete copy of the following records: a list of all laborers, mechanics, and other workers employed by them to perform the work hereunder. The records shall include the following information for each worker:
- name
- address
- telephone number when available
- · social security number
- · classification or classifications
- the hourly wages paid in each pay period
- the number of hours worked each day, and
- the starting and ending times of work each day.

The certified payroll shall be accompanied by a statement signed and sworn to by the Contractor or subcontractor which avers that:

- (1) such records are true and accurate
- (2) the hourly rate paid to each worker is not less than the general prevailing rate of hourly wages required by the Prevailing Wage Act (820 ILCS 130/0.01 et.seq.), and
- (3) the Contractor or subcontractor is aware that filing a certified payroll that he or she knows to be false is a Class B Misdemeanor.

Upon two (2) business days' notice, the Contractor and each subcontractor shall make available for inspection the records identified above to the City, it officers and agents.

SCOPE OF SERVICES

OVERVIEW

The work to be completed under this Bid shall consist of Tree & Stump Removal and Tree & Brush Trimming as listed.

The Contractor shall provide adequate crew, equipment and materials to safely and efficiently complete an assigned project. Each such crew shall include an individual who shall be designated as the crew supervisor and who shall be responsible for the crew's activities and who shall receive instruction from the Director of Public Works or his representative and direct the crew to accomplish such work.

All work shall be performed in strict accordance with ANSI Z 133.1 "Pruning, Trimming, Repairing, Maintaining and Removing Trees and Cutting Brush-Safety Requirements" with special emphasis given to the requirements that only qualified line-clearance tree trimmers be assigned to work where a potential electrical hazard exists.

Whenever a tree, which is not scheduled to be removed, must be trimmed or pruned, the contractor shall ensure that such trimming and pruning is carried out under the direct supervision of a City of Peoria staff member. All pruning and trimming shall be performed in strict accordance with the provisions of ANSI A 300 "Standard Practices for Tree, Shrub and other Woody Plant Maintenance."

The City reserves the right to decrease the scope of work to be done and to omit any work in order to bring the cost within available funds. The City further reserves the right, at any time during the progress of the work, to restore all or part of any items previously omitted or reduced. Exercise by the City of the above rights shall not constitute any ground or basis of claim for damages or for anticipated profits on the work omitted. No adjustment will be made in the contract unit price shown for any item in the bid schedule regardless of the quantity performed. Trees scheduled for removal may possibly be eliminated from the scope of work.

WORKSITE CLEAN UP

All wood, chips and other debris resulting from the tree/stump removal operation shall be removed and disposed of by the Contractor. Dirt and debris from the sidewalk or street shall be broom cleaned. All grassy areas surrounding the stump site shall be raked of chips and dirt. The City is not responsible for providing a dump site for this material.

BACKFILLING

Upon removal and cleaning, the Contractor shall backfill the hole created by the removal of the stump to the existing surrounding grade. Any stump holes which cannot be filled immediately following removal shall be marked (i.e., barricaded, flagged, etc.) in such a way that pedestrians can easily recognize that there is an open area. All holes SHALL be filled within forty-eight (48) hours after removal of the stump. The fill material shall be topsoil and grass seed, pre-approved by the City. The contractor shall provide necessary compaction to minimize future settling.

SCHEDULE AND TIME OF COMPLETION

Should the low bidder not be available to complete an assigned project within the time frame required by these specifications, the City reserves the right to award that part of the assignment to another bidder. The City also reserves the right, at its sole discretion, to award a particular item or items of work to other than the low bidder when another bidder has demonstrated the clear ability to perform that particular item of work in a more qualified manner and to provide a higher-quality finished product.

Prior to commencing work, he/she shall notify the Authorized City Personnel forty-eight (48) hours in advance of the date he/she intends to actually begin the work.

The Contractor will proceed with the work at such rate of progress to ensure full completion within the time requirement(s) stated above. It is expressly understood and agreed by and between the Contractor and the City that the contract times for the completion of the work described herein shall be reasonable, taking into considerations the climatic and economic conditions and other factors prevailing in the locality of the work.

SAFETY

The Contractor shall perform all work in accordance with the latest governmental safety regulations and including, but not limited to, the Department of Labor, Office of Safety and Health Administration Regulations and Suggested Practices. All work shall be performed in strict accordance with ANSI Z133.1 "Pruning, Trimming, Repairing, Maintaining and Removing Trees and Cutting Brush-Safety Requirements" with special emphasis given to the requirement that only qualified line-clearance tree trimmers be assigned to work where a potential electrical hazard exists.

TRAFFIC CONTROL

The Contractor shall provide all traffic control devices and personnel and shall meet all requirements of Chapter 6 of the Manual Uniform Traffic Control Devices (MUTCD).

UTILITIES

It is the responsibility of the Contractor to contact J.U.L.I.E. (Joint Utility Information for Excavators) when needed. J.U.L.I.E. can be contacted by phone by calling 811 or 800/892-0123 or over the internet at www.illinois1call.com. The Contractor shall make all necessary arrangements with any utility that must be protected or relocated in order to accomplish the work. The Contractor shall be solely responsible for the protection of the operating condition of all active utilities within the area of construction and he/she shall take all necessary precautions to avoid damage to existing utilities. The Contractor shall not be responsible for any fee associated with this work.

BASIS OF PAYMENT

The Contractor's price shall include all material, labor, barricading, equipment, and other items necessary to complete the tree/stump removal as per specifications. Contractor may submit partial invoices for work completed; however, no payment will be made until all work - including cleanup and backfill - is completed.

DURATION OF CONTRACT

The contract will have an initial term of one (1) year with three (3) additional one (1) year renewal options as agreed upon by both parties.

CERTIFIED PAYROLL REQUIREMENTS

Contractors and Subcontractors on Public Works projects must submit the required certified payroll records monthly to the public body in charge of the construction project. These records are required to be submitted to the City by the 10th day of the month following when the work was completed. Failure to submit this paperwork will result in the City withholding any further payments until the paperwork is submitted.

BID CATEGORIES

The City will divide the work into 5 different categories:

- 1. TREE & STUMP REMOVAL BY SIZE
- 2. TREE & BRUSH TRIMMING BY HOURLY RATES
- EMERGENCY TREE & BRUSH TRIMMING BY HOURLY RATES

To ensure that the work is completed in a timely manner, the City reserves the right to award more than one contract for each bid category.

TREE & STUMP REMOVAL BY SIZE

Unit Prices to be utilized for trees and stumps not identified in these bid documents. Although it is realized that each job site varies, the City needs to have an established price for trees which need to be removed and come to our attention after this bid date.

Trees to be removed as a payment item will be measured per unit of diameter where one unit is equal to one inch (1"). The diameter will be measured at a point four-and-a-half feet (4.5') above the highest ground level at the base of the tree and will be determined by dividing the circumference of the tree by 3.1416. A multiple stem tree's branches having a diameter of six inches (6") or more at a point four-and-a-half feet (4.5') above the highest ground level at the base of the tree will be measured for payment as individual trees. The accumulated total number of units will be the pay quantity.

The stumps will be ground to an elevation four inches (4") below existing ground level and filled with topsoil per the Special Provisions unless otherwise specified. If the ground around the stump is elevated higher than the surrounding area, this elevated ground, including roots, should be lowered to the elevation of the surrounding area.

Once the Contractor is notified that a tree needs to be removed he/she will have seven (7) calendar days in which to start the work. The Contractor will then have two (2) working days to complete the tree removal and two (2) days to complete the stump removal and final restoration. If the Contractor is awarded more than one (1) tree at a time, he/she will still have seven (7) calendar days to start the work but two (2) working days will be added to the completion time for each tree. If the Contractor fails to complete the work per this schedule, the City reserves the right to hire another Contractor to finish the work and deduct these costs from the initial Contractor.

TREE SIZE @ 4.5 Feet	LUMP SUM PRICE
Under (<) 18"	\$_350.00
From 19" to 30"	\$ 725.00
From 31" to 42"	\$_1020.00
From 43" to 54"	\$ 1525.00
Over (>) 54"	\$ 2220.00

TREE AND BRUSH TRIMMING BY HOURLY RATES

Please provide a price per hour for Tree and Brush Trimming Work by Hourly Rates. Stump Removal is not included. This work is to be performed during the Contractor's normal hours of operation. Once the Contractor is notified of work to be done he will have 7 calendar days to start the work. Once the Contractor starts the work he will have 2 working days to complete the work including cleanup & backfill. If the Contractor cannot do the work within these days the City reserves the right to award the work to the #2 bid Contractor. All other conditions of the bid apply. The contractor's crew for this work will consist of three workers, one boom truck, one box truck with chipper, and necessary hand tools.

EMERGENCY TREE AND BRUSH TRIMMING

During the course of a year the City may experience storms that cause damage which needs to be removed quickly.

Please provide a price per hour for Emergency Tree and Brush Trimming Work. Stump removal is not included. All other conditions of the bid apply. The Contractor must be able to respond and take action within two (2) hours. If the Contractor cannot do the work within this timeframe, the City reserves the right to award the work to the second low-bid Contractor. All other conditions of the bid apply. The contractor's crew for this work will consist of three workers, one boom truck, one box truck with chipper and the necessary hand tools.

Work done during normal working hours will be paid as TREE AND BRUSH TRIMMING BY HOURLY RATES.

STUMP REMOVAL

This includes removal of tree stumps by grinding or other methods as may be approved. The Contractor shall furnish all necessary labor, materials, equipment, and incidentals to remove stumps and associated visible root growth to a depth of four (4) inches below existing grade unless otherwise specified by contract supervisor. If the ground around the stump is elevated higher than the surrounding area, the elevated ground and roots should be lowered to the elevation of the surrounding area.

All stumps to be removed will be less than sixteen (16) inches in height. Stumps which contain minor sucker growth shall be removed by the Contractor at no additional cost to the City. All work is located within the City limits of Peoria.

Authorized City Personnel and the Contractor shall establish a reasonable date for the commencement of each particular assignment. They shall also establish an allowable period of time for the completion of the work associated with each assignment.

Unit cost per inch:	\$ 6.40	per inch
